1. Introduction and Overview

The purpose of this document is provide a training manual for the two primary groups of end users of CARS – grantees and cognizant agencies. The purpose of this document is not to explain the indirect cost rate proposal process or explain any of the key concepts/terms pertaining to indirect cost rates. Many resources on this subject matter can be found at the State of Illinois' Grant Accountability and Transparency Act website - <https://www.illinois.gov/sites/gata/Pages/default.aspx>.

Grantees – entities who have received or will receive State or federal pass-through funding from the State of Illinois.

Cognizant Agencies – agencies responsible for providing final acceptance of submitted indirect cost rate proposals for all grantees.

Each grantee is expected to complete the indirect cost rate proposal process **every state fiscal year**. The State of Illinois fiscal year runs July 1 through June 30 (so State fiscal year 2018 is July 1, 2017 through June 30, 2018). Regardless if the grantee is submitting an actual indirect cost rate proposal, they are selecting de minimis, they have a federally negotiated rate, or are not planning on having any indirect cost rate – **all grantees must complete this process annually**.

This training manual is broken up into two major sections. The first covers all the aspects of CARS from the perspective of a grantee while the second covers all the aspects of CARS from the perspective of a cognizant agency. The cognizant agencies also have access to various dashboards and reports to provide them with information on all grantees progress throughout the entire process.

Should you ever need assistance while using the CARS application you may contact the support line at either 1-800-599-9110 or GOMBSupport@crowehorwath.com.

2. Grantee ICRP Submission

2.1 Grantees invited to CARS

All grantees are initially invited to CARS to submit their indirect cost rate proposal (ICRP) by way of an email. Below is an example of what that invitation email looks like. All automated emails from CARS will come from the address GOMB_donotreply@crowehorwath.com. Do not send any replies to this account as it is not monitored. As stated previously, the support contact email account is GOMBSupport@crowehorwath.com.

□ GOMB_donotreply
State of Illinois Indirect Cost Rate Proposal (ICRP) – To be completed

Welcome to the State of Illinois Indirect Cost Rate Proposal (ICRP) Process.

In order to request reimbursement for indirect costs with the State of Illinois you must complete the indirect cost rate negotiation process utilizing the Crowe Activity Review System (CARS). CARS will allow your organization to document your already established federally approved indirect cost rate, complete an indirect cost rate proposal, elect to charge the de minimis rate (10%) of modified total direct costs (MTDC), or select that no reimbursement of indirect costs will be requested. The State of Illinois' Indirect Cost Unit of the Governor's Office of Management and Budget, your State Cognizant Agency, and Crowe Horwath will review the information populated and attached in CARS and will assist you with completion of the process. Please click on the link below which will take you directly to the log-in page of CARS and walk you through the process.

Your username is your email address, the email address to which this message was sent. For **new users**, your initial password to log in is GOMB@123 – you will setup a new password upon logging in for the first time. Returning users will use the password they setup previously. If you forgot your password you can answer your security questions to reset it.

Indirect cost rate proposals or elections of other rate options must be submitted by the deadline. The deadline for submission is 6 months after your organization's fiscal year end; however, in accordance with 2 CFR 200.512, if your organization is subject to a "Single Audit" it is understood you are not required to submit your audit package to the Federal Audit Clearinghouse until 30 days after receipt of the auditor's report(s) or 9 months after your fiscal year end, whichever comes first. If you recently submitted a proposal for the first time utilizing your most recent financial information (6/30/16), but you are required to return to make an election for the next negotiation period due to your fiscal year end, you will be able to document that your information/election has not changed within CARS. In addition, you will not be required to upload the same documentation if your election and information has not changed.

CARS URL: [Click Here](#) (Please note this link is specific to your organization's case within the system. For reference, a generic link to the system login page is available [here](#).)

For any questions, please contact Crowe Horwath at GOMBSupport@crowehorwath.com or 1-800-599-9110. Also, if you are an individual with disabilities according to the Illinois Information Technology Accessibility Act (IITAA), Public Act 095-0307, and require assistance utilizing the CARS application, please contact the GOMB support line and a support staff will make themselves available at no cost to you or your organization to assist with your completion of the Indirect Cost Rate Proposal submission process.

Thank you

Please be aware that weekly system maintenance is scheduled for 6 to 8 pm central on Wednesdays. The system will be unavailable at this time.

This email notification provides all the necessary information for a grantee to log into CARS (site URL, username, and password).

2.2 Logging into CARS for the first time

The site URL will be provided in your welcome email, however it is <https://solutions.crowehorwath.com/CARS/StateofIllinoisGOMB/login.aspx>. It is recommended that you bookmark this page for future reference. A screen shot of the CARS login page is provided below. Your username and password are also included in the welcome email, however, your username is your email address and the default password is GOMB@123.

