## **Retroactive Pay**

The Disability Section is in the process of updating non-occupational and occupational disability payments beginning after 7-1-2011.

Please copy the current 3900 in the affected members file, write REVISED across the top, cross out the old salary and write in the new salary. Please include longevity pay and re-date the 3900 form.

If you have any questions, please contact Don Williams at 217-785-7262.
