Business Requirements for Retailers who File Form ST-14

On what sales must I collect and pay the Chicago Soft Drink Tax?

If you sell soft drinks at retail in the city of Chicago, you must collect and pay Chicago's Home Rule Municipal Soft Drink Retailers' Occupation Tax, using Form ST-14.

What are soft drinks?

"Soft drink" is any nonalcoholic beverage containing natural or artificial sweeteners. This includes, but is not limited to

- soda,
- sport or energy drinks,
- sweetened tea,
- enhanced sweetened or flavored waters,
- drinks containing 50 percent or less fruit or vegetable juice, and
- all other preparations commonly known as soft drinks.

"Soft drink" does not include any beverage containing milk or milk products, soy, rice or similar milk substitutes, unsweetened teas, drinks with greater than 50 percent of vegetable or fruit juice by volume, and carbonated or uncarbonated water that contains no sweeteners.

What transactions are exempt from this tax?

The same transactions that are exempt from sales tax (Illinois Retailers' Occupation Tax) are also exempt from this tax.

What is the tax rate?

The tax rate is 3 percent (.03) of the gross receipts of soft drinks sold at retail. Your tax rate will be preprinted on your Form ST-14.

How do I show this tax on my retail receipts?

You may either separately state this tax, or state this tax in combination with other taxes on the receipts you give your customers.

Who pays tax on soft drinks sold in vending machines?

In the case of soft drinks sold through vending machines, the owner of the products in the vending machine is liable for the tax.

Do I owe Chicago Soft Drink Tax on fountain drinks?

No. Fountain drinks (drinks that are prepared by mixing a syrup or concentrate with water) are **not** subject to this tax and are **not** reported on Form ST-14.

Note: The city of Chicago does administer a separate tax on fountain soft drinks. That tax must be paid directly to the Chicago Department of Revenue.

How do I report the Chicago Soft Drink Tax?

All retailers of soft drinks (not fountain) in Chicago must file Form ST-14, for each reporting period and pay the tax collected from retail sales made. We include instructions with the forms we send you.

How do I file if I have more than one site?

Because the Chicago Soft Drink Tax is imposed city wide, the same rate of tax is due at any site in Chicago where you make your sales. For each reporting period, report the combined sales from all of your sites on the same Form ST-14.

Must I file Form ST-14 if I have no sales to report?

Yes. You must file a processable (signed) Form ST-14 for each reporting period regardless of whether or not there are receipts to report. You may file a "zero" return.

When is my return and tax payment due?

You must file your Form ST-14 and pay any tax due on or before the 20th day of the month following the end of the reporting period. We will preprint the reporting period and due date on your Form ST-14. It will be the same as the reporting period for your Form ST-1. We will notify you if your filing status changes.

Note: Any time a due date falls on a weekend or state-recognized holiday, we adjust the due date to the next business day.

Is there an incentive for paying the tax I owe on time?

Yes. If you file your Form ST-14 and pay the tax on time, you are allowed to take a discount of 1.75 percent of the tax you collected on receipts from sales.

Where do I file my Form ST-14?

You should mail your Form ST-14 to the address printed on the form. If no address is available, please mail your return to:

**CHICAGO SOFT DRINK TAX ADMINISTRATION
PO BOX 642603
CHICAGO IL 60664-2603**

Do not mail Form ST-14 with any other type of return.

What if I do not file and pay by the due date?

If you do not file your Form ST-14 and pay the tax due by the due date, you will be assessed for any tax due (including any portion of the discount for timely filing that we have disallowed) plus penalty and interest. For detailed information about the penalties and interest that may apply, see PUB-103, Penalties and Interest for Illinois taxes.

Note: When sent through the U.S. mail, items filed with and payments made to IDOR are considered to be filed and received by the department on the date of the post office cancellation mark. Private postage meters are not used to establish the date of receipt.

If items are filed with or payments made to IDOR but are not sent through the U.S. mail, they are considered to be filed on the date the department receives them.

What if I make a mistake on my Form ST-14?

If, after you file your Form ST-14, you find you made a mistake that resulted in an overpayment or an underpayment, you must file an amended return (Form ST-14-X). Amended returns are available by calling our 24-hour Forms Order Line at **1 800 356-6302**.