Passwords must meet certain criteria which are explained to you immediately below the password field:

Password:

7 more characters, 1 more numbers, 1 more upper case characters, 1 symbol characters

This updates as you type:

Password:

3 more characters, 1 more numbers

After entering your new password and selecting your security answers, click Continue. You will now have to log back into CARS using your new password.

Password:

Confirm Password:

Security Question #1 In what city were you born?

Security Answer #1

Security Question #2 What is your favorite pet's name?

Security Answer #2

2.3 Resetting a forgotten password

If you forget your password, click the “Forgot My Password” link on the login page. You will then have to enter your username, which is your email address.

To reset your password, please provide the e-mail address or username for this account:

Copyright © 2016 Crowe Horwath LLP. All Rights Reserved.

Afterwards you'll have to provide answers to the two security questions you created upon your first login. If you have forgotten the answers to these questions you must contact support (GOMBSupport@crowehorwath.com) to have your account reset.

Please answer the two security questions below:

Security Question #1: In what city were you born?

Security Answer #1

Security Question #2: What is your favorite pet's name?

Security Answer #2

After answering the security questions and clicking Submit, you may now create a new password. The new password must be different than your prior password.

Please enter and re-enter your new password.

2.4 The Workbench

Once you have logged into CARS you will arrive at one of two places. If you used the standard login URL (<https://solutions.crowehorwath.com/CARS/StateofIllinoisGOMB/Login.aspx>) you will arrive at your workbench. Here you will see all cases assigned to you. If you represent multiple grantees, you may see multiple items here. If not, it's likely you'll only see a single row in the table like the screen shot below.

Clicking anywhere on the row in the table will open up the case. The only other action you can perform from this page (other than signing out) is to view your previously submitted cases. If this is the first time you are completing an ICRP submission in CARS, then previously submitted cases will look like an empty grid. If you have submitted cases in the past, you will be able to look up read-only versions of those here for reference.

The image below is an example of what the Previously Submitted Cases page would look if you had completed your State Fiscal Year 2017 ICRP and had just submitted your State FY 2018 case to be reviewed.

2.5 The Review Steps tab and case overview

If you logged into CARS via the “Click Here” link in your email notification, you will arrive at this page (also when clicking on the row from the Workbench, you will arrive at this page). At any time you can click on the Workbench tab to return to your Workbench if needed. The Review Steps tab contains all of the questions that are required of you to complete in order to submit the ICRP. The questions are organized into blocks. You can see in the image below there are currently three blocks displaying, Welcome!, Agency Identification, and Submit. Additional blocks will appear/disappear as you complete the process via answering questions, depending on their applicability.

Welcome!

In accordance with the Grant Accountability and Transparency Act (GATA), 30 ILCS 708/1 et seq., the Grant Accountability and Transparency Unit (GATU) was established in the Governor's Office of Management and Budget. GATA increases accountability and transparency in the use of grant funds while reducing the administrative burden on State agencies and grantees through adoption of the federal grant guidance and regulations codified at 2 CFR Part 200 (Uniform Requirements). Additional information related to GATA can be found [here](#).

Indirect cost rate proposals or elections of other rate options must be submitted by the deadline. If your organization's effective State of Illinois award date is August 1, 2016 or earlier, the deadline is November 1, 2016. If the effective State of Illinois award date is after August 1, 2016, the deadline is 3 months after the effective date of the State award.

Subsequent negotiations are due 6 months after your fiscal year end.

Note: If you are a local education agency (LEA) that has already negotiated a rate with the Illinois State Board of Education (ISBE), DO NOT proceed any further in the State of Illinois Indirect Cost Rate Proposal System.

For any questions, please contact Crowe Horwath at GOMBsupport@crowehorwath.com or 1-800-599-9110. Also, if you are an individual with disabilities according to the Illinois Information Technology Accessibility Act (IITAA), Public Act 095-0307, and require assistance utilizing the CARS application, please contact the GOMB support line and a support staff will make themselves available at no cost to you or your organization to assist with your completion of the Indirect Cost

2.6 How to save

As you are entering your responses within the Review Steps tab, CARS will automatically be saving your work when you perform certain actions. Any time you click the Next or Previous buttons at the bottom of the page, all your information is saved.

Any time you click directly on the name of a question block in the listing on the left (which takes you directly to that block), all your information is saved.

