Letter from the SECA Advisory Board and Charity Representatives

Fellow Illinoisan:

Thank you. Thank you for taking the time to read about the hard working charities in Illinois. Thank you for joining with State and University active employees and retirees to show support for communities across the state. Thank you for considering a gift through the annual SECA campaign, especially under the current circumstances.

SECA allows you to give to charity either through annual payroll deduction or by writing a one-time check. Fill out the included form indicating the amount you want to give and which incredible charity you want to give to. Then turn the form into your SECA ambassador. This simple act leads to meaningful change in across Illinois.

Your individual act of good combined with your fellow State and University employees makes a dramatic difference in providing support for those who need it most. We are all Connecting through Giving.

State and University active employees and retirees have participated in this program for years leading to countless charities receiving millions of dollars. We’re asking you to join their efforts and continue Illinois’s tradition of supporting our neighbors and helping our communities.

Thank you again for your careful and generous consideration of participating in the SECA campaign this year. As one Illinois we show that through giving a little, we help a lot.

Sincerely,

SECA Advisory Board
and Member Charities
Dear friends,

It is my distinct honor and privilege to serve as honorary chair of the 2020 State and University Employees Combined Appeal, or SECA.

The theme for this year’s campaign is “Connecting Through Giving: Public Employees Care.”

This year marks my 20th year of public service, and throughout these two decades I have personally witnessed the deep connection public employees have with their communities and their neighbors. I have seen public employees host food and school supply drives; volunteer at schools, churches and social service agencies; mentor youth; donate to those most in need; and show up to help when those who are less fortunate need a hand.

Now, you have an opportunity to share your generosity through SECA by financially supporting one or more charities that are important to you. It’s as simple as signing up and committing a few dollars to be automatically deducted from each paycheck.

This year, Illinois communities have struggled to cope with the effects of the COVID-19 pandemic. People stayed home to protect themselves and their communities. Businesses and schools closed. People lost their jobs and their income. Charities and social service agencies across the state saw demand go up while donations went down.

In this new, uncertain, socially distant world, I think the virus has allowed us to stop and reassess our values. What is important to us? What do we miss the most when it’s not there? Who and what do we want to support when the chips are down, and what kind of community do we want to live in?

Perhaps there is a charity you wish to support that you believe can help our world heal after the difficult times we have just been through. The Black United Fund of Illinois; the Southern Poverty Law Center; Covenant House, a place for homeless teens that I’ve seen change lives – they’re all in there and you personally can earmark a few dollars a paycheck or whatever you can spare. Your contribution, no matter how big or small, will make a difference.

That’s where SECA and the power of combined giving can play an important role. I hope you will find it in your heart to join other Illinois state and university employees in supporting this worthy endeavor. Local, state and national charities could use your support now more than ever. To those of you who have contributed to the SECA drive in the past, thank you. And to those of you who will be participating for the first time in this year’s drive, welcome and thank you for your generosity.

Sincerely,

Susana A. Mendoza

Making an impact against COVID-19
Why we’re committed to fighting coronavirus

- Stroke survivors may have a higher risk of complications
- People with diabetes
- People with severe obesity (BMI of 40 or higher)
- People age 65+
- People with serious chronic lung, liver or kidney conditions
- People with compromised immune systems

The long-term effects of COVID-19

- More people with heart disease, diabetes or high blood pressure are at risk
- Increases in unhealthy stay-at-home habits
  - High stress
  - Eating more unhealthy meals

Why your gift is critical now:

**The COVID-19 Domino Effect**
COVID-19 has the potential to drastically change the health and well-being of people living in the U.S. for many years, unless we work together to reduce the impact.

EarthShare Illinois is an alliance of America's leading nonprofit environmental and conservation charities, working across Illinois and the nation to protect human health and the environment.

The environment is our drinking water, our neighborhood parks, our children's schools, the air we breathe and the food we eat. Take care of the environment and it will take care of you.

