**Committee Charge:** *The Systems Integration and Alignment Committee will work to recommend appropriate changes to early childhood systems and will work to improve coordination and integration across early childhood programs in order to address the comprehensive nature of children’s healthy development and readiness for school. The Committee will provide input and feedback on key federal and state early childhood initiatives that impact cross sector early childhood systems. In moving this work forward, the Committee will identify external tables and other ELC Committees and Workgroups to ensure work is informed and coordinated.*