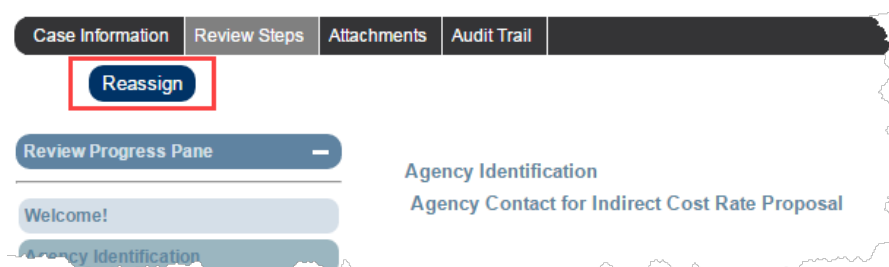

At any time you can click the Save diskette icon in the upper right hand corner to save your information.

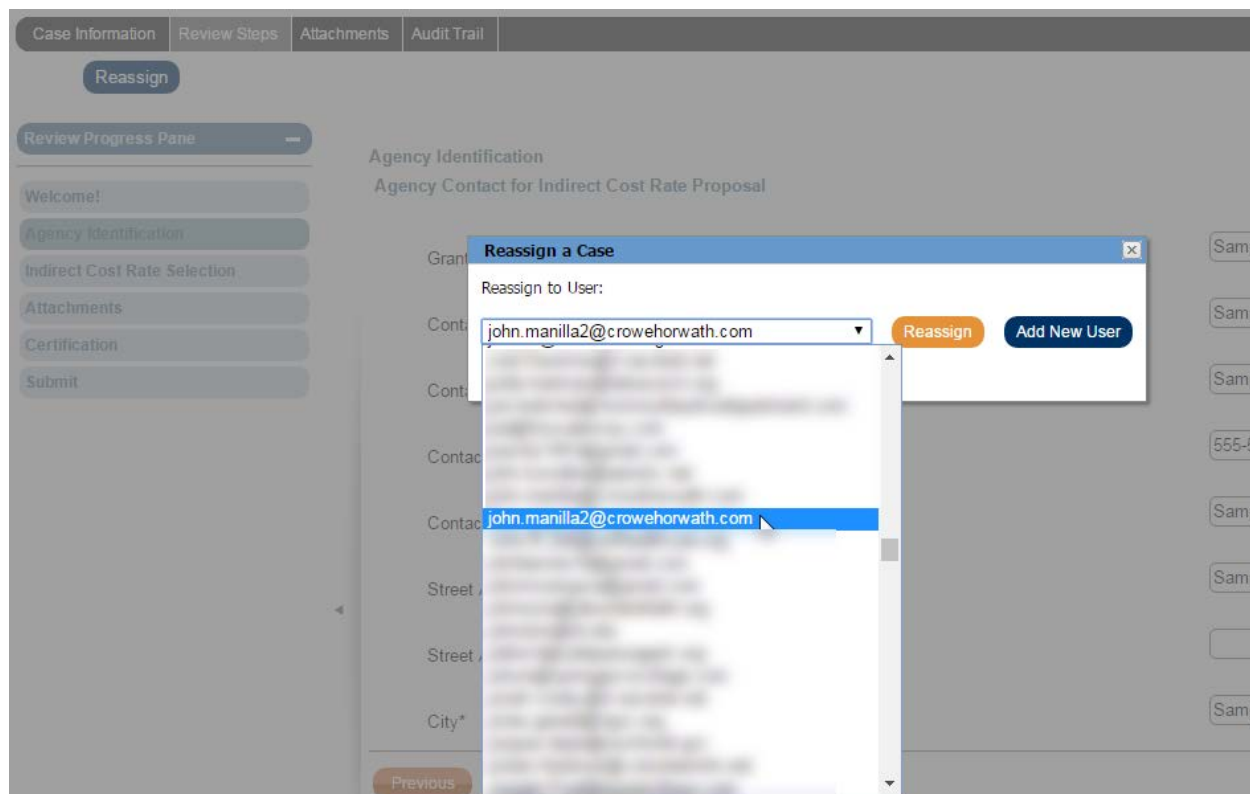

2.7 How to reassign

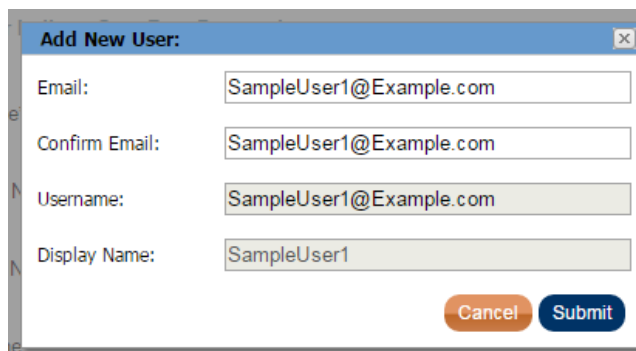

At any time, you may reassign the ICRP case within CARS to another member of your organization. Regardless if they already have an account setup in CARS or not. This is useful if you wish to delegate the task of completing the ICRP to someone else or just need a colleague to complete it instead of yourself. When you reassign the case, you will no longer be able to edit it unless the person you reassigned it to assigns it back to you. Also, upon reassignment, the individual you assigned the case to will receive the same email notification you received informing them of what needs to be completed and how to access the system and log in.

