- Marketplace facilitator is the retailer, not you.
- Sales are subject to state and local retailers' occupation tax (ROT).
- Taxes for sales made by a marketplace facilitator on behalf of a marketplace seller are incurred at the tax rate in effect at the purchaser's location (destination rate). Applies to sales made through a marketplace by:
 - Illinois retailers
 - Out-of-state retailers
- Sales made by a marketplace facilitator itself are taxed as follows:
 - For sales that are fulfilled from inventory located in Illinois and for which selling activities do not otherwise occur in Illinois (see, e.g., [86 Ill. Adm. Code 270.115](#)), state and local retailers' occupation taxes are incurred at the tax rate in effect at the location of the Illinois inventory;
 - For sales for which selling activities otherwise occur in Illinois (see, e.g., [86 Ill. Adm. Code 270.115](#)), state and local retailers' occupation taxes are incurred at the tax rate in effect at the location of the selling activities;
 - For sales that are not fulfilled from inventory located in Illinois and for which selling activities do not otherwise occur in Illinois (see, e.g., [86 Ill. Adm. Code 270.115](#)), state and local retailers' occupation taxes are incurred at the tax rate in effect at the purchaser's location (destination rate).
- Affiliates of a marketplace facilitator are not considered "marketplace sellers" when they make sales on an affiliated marketplace. Under these circumstances, affiliates must apply the analysis in the "No" circle to determine their tax liability.

* If you are an Illinois retailer engaged in the occupation of making sales of tangible personal property in Illinois and you make sales over a marketplace, see the "YES" box for the treatment of those sales. If you do not make any sales over a marketplace, the provisions of this chart do not apply to you and you should handle your liability as you did prior to January 1, 2021.

Definitions

“Marketplace facilitator” means a person who, pursuant to an agreement with an unrelated third-party marketplace seller, directly or indirectly through one or more affiliates facilitates a retail sale by an unrelated third-party marketplace seller by:

1. Listing or advertising for sale by the marketplace seller in a marketplace, tangible personal property that is subject to tax under this Retailers’ Occupation Tax Act; and
2. Either directly or indirectly, through agreements or arrangements with third parties, collecting payment from the customer and transmitting that payment to the marketplace seller regardless of whether the marketplace facilitator receives compensation or other consideration in exchange for its services.

A person who provides advertising services, including listing products for sale, is not considered a marketplace facilitator, so long as the advertising service platform or forum does not engage, directly or indirectly through one or more affiliated persons, in the activities described in paragraph (2) of this definition of “marketplace facilitator”. Marketplace facilitators meeting either of the thresholds in the Wayfair nexus standards are required to register with IDOR, file returns, and remit tax for all sales made through the marketplace to Illinois purchasers, including their own sales and sales made on behalf of marketplace sellers. A marketplace facilitator shall certify to each marketplace seller that the marketplace facilitator will assume the rights and duties of a retailer under the ROT Act and all applicable local retailers’ occupation taxes administered by IDOR with respect to sales made by the marketplace seller through the marketplace. [86 Ill. Adm. Code 131.145]

[[35 ILCS 105/2 \(1\)](#)] For other forms of physical presence, see [35 ILCS 105/2 \(1.1\) and \(1.2\)](#).

“Wayfair nexus standards” means the standards established by the Supreme Court case, *South Dakota v. Wayfair, Inc.*, No. 17-494 (U.S. June 21, 2018) and used to determine tax collection obligations for remote retailers that meet specific selling thresholds but have no physical presence in the state. Illinois [P.A. 100-587](#) enacted nexus standards that are virtually identical to those upheld in Wayfair decision. Beginning January 1, 2021, remote retailers that meet or exceed either of the following thresholds shall be liable for all applicable state and locally imposed retailers’ occupation taxes administered by IDOR on all retail sales to Illinois purchasers. [[P.A. 101-0031](#) and [101-0604](#)] The thresholds are:
