How can you as an Early Childhood Education and Care Provider sign up for a vaccine?

FIND A VACCINATION LOCATION NEAR YOU

All vaccinations are by appointment only. Search vaccination locations by zip code and get appointment information at coronavirus.illinois.gov.

HEALTH REGIONS AND LOCAL HEALTH DEPARTMENTS

The number of vaccines varies significantly between communities. Your local county health department, medical facilities, and local pharmacies are your best resource for information on accessing the vaccine. Please remember, even though you are eligible it may take weeks to get an appointment due to limited supply. Please continue to be patient.

IF YOU ARE A RESIDENT IN

CITY OF CHICAGO

Use the Chicago COVID-19 Vaccination Finder to find the best way to register.

COOK COUNTY

Sign up at vaccine.cookcountyl.gov.
