You will report receipts from this general merchandise tax on line 4a on the ST-1. Your preprinted return will show the correct combined rate.

WHAT DO I DO WHEN A CUSTOMER PAYS ME AFTER SEPTEMBER 1 FOR A PURCHASE MADE EARLIER AT A DIFFERENT RATE?

This is to remind you that, beginning with sales you make on September 1, 1990, you will report and send to us both the home rule sales tax you collect and the state sales tax you have been collecting. These rates will be combined and preprinted on your Form ST-1, Sales and Use Tax Return.

Galesburg will continue to exempt QUALIFYING FOOD, DRUGS, AND MEDICAL APPLIANCES from home rule sales tax. Thus the rate for these items appearing on your ST-1 will be 1 percent.

If the original purchase was made at a different tax rate from those rates in Line 4a and 5a, you must report these receipts on Line 8a of the ST-1.

HAS THE HOME RULE SALES TAX RATE CHANGED?

You will report receipts from this food and drug tax on line 5a on the ST-1. Your preprinted return will show the correct combined rate.

WHAT'S NEW FOR AUTO DEALERS?

No change has occurred in Galesburg's 0.75 percent home rule sales tax rate for GENERAL MERCHANDISE. Therefore, the combined general merchandise rate will be 7.00 percent.

DO I CONTINUE TO PAY HOME RULE TAX ON A "CAPPED" AMOUNT?

If you sell cars or other items that require a title, you should pay special attention. The home rule sales tax does not apply to these sales, and receipts from these sales will continue to be taxed at the current rate of 6.25 percent when reported on Form ST-556.

No. In Galesburg the amount of home rule sales tax has been based upon a "capped" amount, the first \$1,000 of each sales transaction. After September 1, you will charge home rule sales tax on the entire amount of each transaction.

However, the rate of 7.00 percent reported on Form ST-1 will apply to receipts from sales of general merchandise, such as the parts you sell over the counter and the parts you use during service of motor vehicles and airplanes.
