An electronic newsletter for SERS Retirement Coordinators

Retirement Coordinators, Payroll Coordinators Workshops

State Employees' Retirement System (SERS) will be hosting Retirement Coordinator (RC) workshops, at our Springfield Office. This is a one-day workshop that will help you understand your interactions and job duties with SERS. **You must be registered as a Retirement Coordinator or Payroll Coordinator with our office to attend one of these workshops.** The registration is done through our workshop registration (Learning Stream) link on our website. The workshops are titled "Retirement Coordinators". Complete and submit the registration form and you will receive a confirmation email once our office confirms that you are eligible. The first meeting will be on July 18th, and another on July 25th. There will be more workshops scheduled later this year. All of the RC workshops will cover the same material, so you won't need to attend multiple workshops.
