This guide has been developed as a courtesy by the Illinois Department of Agriculture. It may contain errors or omissions and, therefore, may not be raised in opposition to the schedule of Illinois racetracks.

Please request a Stakes Booklet from the racetrack, or confer with individual fair management as the only authority.

The Illinois Department of Agriculture requires that all Standardbred foals be duly certified with the Bureau of Horse Racing in order to participate in the Illinois Standardbred Breeders Fund program. A certificate is issued to the owner of the foal at the time of Illinois registration and is passed on from owner to owner; this certificate must be transferred into the new owner’s name as soon as possible after purchase.

2018 Stake Payment Schedule
For Illinois Conceived & Foaled Standardbreds
Registered by the Illinois Department of Agriculture

All stake payments listed below should be mailed to the IL Department of
Agriculture

This stake payment schedule is intended only as a quick reference to upcoming stake
payment dates. Since information could be subject to change, the Department of
Agriculture or the Racing Associations should be consulted for race dates, specific
conditions, purses, details concerning eligibility and starting payments. Payment notices
are mailed for many of these stakes, so it is important that ownership of Illinois-eligible
horses be kept current with the Illinois Department of Agriculture. When making a stake
payment without a preprinted payment notice, please include the following information:
event, horse’s name, age, sex, gait, dam of horse, current owner or agent, mailing
address, email address, and phone number.

GUIDELINES FOR ILLINOIS LIVESTOCK PREMISES REGISTRATION REQUIREMENTS FOR 2018 EXHIBITION

Livestock Premises Identification/Registration is part of the National Animal Identification System (NAIS), which is a state/federal/industry cooperative program intended to identify animal premises by assigning a unique number (a Premises Identification number) to each location where livestock (including equine) poultry, and/or rabbits are born, managed, marketed or exhibited. Premises registration is critical to protecting Illinois’ livestock industry as it helps animal health officials minimize trace back times in the event of an animal disease outbreak.

A Premises ID is for the location animals are produced and/or raised.

The Premises ID number may or may not be registered in the exhibitor’s name as it relates to location of the animal and not ownership.
Premises registration is free and can be performed online at (https://www.agr.state.il.us/premises-registration/) or by calling 217/782-4944, or 1-866-299-9256 for a paper form. A printable postage paid registration form is also available at the website. When registering online, you will be immediately issued the Premises ID number. When mailing in a paper form, you may need to allow 3-4 weeks to be issued a number. Those from other states can go to: http://animalid.aphis.usda.gov/nais/premises_id/register.shtml or contact their respective state’s agriculture department.
The Illinois Horse Racing Act provides that Standardbred races held at county fairs and the Illinois State Fair which receive funds from the Illinois Standardbred Breeders Fund shall be held in accordance with the rules of the United States Trotting Association (U.S.T.A.). The Executive Vice-President of the U.S.T.A., at the request of the Department of Agriculture, authorizes the collection and testing of any horse racing at any non-pari-mutuel meets in Illinois. The rules of the U.S.T.A. provide that judges at any meeting (other than those governed by the state racing commission) may order any horse in any heat or race to be subject to a saliva, blood, or urine test for the purpose of determining the presence of any drug, stimulant, depressant, sedative or other unapproved medication.

The horse races conducted at any County Fair are subject to the requirements of the U.S.T.A. and may authorize drug testing of your horse. During the taking of the saliva, urine or other sample by the veterinarian, the owner, trainer, or authorized agent must be present at all times. Samples shall be placed in two containers and shall be immediately sealed and the evidence of such sealing indicated thereon by the signature of the representative of the owner or trainer. One part of the sample is to be placed in a depository under the supervision of the presiding judge until such time as the report of the chemical analysis of the other portion of the split sample is received. Should a positive report be received, an owner or trainer shall have the right to have the other portion of the split sample inserted in with a subsequent group being sent for testing or may demand that it be sent to another chemist agreeable to the Illinois Department of Agriculture for analysis, the cost of which will be paid by the party requesting the test.

Whenever at a non-pari-mutuel meeting there is a positive test finding the presence of any drug, stimulant, depressant, sedative or unapproved medicant present in the post race test the laboratory shall immediately notify the presiding judge who shall immediately report such findings to the Executive Vice-President of the U.S.T.A. When such positive report is received by the presiding judge, the persons held responsible shall be notified and a thorough investigation shall be conducted by or on behalf of the judges. A time shall be set by the judges for a hearing shall not exceed 4 racing days after the responsible persons were notified.

