America needs more college graduates. President Barack Obama has committed the country to regaining world leadership in the percentage of people with a college education.

Because America needs the teachers, scientists, public servants and citizens they will become, we need to make sure that African Americans and other minorities - who will be a majority of the population by 2050 - get the help they need to attend college and graduate. Furthermore, we need to ensure that our students get the education they need before college to prepare them for success in college.

That means America needs UNCF!

UNCF knows how to get students into college, succeed there, and move on to careers of success and service. We have been doing it for 72 years. We give college scholarships to almost 9,000 students at more than 900 colleges each year. We provide financial and capacity-building support to the 37 historically black colleges and universities that are members of UNCF and their 55,000 students.

That record is why more than 170,000 individuals, corporations and foundations invest in UNCF each year. Because America needs college graduates. Because it's the right thing to do and because our updated motto is, **“A mind is a terrible thing to waste, but a wonderful thing to invest in.”**
