Retirement Coordinators Who Have Yet to Comply

For the over 50% of Retirement Coordinators who have yet to comply, this is a reminder that it is very important to complete the attached “Online Security Form” to allow you online access to our employer website. As we indicated in the April 18 NewsFlash, we are in Phase One of the employer website activation process. In order to properly control your online connection, we need to ensure that only authorized individuals have access to our employer website. This information is vital for security purposes.

FAILURE TO COMPLETE AND RETURN THE ATTACHED FORM WILL PREVENT YOU FROM ENTERING OUR EMPLOYER WEBSITE!

Information for All Retirement Coordinators

Retirement Coordinators as well as all members will be required to obtain an Illinois Public ID in order to gain admission to our member database. This ID is simply another safeguard to protect the integrity of this website. You can obtain this ID by clicking on this [link](#).

Tentative dates for training sessions will be held May 20 and 21 for Retirement Coordinators and May 28 and 30 for Payroll Officers. Additional information about these training sessions will come in the near-future. If you have questions, contact Amy (217-785-6979) or Dave (217-785-6975).
