 CONDUCTING  
 BUSINESS IN MOLINE

This is to remind you that, beginning with sales you make on September 1, 1990, you will report and send to us both the home rule sales tax you collect and the state sale tax you have been collecting. These rates will be combined and preprinted on your Form St-1, Sales and Use Tax Return.

HAS THE HOME RULE SALES TAX RATE CHANGED?

No change has occurred in Moline's 0.5 percent home rule sales tax rate for GENERAL MERCHANDISE. Therefore, the combined general merchandise rate will be 6.75 percent.

You will report receipts from this general merchandise tax on line 4a on the ST-1. Your preprinted return will show the correct combined rate.

In addition, no change has occurred in Moline's 0.5 percent home rule sales tax rate for QUALIFYING FOOD, DRUGS, AND MEDICAL APPLIANCES. Therefore, the combined food and drug rate will be 1.5 percent.

You will report receipts from this food and drug tax on line 5a on the St-1. Your preprinted return will show the correct combined rate.

WHAT DO I DO WHEN A CUSTOMER PAYS ME AFTER SEPTEMBER 1 FOR A PURCHASE MADE EARLIER AT A DIFFERENT RATE?

If the original purchase was made at a different tax rate from those rates in Line 4a and 5a, you must report these receipts on Line 8a of the ST-1.

WHAT'S NEW FOR AUTO DEALERS?

If you sell cars or other items that require a title, you should pay special attention. The home rule sales tax does not apply to these sales, and receipts from these sales will continue to be taxed at the current rate of 6.25 percent when reported on Form ST-556.

However, the rate of 6.75 percent reported on Form ST-1 will apply to receipts from sales of general merchandise, such as the parts you sell over the counter and the parts you use during service of motor vehicles and airplanes.

WHAT'S BEING TAXED?

The home rule sales tax has the same base for general merchandise and food and drugs as the state tax you are already familiar with. (The base refers to those items that are taxed. Any item that is exempt from state tax will also be exempt from this home rule tax.)

Moline's 1-cent-per-gallon motor fuel tax remains in effect, and this tax should be reported directly to Moline. In addition, motor fuel is subject to the 0.5 percent home rule sales tax on general merchandise. You will report these sales along with all of your other general merchandise sales on your ST-1, paying the combined general merchandise rate of 6.75 percent.

DO I CHARGE HOME RULE TAX TO ILLINOIS CUSTOMERS WHO LIVE OUTSIDE MY HOME RULE MUNICIPALITY?

Effective September 1, 1990, you will charge home rule tax on your sales (except sales reported on Form ST-556) regardless of your Illinois customer's address or the sale's point of delivery within this state.