Through the generosity of individuals at the workplace, EarthShare Illinois members are helping locally, nationally, and globally every day to:

• Offset the harmful effects of climate change;
• Reduce the number of asthma attacks children experience due to poor air quality;
• Eliminate industry-caused mercury in our waterways and fish that can cause health problems;
• Plant millions of trees that clean our air, reduce topsoil erosion, and provide homes for wildlife;
• Save endangered species, like the California condor and giant panda, and their habitats;
• Conserve and restore Illinois prairies and their native species; and
• Preserve open space and parks for our recreation, exercise, and wildlife.

We make it easy for you to make a difference. You can give to EarthShare Illinois or choose your favorite organization(s).

WHAT IS SPECIAL OLYMPICS ILLINOIS?

It's the power of sports. Special Olympics Illinois provides year-round sports training and athletic competition in a variety of Olympic-style sports for children and adults with intellectual disabilities. Through programming in sports, health, education and community building, Special Olympics Illinois is transforming the lives of people with intellectual disabilities. Special Olympics Illinois provides opportunities for more than 43,000 athletes, 45,000 volunteers and thousands more people statewide through 11 Regional programs in all 102 counties of the state. Special Olympics does not charge athletes or families to participate in the program. We rely solely on contributions of corporations, individuals and civic organizations to make all of this possible.

SPECIAL OLYMPICS ILLINOIS PROGRAMS

YOUNG ATHLETES™

The Young Athletes™ Program is an innovative sports play program for children ages 2 to 7 with intellectual disabilities and their peers, designed to introduce them to the world of sports. The program is designed to address various specific levels of play, including physical activities focused on developing fundamental motor tracking and hand-eye coordination.

UNIFIED CHAMPION SCHOOLS®

With schools at the foundation, the Unified Champion Schools® program offers a combination of activities that equip young people with tools and training to create sport, classroom and community experiences that reduce bullying and exclusion, promote healthy activity and interactions, combat stereotypes, eliminate hurtful language, and engage young people in activities that lead to more inclusive and accepting attitudes, behaviors and school climate.

ATHLETE LEADERSHIP

Athlete Leadership prepares athletes to serve in meaningful leadership roles throughout the organization. Athletes are acting in these roles beyond the playing field or sports competition. Opportunities for athletes include: Global Messenger, Member of the Special Olympics Illinois Board of Directors, local committee member, games management, Input Council, coaching, volunteer or fundraising.

UNIFIED SPORTS®

Unified Sports® is a program that combines approximately equal numbers of Special Olympics athletes and peers without intellectual disabilities (Unified Partners) on sports teams for training and competition. Sports currently offered are bocce, golf, soccer, tennis, flag football, basketball and volleyball.

HEALTHY ATHLETES®

The Special Olympics Healthy Athletes® Program offers health services and information to athletes in need. Its screenings educate athletes on healthy lifestyle choices and identify problems that may need additional follow-up. Special Olympics Illinois currently offers five different health screen programs throughout the state: FUNfitness (physical therapy), Healthy Hearing (audiology), MedFest (sports physical exam), Opening Eyes (vision) and Special Smiles (dentistry). In 2017, nearly 4,000 athletes received screenings.

“Let me win. But if I cannot win, let me be brave in the attempt.”

UNCF is one of higher education’s most impactful assets. We work tirelessly to ensure the future of HBCUs and guarantee access to higher education for all students. UNCF provided approximately $90 million in funding last year through more than 10,000 individual scholarship awards to both undergraduate and graduate students across almost 400 programs, internships, and fellowships. UNCF envisions a nation where all Americans have equal access to a college education. Thank you for investing in better futures.

For over 75 years, UNCF has raised more than $5 billion and helped more than 500,000 students not just attend college, but thrive, graduate, and become leaders. UNCF is more than just scholarships. Our support takes many different forms from merit scholarships to financial assistance, on-campus assistance to professional development, and emergency financial aid to community support.

This impact would not be possible without you, our dedicated supporters. Every day, individuals, groups, corporations, and foundations invest in the futures of under-represented students with commitments to UNCF. For that, we are forever grateful.

