POLICY TRANSMITTAL 2020.02

RULES 407, LICENSING STANDARDS FOR DAY CARE CENTERS
SUBPART J: EMERGENCY DAY CARE PROGRAMS

DATE: March 20, 2020

TO: All Day Care Licensing Representatives, Supervisors and Administrators

FROM: Marc D. Smith, Acting Director

EFFECTIVE: Immediately

I. PURPOSE

The purpose of this Policy Transmittal is to issue EMERGENCY amendments to Rules 407.

These amendments implement the State of Illinois response to COVID-19. The citizens of Illinois, and our country, are currently experiencing an unprecedented public health crisis. Following recommendations from the Center for Disease Control and Illinois Department of Public Health, public and private schools are closed, and citizens are advised to stay in their homes and practice social distancing. As the Department and our private agency partners take the necessary steps to comply with these directives, it is crucial that we continue to provide important services to children and families.

In light of the extreme circumstances related to COVID-19 and the need to ensure that the health of children is protected through social distancing, Rules 407 EMERGENCY amendments have been adopted to ensure continuing child care services to essential and critical care workers as defined in Governor’s Executive Order No. 2020-10.

II. PRIMARY USERS

DCFS Day Care Licensing Representatives, Supervisors and Administrators, and those programs seeking to offer Emergency Day Care Programs.

III. SUMMARY OF CHANGES

These amendments create a new Subpart I: Emergency Day Care Program (EDC) and renumbers to Subpart J: Severability of This Part.

These amendments describe the process for approving Emergency Day Care Programs to provide day care for essential and critical care workers during the federal, State or local government-declared public health crisis due to the outbreak of COVID-19.

For all other applicants not currently licensed, a licensing visit shall be conducted within 48 hours of the receipt of the application.

WHEREAS, I, JB Pritzker, Governor of Illinois, declared all counties in the State of Illinois as a disaster area on March 9, 2020 (Gubernatorial Disaster Proclamation) in response to the outbreak of Coronavirus Disease 2019 (COVID-19); and,

WHEREAS, in a short period of time, COVID-19 has rapidly spread throughout Illinois, necessitating updated and more stringent guidance from federal, state, and local public health officials; and,

WHEREAS, for the preservation of public health and safety throughout the entire State of Illinois, and to ensure that our healthcare delivery system is capable of serving those who are sick, I find it necessary to take additional measures consistent with public health guidance to slow and stop the spread of COVID-19;

WHEREAS, COVID-19 has resulted in significant economic impact, including loss of income and wages, that threaten to undermine housing security and stability;

WHEREAS, the enforcement of eviction orders for residential premises is contrary to the interest of preserving public health and ensuring that individuals remain in their homes during this public health emergency;

THEREFORE, by the powers vested in me as the Governor of the State of Illinois, and pursuant to Sections 7(1), 7(2), 7(8), 7(10), and 7(12) of the Illinois Emergency Management Agency Act, 20 ILCS 3305, and consistent with the powers in public health laws, I hereby order the following, effective March 21, 2020 at 5:00 pm and for the remainder of the duration of the Gubernatorial Disaster Proclamation, which currently extends through April 7, 2020:

Section 1. Stay at Home; Social Distancing Requirements; and Essential Businesses and Operations

1. Stay at Home or Place of Residence. With exceptions as outlined below, all individuals currently living within the State of Illinois are ordered to stay at home or at their place of residence except as allowed in this Executive Order. To the extent individuals are using shared or outdoor spaces when outside their residence, they must at all times and as much as reasonably possible maintain social distancing of at least six feet from any other person, consistent with the Social Distancing Requirements set forth in this Executive Order. All persons may leave their homes or place of residence only for Essential Activities, Essential Governmental Functions, or to operate Essential Businesses and Operations, all as defined below.

Individuals experiencing homelessness are exempt from this directive, but are strongly urged to obtain shelter, and governmental and other entities are strongly urged to make
such shelter available as soon as possible and to the maximum extent practicable (and to use in their operation COVID-19 risk mitigation practices recommended by the U.S. Centers for Disease Control and Prevention (CDC) and the Illinois Department of Public Health (IDPH)). Individuals whose residences are unsafe or become unsafe, such as victims of domestic violence, are permitted and urged to leave their home and stay at a safe alternative location. For purposes of this Executive Order, homes or residences include hotels, motels, shared rental units, shelters, and similar facilities.
