Letter from the SECA Advisory Board and Charity Representatives

Fellow Illinoisan:

Thank you. Thank you for taking the time to read about the hard working charities in Illinois. Thank you for joining with State and University active employees and retirees to show support for communities across the state. Thank you for considering a gift through the annual SECA campaign.

SECA allows you to give to charity either through annual payroll deduction or by writing a one-time check. Fill out the included form indicating the amount you want to give and which incredible charity you want to give to. Then turn the form into your SECA ambassador. This simple act leads to meaningful change in across Illinois.

**By giving a little, you can help a lot.** Your individual act of good combined with your fellow State and University employees makes a dramatic difference in providing support for those who need it most.

State and University active employees and retirees have participated in this program for years leading to countless charities receiving millions of dollars. We’re asking you to join their efforts and continue Illinois’s tradition of supporting our neighbors and helping our communities.

Thank you again for your careful and generous consideration of participating in the SECA campaign this year. As one Illinois we show that through giving a little, we help a lot.

Sincerely,

SECA Advisory Board
and Member Charities

Why Donate?
By being a part of it, your generosity demonstrates that when we work together
we create healthy, safe and strong communities.
How we save lives, celebrate lives, and lead the fight for a world without cancer.

Here are just a few examples of how we worked toward achieving our mission in 2017.

Supporting Cancer Survivors
- Helped more than 33,000 women manage appearance-related side effects of treatment
- Provided more than 9,000 peer support services to breast cancer patients
- Provided more than 112,000 special kits of tailored information and resources for newly diagnosed patients
- Thousands of patients, survivors, and caregivers use our online Cancer Survivors Network.

Finding Cancer’s Causes and Cures
- We funded 755 grants to 180 research institutions and universities.
- The American Cancer Society has invested more than $4.6 billion in research and has given grant funding support to 47 individuals who went on to win the Nobel Prize.
- There were more than 4,400 downloads per month, on average, of Cancer Facts & Figures, our comprehensive publication of cancer data.

Providing Leadership and Education for the Health Care Community
Our cancer screening guidelines go through a rigorous, evidence-based review to help patients and their health care providers make the best choices to screen for cancer.
- Our prevention guidelines help people reduce their risk of cancer, and our survivorship guidelines help people live life to the fullest after cancer.
- We work in communities across the country to get health care professionals information and resources to help more people prevent cancer or find it early, when it may be easier to treat.
- Our three peer-reviewed journals inform health care professionals about emerging science so they can provide the best possible care for their patients.

Helping Cancer Patients Access Care
- Provided more than 345,000 rides to treatment and other cancer-related appointments
- Provided nearly 452,000 nights of free lodging at our Hope Lodge® communities, and more than 49,000 nights of free or reduced lodging through our Hotel Partners Program.
- Since 2011, CHANGE grants have supported community health centers in their efforts to reduce the unequal burden of cancer in underserved communities. Collectively, CHANGE grantees have provided more than 2.8 million outreach and education interventions, and contributed to more than 800,000 breast, cervical, and colorectal screening exams provided at low or no cost.
- Our patient navigators helped guide more than 40,000 newly diagnosed cancer patients to overcome barriers to care.

Offering Information and Education
- Our website, cancer.org, had more than 106 million visits for the latest, most accurate information on virtually all topics related to cancer.
- Our 24/7 helpline handled more than 1.34 million calls and live chats from those seeking support, information, and resources.
- We offer more than 40 award-winning books, from cookbooks to caregiving support.

Fighting Cancer through Public Policy
The American Cancer Society Cancer Action Network™ (ACS CAN), our nonprofit, nonpartisan, advocacy affiliate, works with lawmakers at the federal, state, and local levels to pass laws and policies that impact our mission and improve our ability to prevent, detect, and treat cancer. Some results of these efforts:
- More than 2.7 million people in the US will be covered by new local smoke-free laws that include restaurants and bars once 2017 ordinances are fully implemented.
- Congress approved a $2 billion increase in medical research funding for the National Institutes of Health, including $475 million for the National Cancer Institute for FY 2017.
- Lifesaving breast and cervical cancer screening and treatment programs are provided to women due to advocating to protect and increase state funding levels.
Our Mission: Illinois
Building healthier lives, free of cardiovascular diseases and stroke.

