"Everything you share with me is confidential. This means what you share with me is not reportable to child welfare, INS (Homeland Security) or law enforcement. There are just two things that I would have to report- if you are suicidal, or your children are being harmed. The rest stays between us and helps me better understand how I can help you and the baby."

We ask all our clients to complete this form. For every question below, please look at the scale and select the number (1-6) that best reflects how you feel.
