

Dental

Beginning July 1, 2021, employees now have the option to enroll in Dental Only coverage. However, if you enroll in health coverage and choose dental coverage, dependents must mirror the coverage of the member.

The State’s Quality Care Dental Plan (QCDP) offers a comprehensive range of benefits and is available to all members. The plan is administered by Delta Dental of Illinois. You can find the Dental Schedule of Benefits at [MyBenefits.illinois.gov](https://mybenefits.illinois.gov).

The dental plan has a plan year deductible. Once the deductible has been met, each member is subject to a combined maximum dental benefit, including orthodontia,* for both in-network and out-of-network providers.

Deductible and Plan Year Maximum

Plan year deductible for preventive services	N/A
Plan year deductible for all other covered services	\$175
Plan Year Maximum Benefit (Orthodontics + All Other Covered Expenses = Maximum Benefit)	
In-network plan year maximum benefit	\$2,500
Out-of-network plan year maximum benefit	\$2,000

It is strongly recommended that plan members obtain a pretreatment estimate through Delta Dental for any service more than \$200. Failure to obtain a pretreatment estimate may result in unanticipated out-of-pocket costs.

Child Orthodontia Benefit

Length of Orthodontia Treatment	Maximum Benefit	
	In-Network	Out-of-Network

0 - 18 Months	\$1,820	\$1,364

** Part-time employees are required to pay a percentage of the State’s portion of the contribution in addition to the member contribution. Special rules apply for non-IRS dependents (see [MyBenefits.illinois.gov](https://mybenefits.illinois.gov) for more information).