“A mind is a terrible thing to waste but a wonderful thing to invest in.”

In communities across Illinois, local United Ways are advancing the common good by addressing the needs of your community.

Local United Ways operate independently, bringing together people and organizations to identify, assess and address your community’s health and human service needs. Each United Way is led by local volunteers and works to meet the immediate needs of families while developing long term solutions based upon the priorities of your community such as: Education, Income and Health – the building blocks for a good quality of life.

Each United Way is a partner in change, delivering measurable results by working with the people who bring the passion, expertise and resources needed to get things done.

We invite you to be part of the change. You can give, you can advocate and you can volunteer. That’s what it means to LIVE UNITED.

Local United Ways are independent, 501(c) 3, not-for-profit organizations. As such, each United Way establishes their own policies and procedures for handling donor directed contributions.

Where local United Ways list member agencies with a 7 digit SECA code, the donor’s directed contribution is automatically sent to the selected agency.

Where local United Ways list agencies but do not include a SECA code, the contributions are distributed through the local United Way’s Community Fund and volunteer review process.

Each local United Way determined how they would be listed in the SECA booklet and any questions should be directed to the specific local United Way.

To donate to your local United Way, please refer to your county listing and use the 7-digit SECA code listed for your county.

United Way of Illinois is a statewide association advocating on behalf of 51 local United Ways. United Way of Illinois Statewide Association – Code 100-0000

To find out more about United Way, log on to United Way Worldwide’s website at www.liveunited.org. To find out more about your local United Way, visit the link in their individual listing. Join your friends and neighbors and LIVE UNITED by supporting your local community.

JOINING THE SECA LEADERSHIP GIVING CIRCLE

LEADERSHIP IN GIVING

The Leadership Giving Circle recognizes individuals contributing $250 or more to one or more charities in the Illinois State and University Employees Combined Appeal (SECA). Individuals giving at the Leadership level serve as strong examples to others and share the desire to help meet critical needs in their community.

COMMITMENT

Joining the Leadership Giving Circle is strictly voluntary. Contributions to SECA charities at any level are greatly appreciated and help make a difference in the lives of people who really need help. Knowing we can rise above the problems facing our community, our state, and the world, we can accept the challenge to keep pace with ever-growing needs by accelerating growth in our campaign.

RECOGNITION

To become a member of the Leadership Giving Circle, make your SECA contribution at the desired giving level. Be sure to check the appropriate box on the pledge form under Leadership Giving to be recognized or anonymous. Leadership Givers choosing YES will be recognized by their chosen charity(ies), receive a Leadership Gift and have their name listed on the SECA website. Leadership Givers choosing to be anonymous, will not be recognized by their chosen charity(ies), receive a Leadership Gift or have their name listed on the SECA website.

Leadership Giving Levels

Bronze - Membership is achieved by an annual gift of $250 to $499
Silver - Membership is achieved by an annual gift of $500 to $999
Gold - Membership is achieved by an annual gift of $1,000 or more
Diamond – Membership is achieved by an annual gift of $2,500 or more

STATE EMPLOYEES — PARTNERS IN GIVING

Participation in the State and University Employees Combined Appeal is important. Any gift is greatly appreciated and helps make a difference. Support of the SECA campaign demonstrates a willingness to help a single need or many needs within the community. Thank you for your gift and understanding the impact and significance of a personal commitment through SECA.
Benefits of Payroll Deduction

✓ Creates great employee morale and goodwill within the workplace through organized giving.
✓ Easier method of giving rather than a larger one-time gift.
✓ Makes a meaningful gift over time through small contribution each pay period.
✓ Manage your own philanthropy – you know when deductions start and that they can be stopped at any time.
✓ Minimizes costs and maximizes the contribution.
✓ Proven to increase individual gifts to charity at least four times over a given period and increase the overall campaign four-to-five times over that same period.
✓ Saves time and takes little effort.