If they do already have an account, after clicking the Reassign button, you can simply select their name from the drop down list and click Reassign.

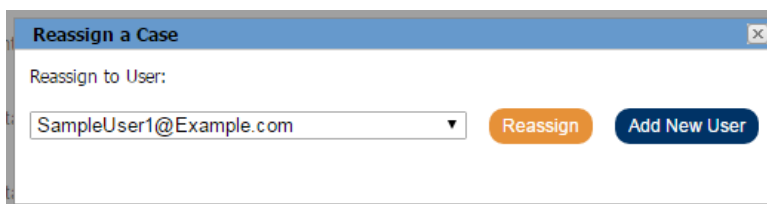

If they do not already have an account, click Add New User, enter their email address information, then click Submit.

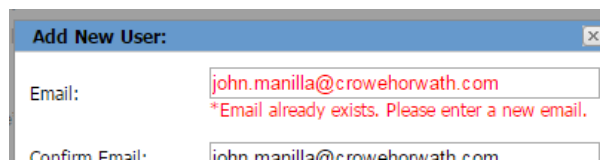

A dialog box titled "Add New User:" with a close button (X) in the top right corner. It contains four input fields: "Email:" with "SampleUser1@Example.com", "Confirm Email:" with "SampleUser1@Example.com", "Username:" with "SampleUser1@Example.com", and "Display Name:" with "SampleUser1". At the bottom right are two buttons: "Cancel" (orange) and "Submit" (blue).

You'll be returned to the page screen and you'll see the email address of person you entered, now simply click Reassign.

A dialog box titled "Reassign a Case" with a close button (X) in the top right corner. It contains a label "Reassign to User:" above a dropdown menu showing "SampleUser1@Example.com". To the right of the dropdown are two buttons: "Reassign" (orange) and "Add New User" (blue).

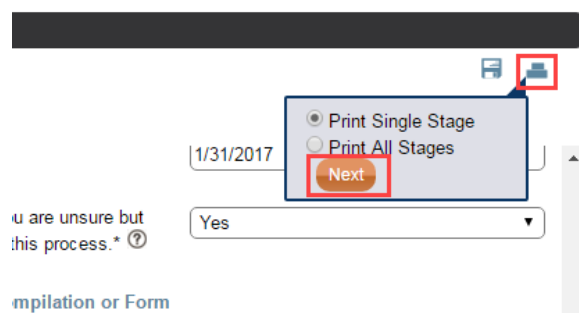

If you try to enter an email address for someone who is already in CARS, you will receive a message indicating the email already exists and you will not be allowed to re-add it.

A dialog box titled "Add New User:" with a close button (X) in the top right corner. It contains two input fields: "Email:" with "john.manilla@crowehorwath.com" and "Confirm Email:" with "john.manilla@crowehorwath.com". A red error message is displayed between the fields: "*Email already exists. Please enter a new email."

2.8 How to print

At any time you may print your ICRP case from CARS. This will print every question that you have responded to. It is recommended you wait until answering all questions and then print a copy (can print to PDF as opposed to paper copy) for your records. To print, click the print icon in the upper right hand corner, then click the Next button.

You'll have to wait a few moments, possibly up to 1 minute for the print output to generate. It will open up in a new tab in your browser. You can then print this by clicking the Print button at the top.

Print Close

Stage Details for Grantee: [REDACTED]

Grantee details

Case Summary

Stage: Grantee

Stage Status: In Process

Assigned To: [REDACTED]

Start Date: 2/7/2017

End Date:

Last Updated: 2/7/2017

Comments:

Grantee: [REDACTED]

In accordance with the Grant Accountability and Transparency Act (GATA), 30 ILCS 708/1 et seq., the Grant Accountability and Transparency Unit (GATU) was established in the Governor's Office of Management and Budget. GATA increases accountability and transparency in the use of grant funds while reducing the administrative burden on State agencies and grantees through adoption of the federal grant guidance and regulations codified at 2 CFR Part 200 (Uniform Requirements). Additional information related to GATA can be found [here](#).

Indirect cost rate proposals or elections of other rate options must be submitted by the deadline. If your organization's effective State of Illinois award date is August 1, 2016 or earlier, the deadline is November 1, 2016. If the effective State of Illinois award date is after August 1, 2016, the deadline is 3 months after the effective date of the State award.