The hearing may be continued, if in the opinion of the judges, circumstances justify such action. In the event the judges are unable to perform this action, Executive Vice-President of the U.S.T.A. shall forthwith set a date for a prompt hearing to be conducted by him or some person deputied by him for the purpose of determining all matters concerning the administration of such drug, stimulant, sedative or depressant and the care and the custody of the horse from which the positive sample was obtained.
Individual Colt Associations and county fairs have established conditions and rules that are in addition to United States Trotting Association and Department of Agriculture rules. Owners and trainers should be familiar with the conditions for each Association in which they are competing. United States Trotting Association and Illinois Department of Agriculture rules will govern when not covered in these conditions.

All County Fairs are strongly encouraged to display their U.S.T.A. license on the race-office wall so that the license will be visible to anyone who enters the race office. Anyone who is required to be licensed must be able to prove to race officials that they are currently licensed by U.S.T.A. at time of race. Drivers who do not hold a current U.S.T.A. license are not eligible to drive in County Fair Races.

Illinois Department of Agriculture
Horse Racing Program

Springfield, IL 62794-9281

ENTRIES: Three-Day (72-Hour) Box in effect for all county fairs hosting Colt Association races in 2018. Entries will close at 10:00 am three days prior to the scheduled date of the race.

Entry payments are due and payable at the Superintendent of Speed’s Office of the fair hosting the race. Stall rent, or a maintenance fee, may be an additional charge. Consult individual Colt Associations/county fairs.
A county fair hosting Illinois Colt Association racing will be required to provide a locked box for declarations. The box may not be opened until the advertised time for the draw. In addition, no person whose name appears on the U.S.T.A. ownership record for a horse racing in Colt Association races on the date for which entries are being drawn will be allowed to sort entries. A race may be split on the sex of the horse, the owners, and the trainers, but under no circumstances should it be split for drivers.

PLAN OF RACING –

**NEW THIS YEAR:** The Department of Agriculture will require a minimum (after combining sexes) of three (3) horses entered for a race to qualify for state funds. If only one or two horses enter making the race declared off, the one or two horses that entered will receive the nominating fees. If three horses are entered and two scratch, the one remaining horse will receive the nominating fees; no state monies will be spent on that race. The allocated state money for that race may be re-allocated among the other races at that fair. If three horses are entered and one scratches, a race may be run with only two horses. No races shall be run with only one horse.

Whenever eight (8) or more horses are entered, the races may be split into divisions. Note: The split must result in the lowest number of divisions possible, for example: 18 colts are entered - this will result in 3 fields of 6. Fillies are to race in a separate division(s) whenever possible, provided at least three (3) of each sex are entered. However, if fewer than three (3) horses of either sex are entered, those horses will remain in the same division (regardless of owner/trainer entries) and additional horses of the other sex will be drawn in at random to complete a field of at least three (3) horses. When possible, consideration may be made for owner/trainer entries.

Whenever a race is contested in divisions composed of horses of like sex, the March 15th payments will follow the sex for which nominated. However, when a race consists of a division in which horses of both sexes are entered, the March 15th payments for colts and fillies will be combined and split equally among all divisions of the race. For this reason, the number of horses in each division should be as equal as possible. Example: 3 colts and 16 fillies are entered – race to be drawn as one division of 6 horses (3 colts and 3 fillies), one division of 6 fillies, and one division of 7 fillies.

**Please note:** PURSES are To Be Determined and subject to available funding.

The Department suggests a minimum of four (4) horses to draw in. With five finishers, the percentages will be 50%, 25%, 12%, 8%, and 5%. The following percentages are to be utilized for races in which there are four (4) or less finishers: 4 finishers – 55%, 25%, 12%, and 8%, 3 finishers – 58%, 28%, and 14%, 2 finishers: 65% and 35%, and 1 finisher – 100%.

In the event a race is canceled for inadequate entries, the portion of the purse derived from the March 15th payment will be distributed among those entered. See Plan of Racing for updated information. The Department has waived the requirement that a fair race a minimum of 6 heats to be considered a racing program and eligible for state funds.
ADDED MONIES – Purses are derived from Illinois Standardbred Breeders Fund and Paragraph 49 added monies, nomination payments less deduction, entry payments and individual fair contributions.

DEDUCTIONS - From those March 15th nomination monies collected, a disbursement will be made to all Colt Associations for that Colt Association's annual operating expenses. The balance of nomination and supplement fees will be paid to the Colt Associations to be distributed according to age, sex, and gait. Gait changes will be allowed at time of entry, but nomination money will stay with the gait as originally submitted.

