 SPRINGFIELD

This is to remind you that, beginning with sales you make sales on September 1, 1990, you report and send to us both the home rule sales tax you collect the state sales tax you have been collecting. These rates will be combined and preprinted on your Form St-1, Sales and Use Tax Return.

HAS THE HOME RULE SALES TAX RATE CHANGED?

No change has occurred in Springfield's 1 percent home rule sales tax rate for GENERAL MERCHANDISE. Therefore, the combined general merchandise rate will be 7.25 percent.

You will report receipts from this general merchandise tax on line 4a on the ST-1. Your preprinted return will show the correct combined rate.

Springfield will continue to exempt QUALIFYING FOOD, DRUGS, AND MEDICAL APPLIANCES from home rule sales tax. Thus, the rate for these items appearing on your ST-1 will be 1 percent.

Note: Soda pop is not considered "food." It is taxed at the general merchandise rate of 7.25 percent.

You will report receipts from this food and drug tax on line 5a on the ST-1. Your preprinted return will show the correct combined rate.

WHAT DO I DO WHEN A CUSTOMER PAYS ME AFTER SEPTEMBER 1 FOR A PURCHASE MADE EARLIER AT A DIFFERENT RATE?

If the original purchase was made at a different tax rate from those rates in Line 4a and 5a, you must report these receipts on Line 8a of the ST-1.

WHAT'S NEW FOR AUTO DEALERS?

If you sell cars or other items that require a title, you should pay special attention. The home rule tax does not apply to these sales, and receipts from these sales will continue to be and taxed at the current rate of 6.25 percent when reported on Form ST-556.

However, the rate of 7.25 percent reported on Form ST-1 will apply to receipts from sales of general merchandise, such as the parts you sell over the counter and the parts you use during service of motor vehicles and airplanes.

Also, Springfield has a 1 percent vehicle HOME RULE USE tax. The municipality is responsible for collecting this tax. Call the city tax administrator's office at (217) 789-2294 if you need information about the home rule use tax.