Subsequent negotiations are due 6 months after your fiscal year end.

2.9 Completing questions, help text, required questions

CARS has been designed to walk you through this process. You will not have to answer any questions that are not applicable to your situation nor be asked to attach any documents that are not applicable because of the dynamic nature of the application. As you answer questions you will notice how questions appear/disappear based on applicability.

Certain questions also have help text associated to them. This is indicated by a question mark with a circle around it. You may click these at any time to view the help text.

Do you anticipate receiving an award from the State of Illinois over the next year? If you are unsure but there is a possibility of receiving an award, please respond with "Yes" to proceed with this process. ?

Provide total revenue by source as included in your most recent audit, review, compilation or 990:

- Pass Through Federal Funding* ?
- State Grants* ?
- Direct Federal Funding* ?
- Other Organizational Revenue* ?
- Total Organization Revenue* ?

Entity Type or Organization Type*

If your organization has not received notification of an award, please reach out to your State awarding agency to see if your award will be funded for this negotiation period. Based on your communication with your State funding agency, if you have a history of receiving awards from the State of Illinois and you are confident you will receive an award, or have no reason to believe you will not receive an award, please respond 'Yes' to this question and submit an Indirect Cost Rate Proposal. For example, if your organization is negotiating for State fiscal year 2017 (July 1, 2016 – June 30, 2017) you should have received communication that you will be receiving an award.

For an entity with multiple awards, include the date of the first award that falls within the fiscal year reporting period.

You must answer all questions which are deemed required. All questions with an asterisk at the end are required questions (which is most of them). Asterisks highlighted in the screen shot below.

If you attempt to submit without answering required questions, you will be notified that these questions need to be answered. All blocks containing unanswered questions will be marked with a red X and all questions left unanswered will have a large red box around them so you can easily identify what needs to be completed.

One or more questions marked as Required for Submit have not been answered.

2.10 Attachments

As you respond to the questions within CARS, a list of required attachments is dynamically created. The system will only ask for you to attach documents which are required. This list is intended to serve as your checklist of what you need to attach.

The screenshot shows the 'Attachments' tab in the CARS system. At the top, there is a navigation bar with tabs: 'Case Information', 'Review Steps', 'Attachments' (selected), and 'Audit Trail'. Below the navigation bar is a 'Reassign' button. On the left, there is a 'Review Progress Pane' with a list of steps: 'Welcome!', 'Agency Identification', 'Indirect Cost Rate Selection', 'Federally Negotiated Agreement', 'Attachments' (highlighted), 'Certification', and 'Submit'. The main content area is titled 'Attachments' and contains the following text: 'Failing to attach all of the required documents listed below will result in an incomplete submission of your Indirect Cost Rate Proposal and it will be returned to you for completion.' Below this, it says 'All required documents need to be attached using the **Attachments** tab above.' There are two items listed: 'Attach Audit Report*' and 'Attach the federally approved Negotiated Indirect Cost Rate Agreement (NICRA)*', each with a checkbox. At the bottom, there are 'Previous' and 'Next' buttons.

To actually attach the documents, simply click on the Attachments tab in the black bar and select the documents and click Upload.

The screenshot shows the 'Attachments' tab in the CARS system. At the top, there is a navigation bar with tabs: 'Case Information', 'Review Steps', 'Attachments' (selected), and 'Audit Trail'. Below the navigation bar is a 'Reassign' button. Below the navigation bar, there is a section titled 'Attached Documents' with three rows, each containing a 'Choose File' button, the text 'No file chosen', and a 'Remove' button. Below this, there is an 'Add' button and an 'Upload' button. Below the 'Add' and 'Upload' buttons is a table with the following data:

Id	Document Name	Type	Last Modified	Last Modified By	Actions
3296	Sample Doc 2.xlsx	Microsoft Excel Spreadsheet	2/7/2017 10:36:08 AM	john.manilla@crowehorwath.com	Open Delete
3297	Sample Doc 3.pdf	Portable Document Format (PDF) File	2/7/2017 10:36:10 AM	john.manilla@crowehorwath.com	Open Delete

At the bottom right of the table, it says 'Page 1 of 1 (2 items)'.

2.11 Submitting your completed ICRP form

After you have responded to all questions and attached all necessary documents, you will arrive at the Submit block. This is where you will submit your completed ICRP form for review. Optionally, you may enter any additional comments you have here. To enter comments, type within the rich text box (accepts formatting such as bold, underline, and bulleted lists) and then click the “Save Comment” button. Also, if you enter text into this field and then immediately submit, that will also save your comment.

To submit, select “Submit for Review” from the drop down selection and click the Submit button.