SCRATCHES - Please be reminded that Illinois county fair harness racing operates under U.S.T.A. rules. Scratches must be reported to, and approved by, the Presiding Judge. We call your attention to U.S.T.A. Rule 14, Section 1(1), Drawing of Horses After Declaration. – “After declaration to start has been made no horse shall be drawn except by permission of the judges. A fine, not to exceed $500, or suspension may be imposed for drawing a horse without permission, the penalty to apply to both the horse and the party who violates the regulation.”

STIMULANTS, DRUGS - Please refer to U.S.T.A. Rule 21. In an effort to promote the sport of harness racing and project a positive image of our sport, random drug testing will be conducted on urine and/or blood samples obtained from horses competing at Illinois county fair harness race meetings.

ALL HORSES RACING ON LASIX MUST HAVE A SLIP INTO THE RACING OFFICE PRIOR TO POST TIME. RANDOM TATTOO CHECKS WILL BE PERFORMED AT ANY OR ALL COUNTY FAIRS.

CONDITION REGARDING FREQUENCY OF STARTS – The number and frequency of starts shall be determined at the discretion of the judge, not to exceed two consecutive days. Further, it will be a violation of these conditions for a horse to race at two county fairs on the same day. For purposes of this condition a race may consist of multiple heats.

HUMANE CARE FOR ANIMALS ACT – (administered by the Department of Agriculture’s Bureau of Animal Welfare). Each year the Department receives complaints regarding alleged abuse of horses racing at the county fairs. To promote the sport in the best possible light, and to be in total compliance with State humane laws, horsemen are asked to abide by the conditions regarding frequency of starts as stated above. It is recognized that the county fair season is short, but there are ample opportunities to race horses without overtaxing them.

In addition, abusive, excessive, or indiscriminate use of the whip or appearance thereof will be dealt with accordingly. Please review the U.S.T.A. Whipping Regulations, Rule 18, Section 9-11.
Be advised that complaints received will be turned over to the Department’s Bureau of Animal Welfare and will be investigated. If abuse is found to have occurred, such act is punishable as a criminal offense under the authority of the Statutes of the State of Illinois.

NEGATIVE COGGIN'S TEST WILL BE REQUIRED - Effective January 1, 1995, all equine participants at organized (advertised) equine events are required to have proof of a negative Coggins test for EIA performed within the last 12 months.

Note: All purse amounts are TO BE DETERMINED and subject to available funding.

For 2-Year-Old trotters & pacers, with separate filly races. No nomination payment required for 2-Year-Olds unless a late supplement is being paid; starting fee $200 to be added to the purse. **To be raced on Sunday, August 5.**

**ILLINOIS STALLION STAKES CONDITIONS**

**ELIGIBILITY:** 2-Year-Olds that are Illinois conceived and foaled (ICF) and registered with the Illinois Department of Agriculture and sired by stallions that are nominated in 2018 to the Illinois Stallion Stakes are eligible. Stallion must be nominated under the terms as defined by the Illinois Department of Agriculture. Also eligible this year will be ICF 2 year-olds that pay a late supplement fee (see below).

**ESTIMATED PURSES:** 2018 purses for these events are estimated at $12,000 each. The purses are made up of stallion nomination fees, late supplements, Illinois Department of Agriculture funding, entry fees, added money from host county fair, and possible sponsorships.

**TO BE RACED AT:** An Illinois county fair, as designated by the Illinois Department of Agriculture. In 2018, the Brown County Fair, Mt. Sterling, Illinois will host these events.

**NEW OPTION - LATE SUPPLEMENT:** New this year, for an eligible foal whose sire was not nominated, the foal will be allowed to race IF the foal's owner pays the corresponding nomination fee at the time of entry. To be clear, ONLY that one foal will be allowed to race IF the correct nomination amount is paid for that stallion as a late supplement. For example (names are fictional):

The Illinois-certified stallion, IMASTALLION, has three eligible foals, IMAFOAL1, IMAFOAL2 and IMAFOAL3. For 1-10 foals the nomination fee is $250 and all three foals may race. If the owner of IMASTALLION does not pay the nomination fee of $250, then the owner of IMAFOAL1 could pay $250 and it would be allowed to race. IMAFOAL2 and IMAFOAL3, also eligible foals of IMASTALLION, would NOT be allowed to race unless each of their owners also paid $250. ALL late supplement payments will be added to the purse.

