Claim Notification Form

SERS is in the process of going paperless by scanning all member files! Please do not send “return to work” notices on the Claim Notification Form 3901. The Claim Notification forms are designated for new disability packet requests, pension packet requests, pension estimate requests and notifications of death. If an employee has returned to work, please call SERS (217-785-7318), fax the information on a separate sheet of paper (217-785-6961), or email the information to us (amy.little@srs.illinois.gov).