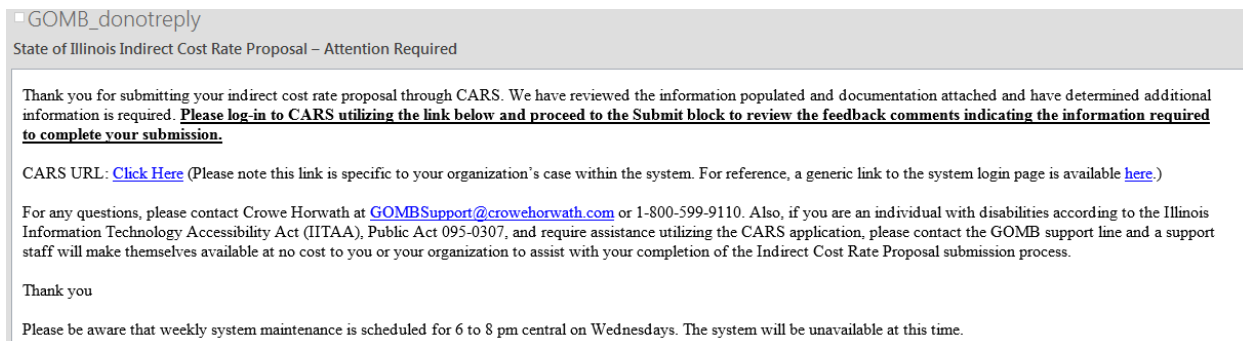

After you submit the case, you will be returned to your workbench and the case will have disappeared. Assuming you had only a single grantee to submit the ICRP for, you should now be looking at an empty Workbench like the image below. If you select either In Process or Pending and select Submit, the case will NOT be submitted for review. It will remain assigned to you in your workbench and will need to be submitted before your ICRP can proceed through the process.

3. Grantee ICRP Returned for Rework

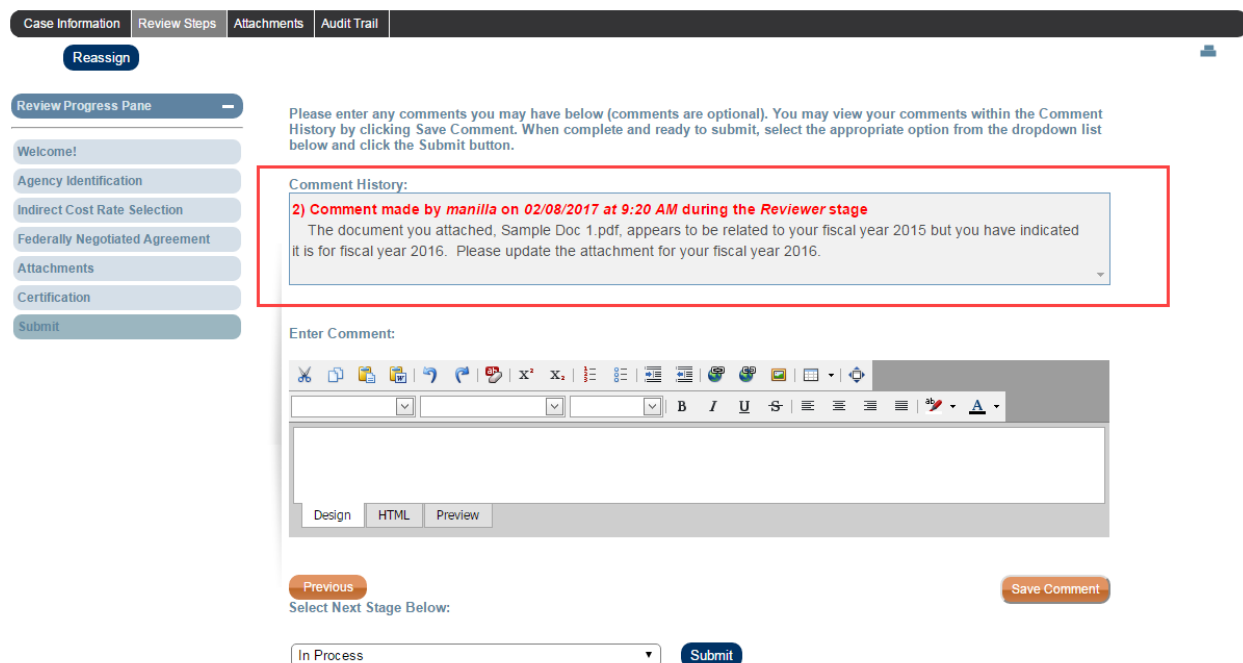

After you have submitted your completed ICRP it is possible it will be returned to you for rework. This most commonly occurs due to failing to attach the correct documentation, errors related to the reporting of revenue, or making an error on your ICRP template spreadsheet.