Saving Lives
Over the past decade, death rates from heart disease and stroke dropped by about 31% and 36%, respectively. The American Heart Association’s advocacy, quality and research efforts played a major role in this stunning decrease.

CPR and First Aid
We trained more than 19 million potential lifesavers worldwide, including more than 56,000 Illinois residents over the past year. You can learn the two steps to save a life at handsonlycpr.org.

Groundbreaking Research
Since 1949, the American Heart Association has invested more than $4 billion in research nationwide. We’re also changing how we approach research with One Brave Idea and Strategically Focused Research Networks. We are providing more than $20.4 million to fund 99 studies at Illinois research institutions.

Healthy Communities
We advocate for CPR and AED training for all and ensure stroke patients receive the right care, right away. We’re working towards healthier generations by changing the legal age to purchase tobacco products from 18 to 21 and reducing consumption of unhealthy, sugary drinks. We continue to push for daily, quality PE for all Illinois kids. You can join our grassroots efforts at yourethecure.org.

Quality Health Care
In the coming year, Quality & Systems Improvement will launch two multi-hospital quality initiatives focused on increasing treatment compliance in high-risk, diverse patient populations.

Multicultural Initiatives
We are improving high blood pressure control among African Americans and Hispanic/Latinos through our Target BP program and healthy food and beverage toolkit. Our signature events, such as the Most Powerful Voices Gospel Tour and Go Red Por Tu Corazón Mother’s Day Celebration, educate and empower at-risk communities.

Kevin is why.
Kevin is a cardiac arrest survivor, thanks to the quick work of his wife, Kate. She performed CPR and saved his life. Now, the couple are active volunteers for the American Heart Association, spreading awareness and conducting CPR trainings.

We Are All of the Above & More

In the tradition of "Helping People Help Themselves," the Black United Fund of Illinois (BUFI), Inc. has been all of the above over the years by providing funding and technical assistance to over 700 nonprofit grassroots organizations that are dedicated to the improvement of the quality of life in our communities.

Since 1985, the Black United Fund of Illinois has developed and implemented systematic mechanisms that are designed to encourage individuals at every economic level to set aside a portion of their own resources (i.e., ideas, money, supplies, skills and time) to support economic development, alternative education projects, arts and culture, health and human services, social justice, legal services, research and emergency needs.

EarthShare Illinois is an alliance of America’s leading nonprofit environmental and conservation charities, working across Illinois and the nation to protect human health and the environment.

The environment is our drinking water, our neighborhood parks, our children’s schools, the air we breathe and the food we eat. Take care of the environment and it will take care of you.

Through the generosity of individuals at the workplace, EarthShare Illinois members are helping locally, nationally, and globally every day to:

- Offset the harmful effects of climate change;
- Reduce the number of asthma attacks children experience due to poor air quality;
- Eliminate industry-caused mercury in our waterways and fish that can cause health problems;
- Plant millions of trees that clean our air, reduce topsoil erosion, and provide homes for wildlife;
- Save endangered species, like the California condor and giant panda, and their habitats;
- Conserve and restore Illinois prairies and their native species; and
- Preserve open space and parks for our recreation, exercise, and wildlife.

We make it easy for you to make a difference. You can give to EarthShare Illinois or choose your favorite organization(s).

UNCF is the nation’s largest private scholarship provider to minority groups. Each year, we award more than $100 million in scholarships to more than 10,000 students at more than 1,100 schools across the country, including our prestigious members of 37 historical black colleges and universities (HBCUs).

We also manage a variety of scholarship programs such as the Gates Millennium Scholars Program, UNCF K-12 Education Walton Fellowship and the UNCF/Koch Scholars Program. In addition we manage dozens of internships, fellowships and faculty development opportunities.

