

+ INCREASE IN THE TAX RATE FOR MOTOR FUEL

TO: MOTOR FUEL DISTRIBUTORS, SUPPLIERS, AND LIQUIFIED PETROLEUM GAS (LPG) TAXPAYERS

Illinois has raised the tax rate for motor fuel. There will be two increases of 3¢ each. The first increase will go into effect on August 1, 1989, and raise the per gallon rate to 16¢ per gallon for all motor fuels except diesel fuel, which will be 18.5¢ per gallon.

WILL I RECEIVE NEW RETURNS WITH THE INCREASED RATES? We will send you revised returns (the RMFT-5 for distributors, the RMFT-5-SF for suppliers, and the RMFT-71 for LPG taxpayers) to use for reporting your August 1989 tax liability.

QUESTIONS? If you have any questions or need additional information, please call or write the Miscellaneous Taxes, Motor Fuel Tax Review and Correction Unit at the phone numbers or address listed at the bottom of this bulletin.

The second increase will go into effect on January 1, 1990, and raise the per gallon rate to 19¢ per gallon for all motor fuels except diesel fuel, which will be 21.5¢ per gallon.