3.1 When an ICRP proposal is returned

If for any reason your ICRP proposal submission is returned to you, you will immediately be notified via an email message that will look like this:

Follow the instructions in the email which direct you back into CARS to the Submit block of the case. You will find comments from the reviewer. After completing what is asked, you will then re-submit the case using the drop down select "Submit for Review" and clicking Submit like you did before. You may optionally add comments of your own if you so desire.

4. Cognizant Agency Acceptance

The following functionalities are identical for both Grantees and Cognizant Agencies. If you have questions about these items, please review the appropriate section above

- Logging into CARS for the first time (section 2.2)
- Resetting a forgotten password (section 2.3)
- How to save (section 2.6)
- How to print (section 2.8)

After the ICRP submission has been reviewed by Crowe, it will be submitted to the Cognizant Agency for review and acceptance. All Cognizant Agencies have access to the following report which provides an overview of all cases ready for review and acceptance. The aging columns of this report indicate how long the case has been awaiting Cognizant Agency acceptance.

READY FOR COG AGENCY ACCEPTANCE

Data as of 2/8/2017 1:03:39 AM report updates nightly at 1:00 AM Central Time
Please Note - Aged columns indicate number of days waiting on Cognizant Agency Acceptance

Cognizant Agency	<10 Days	10-19 Days	20-29 Days	30+ Days	Grand Total
Aging		1 (1.3%)	1 (1.3%)	4 (5.2%)	6 (7.8%)
Agriculture				46 (59.7%)	46 (59.7%)
Community College Board	2 (2.6%)				2 (2.6%)
Criminal Justice Info Authority				1 (1.3%)	1 (1.3%)
Human Services	6 (7.8%)		4 (5.2%)	9 (11.7%)	19 (24.7%)
State Fire Marshal			1 (1.3%)		1 (1.3%)
State Police	1 (1.3%)				1 (1.3%)
Student Assistance Commission		1 (1.3%)			1 (1.3%)
Grand Total	9 (11.7%)	2 (2.6%)	6 (7.8%)	60 (77.9%)	77 (100.0%)

It is recommended that one representative from every Cognizant Agency check this report at least once per week. In addition, a snap shot of the report is emailed to all Cognizant Agency contacts every Monday morning for convenience.

4.1 How to review the ICRP submission

As the Cognizant Agency for a grantee, you will need to pull cases into your Workbench to review using the "Get More Cases" button. This will automatically pull the oldest case awaiting review and acceptance for your specific agency. Each time this button is clicked it will pull one case until there are no more awaiting review for your agency. Each Cognizant Agency is setup with its own holding queue so there is no way for cases to get mixed up between agencies. To open the case you must click the arrow icon in the Actions column to the far right.

The second is the Case History. From any of the tabs in the case, scroll down and you will see a light blue bar entitled "Case History". Click on that bar to open up the history. From here, you may open up any of the historical records of this case. You will want to open up the most recent instance of the Grantee and/or Reviewer stages. You'll see the history is sorted in chronological order with the newest being at the top. It is possible the case will go back and forth between the Grantee and the Crowe Reviewer multiple times, which is why you always want to open the most recent instance (closest to the top) of the stages so you are reviewing the latest information. Clicking the arrow in the row will open up a read-only version of the stage for your review.

4.2 How to either accept or not accept the ICRP submission

Once you have completed reviewing the Grantee and/or Reviewer stages, you have only a couple questions to complete within the Review Steps tab.

If accepting the ICRP:

The screenshot shows the 'Review Steps' tab selected in the top navigation bar. On the left, there is a sidebar with 'Activity Review Tree' (+), 'Review Progress Pane' (-), and 'Cognizant Agency'. The main content area is titled 'Cognizant Agency' and contains two questions: 'Cognizant Agency acceptance of negotiated indirect cost rate.*' with a dropdown menu set to 'Yes', and 'Enter the date the acceptance was made.*' with a text input field containing '2/1/2017'. In the top right corner, there are icons for saving, undo, redo, and search.

If not accepting the ICRP:

The screenshot shows the 'Review Steps' tab selected in the top navigation bar. On the left, there is a sidebar with 'Activity Review Tree' (+), 'Review Progress Pane' (-), and 'Cognizant Agency'. The main content area is titled 'Cognizant Agency' and contains two questions: 'Cognizant Agency acceptance of negotiated indirect cost rate.*' with a dropdown menu set to 'No', and 'Please describe the reason for not accepting.*' with a large text input field. In the top right corner, there are icons for saving, undo, redo, and search.