For more than seven decades, UNCF has raised more than $4.5 billion and have helped more than 430,000 students not just attend college, but thrive, graduate and become leaders.

UNCF is more than just scholarships. Our support takes many different forms from merit scholarships to financial assistance, on-campus assistance to professional development, and emergency financial aid to community support.

UNCF lives up to the ideal expressed in its updated motto, “A mind is a terrible thing to waste but a wonderful thing to invest in.”

In communities across Illinois, local United Ways are advancing the common good by addressing the needs of your community.

Local United Ways operate independently, bringing together people and organizations to identify, assess and address your community’s health and human service needs. Each United Way is led by local volunteers and works to meet the immediate needs of families while developing long term solutions based upon the priorities of your community such as: Education, Income and Health – the building blocks for a good quality of life.

Each United Way is a partner in change, delivering measurable results by working with the people who bring the passion, expertise and resources needed to get things done.

We invite you to be part of the change. You can give, you can advocate and you can volunteer. That’s what it means to LIVE UNITED.

Local United Ways are independent, 501(c) 3, not-for-profit organizations. As such, each United Way establishes their own policies and procedures for handling donor directed contributions.

Where local United Ways list member agencies with a 7 digit SECA code, the donor’s directed contribution is automatically sent to the selected agency.

Where local United Ways list agencies but do not include a SECA code, the contributions are distributed through the local United Way’s Community Fund and volunteer review process.

Each local United Way determined how they would be listed in the SECA booklet and any questions should be directed to the specific local United Way.

To find out more about United Way, log on to United Way Worldwide’s website at www.liveunited.org. To find out more about your local United Way, visit the link in their individual listing. Join your friends and neighbors and LIVE UNITED by supporting your local community.

JOINING THE SECA LEADERSHIP GIVING CIRCLE

LEADERSHIP IN GIVING

The Leadership Giving Circle recognizes individuals contributing $250 or more to one or more charities in the Illinois State and University Employees Combined Appeal (SECA). Individuals giving at the Leadership level serve as strong examples to others and share the desire to help meet critical needs in their community.

COMMITMENT

Joining the Leadership Giving Circle is strictly voluntary. Contributions to SECA charities at any level are greatly appreciated and help make a difference in the lives of people who really need help. Knowing we can rise above the problems facing our community, our state, and the world, we can accept the challenge to keep pace with ever-growing needs by accelerating growth in our campaign.

RECOGNITION

To become a member of the Leadership Giving Circle, make your SECA contribution at the desired giving level. Be sure to check the appropriate box on the pledge form under Leadership Giving to be recognized or anonymous. Leadership Givers choosing YES will be recognized by their chosen charity(ies), receive a Leadership Gift and have their name listed on the SECA website. Leadership Givers choosing to be anonymous, will not be recognized by their chosen charity(ies), receive a Leadership Gift or have their name listed on the SECA website.

Leadership Giving Levels

Bronze - Membership is achieved by an annual gift of $250 to $499
Silver - Membership is achieved by an annual gift of $500 to $999
Gold - Membership is achieved by an annual gift of $1,000 or more
Diamond – Membership is achieved by an annual gift of $2,500 or more

STATE EMPLOYEES — PARTNERS IN GIVING

Participation in the State and University Employees Combined Appeal is important. Any gift is greatly appreciated and helps make a difference. Support of the SECA campaign demonstrates a willingness to help a single need or many needs within the community. Thank you for your gift and understanding the impact and significance of a personal commitment through SECA.
Benefits of Payroll Deduction

✓ Creates great employee morale and goodwill within the workplace through organized giving.
✓ Easier method of giving rather than a larger one-time gift.
✓ Makes a meaningful gift over time through small contribution each pay period.
✓ Manage your own philanthropy – you know when deductions start and that they can be stopped at any time.
✓ Minimizes costs and maximizes the contribution.
✓ Proven to increase individual gifts to charity at least four times over a given period and increase the overall campaign four-to-five times over that same period.
✓ Saves time and takes little effort.
