

United Way

United Way of Illinois Statewide Association – Code 100-0000

United Way of Illinois is a statewide association of 51 local United Ways. To donate to your local United Way, please refer to your county listing and use the 7-digit SECA code listed for your county.

In communities across Illinois, local United Ways are advancing the common good by addressing the needs of your community.

Local United Ways operate independently, bringing together people and organizations to identify, assess and address your community's health and human service needs. Each United Way is led by local volunteers and works to meet the immediate needs of families while developing long term solutions based upon the priorities of your community such as: Education, Income and Health – the building blocks for a good quality of life.

Each United Way is a partner in change, delivering measurable results by working with the people who bring the passion, expertise and resources needed to get things done.

We invite you to be part of the change. You can give, you can advocate and you can volunteer. That's what it means to LIVE UNITED.

Local United Ways are independent, 501(c) 3, not-for-profit organizations. As such, each United Way establishes their own policies and procedures for handling donor directed contributions.

Where local United Ways list member agencies with a 7 digit SECA code, the donor's directed contribution is automatically sent to the selected agency.

Where local United Ways list agencies but do not include a SECA code, the contributions are distributed through the local United Way's Community Fund and volunteer review process.

Each local United Way determined how they would be listed in the SECA booklet and any questions should be directed to the specific local United Way.

To find out more about United Way, log on to United Way Worldwide's website at www.liveunited.org.

To find out more about your local United Way, visit the link in their individual listing.

Join your friends and neighbors and LIVE UNITED by supporting your local community.
