Effective October 1, 1998, the County Motor Fuel Tax rate in McHenry County increases from 2¢ per gallon to **4¢ per gallon**.

The new rate is reflected in Line 5 on your Form CMFT-1, County Motor Fuel Tax Return, or, for multiple-site filers, your Form CMFT-2, Multiple-Site Form.

It may be necessary to adjust your cash registers, pumps, and any computer programs you use so that, beginning on October 1, you will collect and pay the correct amount of tax.

Note: The previous rate of 2¢ per gallon may be printed on the reverse side of your Form CMFT-1. If so, please disregard that out-of-date information.