After answering those couple questions, click on the Status and Disposition tab, select either Accepted or Not Accepted, and finally click the Save diskette icon in the upper right hand corner. Adding comments here is optional. If you select Accepted, the Grantee will immediately be notified via an email message. If you select Not Accepted, the case will be returned to Crowe for rework.

The screenshot shows the 'Status and Disposition' tab selected in the top navigation bar. On the left, there is a sidebar with 'Activity Review Tree' (+), 'Review Progress Pane' (-), and 'Cognizant Agency'. The main content area is titled 'Status and Disposition' and contains a 'Set current state:' dropdown menu with options: 'In Process', 'In Process', 'Pending', 'Not Accepted', and 'Accepted'. Below the dropdown is a large text input field for 'Enter Comment:'. At the bottom, there is a 'Save Comment' button. In the top right corner, there is a red square icon with a white diskette symbol.

5. Grantee Review and Acceptance

After the Cognizant Agency has accepted the final determination for the ICRP, an email notification is immediately sent to you, the Grantee. It looks like this:

■ GOMB_donotreply

State of Illinois Indirect Cost Rate Proposal Finalization

Your state cognizant agency has finalized its acceptance of your organization's Negotiated Indirect Cost Rate Agreement (NICRA). Please log-in to CARS utilizing the link below to view the details and to indicate your organization's acceptance of the final rate information. Once your organization's acceptance is finalized, please print a copy for your records and complete a satisfaction survey.

If your organization elected not to establish an indirect cost rate, we request that you log-in to CARS to print a copy for your records and complete a satisfaction survey.

CARS URL: [Click Here](#) (Please note this link is specific to your organization's case within the system. For reference, a generic link to the system login page is available [here](#).)

For any questions, please contact Crowe Horwath at GOMBSupport@crowehorwath.com or 1-800-599-9110. Also, if you are an individual with disabilities according to the Illinois Information Technology Accessibility Act (IITAA), Public Act 095-0307, and require assistance utilizing the CARS application, please contact the GOMB support line and a support staff will make themselves available at no cost to you or your organization to assist with your completion of the Indirect Cost Rate Proposal submission process.

Thank you

Please be aware that weekly system maintenance is scheduled for 6 to 8 pm central on Wednesdays. The system will be unavailable at this time.

You will need to log back into CARS to finalize your acceptance. There are only a couple of questions for you to complete at this point. You may optionally select to complete a survey. Also, you may appeal the rate if you disagree with the final determination. After filling in all the information, it is recommended you print a copy for your records (see section 2.8 "How to print" if you need assistance with printing).

If you do not chose to appeal, then congratulations you have completed the ICRP submission process and will not have to revisit this process until the next negotiation period.

6. Appeals Process

If you have chosen to appeal the final determination of your ICRP there are a few additional steps that must be taken.

6.1 What the Grantee needs to do

You will need to complete the extra block of questions “Grantee Review Appeal” and then select ‘Submit Appeal’ when submitting.

The screenshot shows a web application interface for the 'Grantee Review Appeal' process. At the top, there is a navigation bar with tabs: 'Case Information', 'Review Steps', 'Attachments', and 'Audit Trail'. Below this, a 'Reassign' button is visible. On the left, a 'Review Progress Pane' contains a list of steps: 'Grantee Review', 'Grantee Review Survey', 'Grantee Review Appeal' (which is highlighted), and 'Submit'. The main content area is titled 'Grantee Review Appeal' and contains the following text: 'Your organization has been directed to this page to appeal the approved rate for your entity. You have twenty (20) calendar days from the receipt of the electronic approval letter to appeal the rate. All appeal decisions are final; therefore, be sure to adequately document your appeal below. Until an appeal decision is made and the grant period has begun, your organization should use the proposed rate as included in the letter. If the rate changes based on the appeal, an adjustment will be made to reimburse your organization based upon the final appeal decision issued.'

The form includes several input fields and buttons:

- A dropdown menu for 'Request for appeal is due to: *'.
- A text area for 'Provide a written statement fully describing the reason and rationale for the appeal. *'.
- A text input field for 'What is the rate your organization is proposing in this appeal? *'.
- A section for 'Attach documentation to support the rate proposed in this appeal. *' with a file upload icon.
- 'Previous' and 'Next' buttons at the bottom of the form.

This screenshot shows a final step in the process, featuring a dropdown menu with the following options: 'In Process', 'In Process', 'Pending', 'Submit Appeal' (which is highlighted in blue), and 'Determination Accepted'. To the right of the dropdown is a blue 'Submit' button.

6.2 What the Cognizant Agent needs to do

After Crowe completes a review of the submitted appeal, the cognizant agency will need to review and accept or not accept the final appeal determination. Due to the infrequency of the appeals process, your agency will be notified by Crowe when an appeal has been submitted for your review and acceptance.