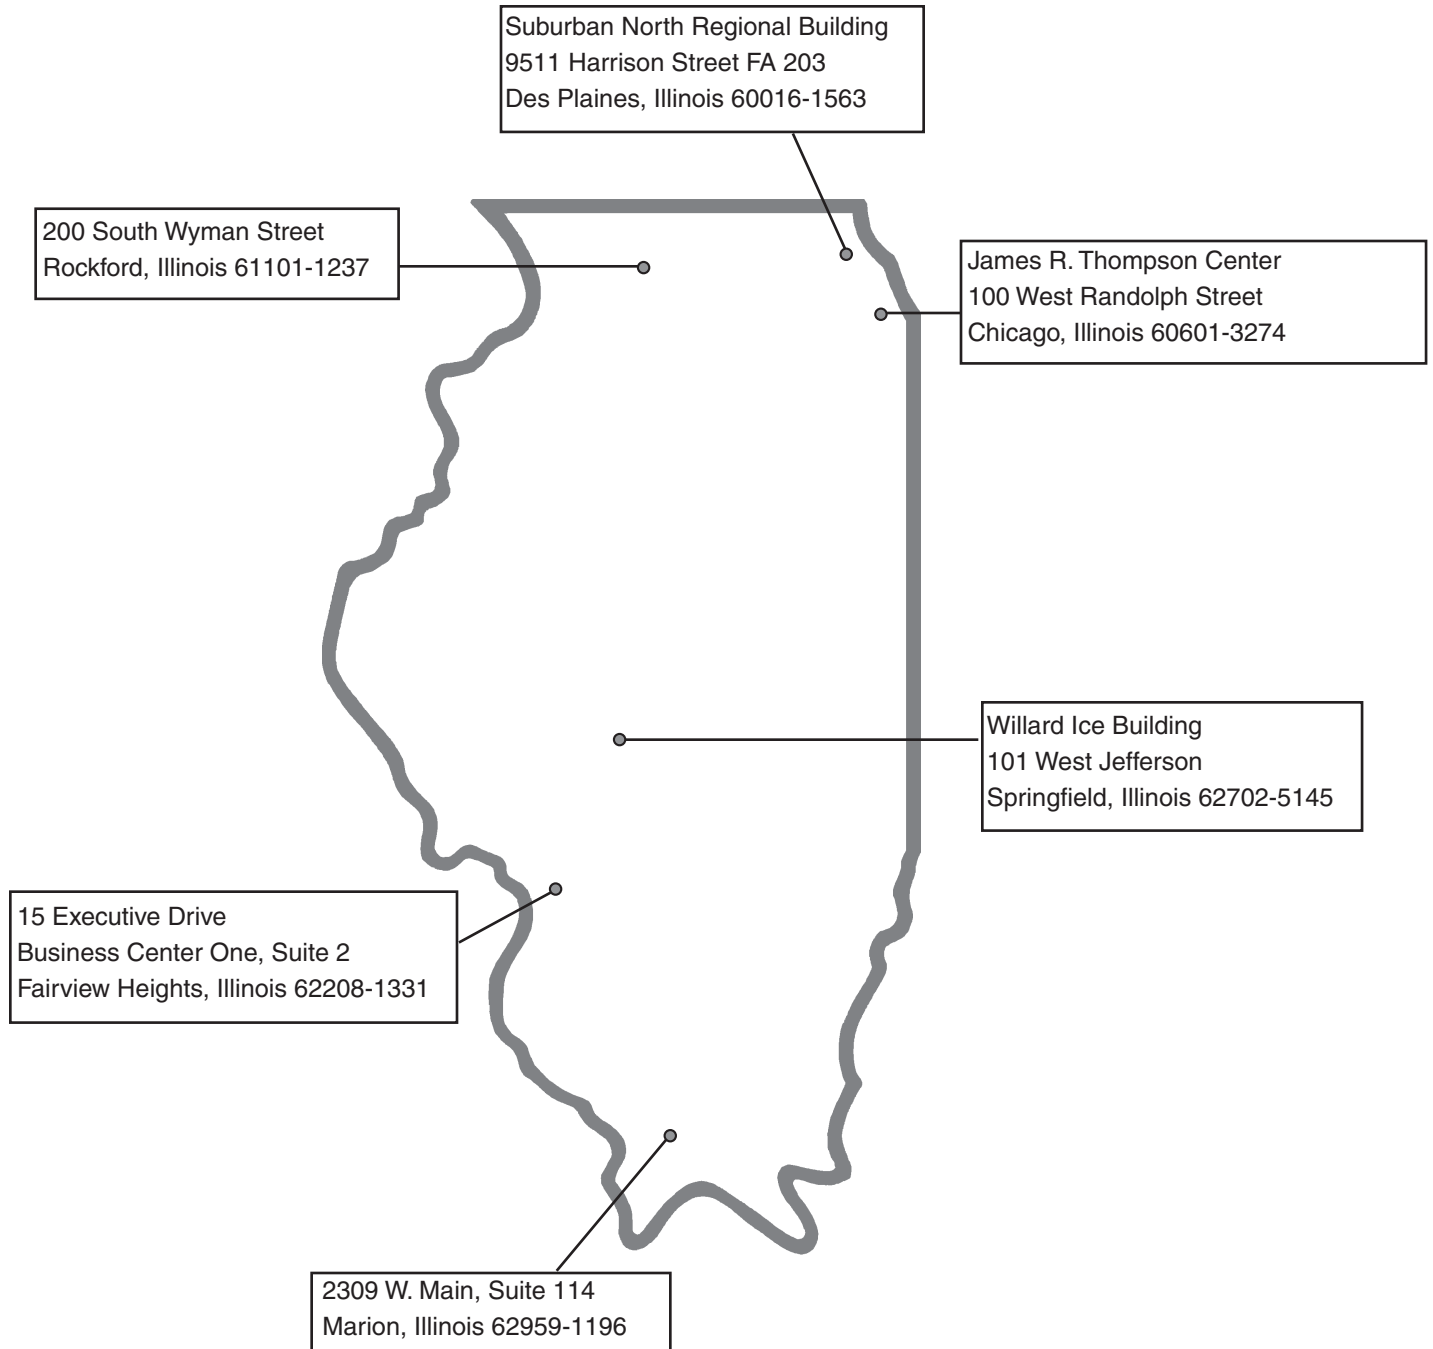

For help completing your amended return, please call the Sales Tax Processing Division at **217-782-7517**.

For all other questions, you may visit our website at **tax.illinois.gov** or contact the department at the numbers listed at the end of this publication.

What books and records must I keep?

The requirements for keeping books and records is the same for all retailers and can be found in Publication 113, Retailer's Overview of Sales and Use Tax.
