Effective **January 1, 2022**, certain taxing jurisdictions have, by ordinance, imposed or changed their Municipal or County Cannabis Retailers' Occupation Tax on the gross receipts from sales of adult use cannabis (65 ILCS 5/8-11-23, 55 ILCS 5/5-1006.8). These taxes are in addition to Illinois Retailers' Occupation Tax on general merchandise (6.25%) and any locally-imposed retailers' occupation tax on general merchandise, which also apply to sales of adult use cannabis.

You must adjust your cash register and any computer program so that beginning on January 1, 2022, you will collect and pay the correct tax.

To verify your new combined state and local municipal or county retailers' occupation tax rate (*i.e.*, state and local taxes) on adult use cannabis, go to the [MyTax Illinois Tax Rate Finder](#) at tax.illinois.gov and select rates for January 2022.

What is taxed?

Municipal and County Cannabis Retailers' Occupation Taxes are imposed on gross receipts from adult use cannabis sold at retail. These taxes, however, are not imposed on cannabis purchased under the Compassionate Use of Medical Cannabis Program Act.

What is the tax rate that counties and municipalities can impose by ordinance on retail sales of cannabis?

Municipalities may impose a tax on retail sales of cannabis, other than medical cannabis, at a rate that may not exceed 3%, imposed in one-quarter percent (0.25%) increments. Counties may impose a tax (also in one-quarter percent increments) on retail sales of cannabis, other than medical cannabis, at the following rates:

- In unincorporated areas of the county, the rate may not exceed 3.75%.
- In a municipality located in the county, the rate may not exceed 3%.

As with any local government tax administered by the Illinois Department of Revenue (IDOR), municipalities and counties must submit their ordinances to IDOR by a statutory deadline in order to begin imposing the tax.