Late Supplement/Nomination Fees
Based on # of eligible foals per Stallion

| 1 - 10 Foals | $250.00 |
| 11 - 25 Foals | $500.00 |
| 26 - 50 Foals | $750.00 |
| 51 and Up | $1,000.00 |

**STARTING FEE:** Fee of $200 plus maintenance is due the day of the race. If a Late Supplement of $250, $500, or $750 [as detailed above] will be paid, it is also due at time of entry.
PAYMENT DISTRIBUTION: Entry fees to follow sex and gait. All other fees and supplements will be divided equally between the four race events.

RACING CONDITIONS: If 8 or less horses are declared to start, the race will go in one division. If 9 or more horses are declared to start, the race will be contested in divisions, each division going one heat. The Department of Agriculture funding, Stallion nominations, supplements and the Brown County Fair contribution will be divided equally; entry fee will follow the horse.

RULES: All events to be raced under the rules of the U.S.T.A. and the Illinois Department of Agriculture, which reserves the right to decide any questions which may arise that are not covered by these conditions.

EMERGENCY CONDITIONS: If, because of unfavorable weather or other unavoidable reason the races are postponed, they may be rescheduled at the discretion of the Illinois Department of Agriculture and Brown County Fair. Illinois Department of Agriculture and the Brown County Fair reserve the right to cancel the event, and return starting fees and stallion nominations after deducting clerical and administrative expenses allowed in these conditions. All entrants must abide by this change or forfeit their right to participate in these races or race for any part of the purse. In all circumstances, the Illinois Department of Agriculture and Brown County Fair will make the final decision.

I. ENTRY PAYMENTS: Entry payment of $50 for races, is due on the day of the race to be paid at the Superintendent of Speed’s Office of the fair hosting the race. Maintenance fee of $20.00 will be charged by the fair. BEGINNING IN 2016, ECS Fairs will collect an additional $10 to their fair’s existing maintenance fee per ECS horse, with that $10 to be paid to the ECS for operating expenses as mandated by the Illinois Department of Racing in Springfield in order to comply with the other Colt Associations’ practices of the past several years.

II. PLAN OF RACING: Colts and fillies to race separately when at least 4 of each are entered.
   1) At the discretion of the Superintendent of Speed or Presiding Judge. These races may be contested as single dashes.
   2) A fair must have a minimum of 4 horses (after combining sexes) entered for a race to be contested. If a race is to be contested in eliminations - the 60/40 plan is to be in effect.

III. HEAT RACING: Drawing for post positions will be made for first heat only. Horses will be placed in order of finish in 1st heat for 2nd heat (when applicable).

IV. TROPHY WINNERS: Winner of race will be horse standing best in summary - in case of tie, fastest time is winner. If horses stand same in summary and have same win times, drawing will be made to decide trophy.

V. DIVISIONS AND PURSES:
   1) Colts and fillies always race separately in the Egyptian Colt Stakes when there are at least 4 of each entered. When possible, consideration may be made for owner/trainer entries.
   2) If, after combining colts & fillies there are less than 5 entered the rule stands: “The horses properly entered with entry fees paid will receive their share of the March 15th payments and refund of their entry fee. This does not pertain to scratched horses.”

VI. HORSES THAT ARE DRAWN (SCRATCHED): -All scratches must be made through the presiding judge without exception. Proper notification of every scratch must be sent to the Illinois Department of Agriculture’s Horse Racing Program. Refer to U.S.T.A. Rule 14, Section 1, regarding penalties.
VII. RACES DECLARED OFF:
1) If races are declared off, March 15 payments and entry fees will be divided equally among horses that are properly entered. This does not include horses that were scratched. The Egyptian Colt Stakes will make every effort to contest their races and avoid cancellation. In the event of any delay due to weather or unforeseen circumstances, the races will be held at the fair as long as it is in session. Post time may be changed to accommodate the Egyptian Colt Stakes.
2) If races are delayed more than 48 hours, horsemen have the right to withdraw and the entry fee will be refunded.

VIII. BREATHALYZER & OTHER TESTING: - The Egyptian Colt Stakes supports the presiding judge and hosting fair regarding random Breathalyzer tests conducted by local police authorities for all participants and/or officials. The Egyptian Colt Stakes also supports any drug testing done by the Illinois Department of Agriculture or any other agency.

IX. No person whose name appears on the U.S.T.A. ownership record for a horse racing in Colt Association races on the date for which entries are being drawn will be allowed to sort entries. A race may be split on sex of the horse, the owners, and the trainers, but under no circumstances should it be split for drivers.

All County Fairs are strongly encouraged to display their U.S.T.A. license on the race office wall so that the license will be visible to anyone who enters the race office. Anyone who is required to be licensed must be able to prove to race officials that they are currently licensed by U.S.T.A. at time of race. Drivers who do not hold a current U.S.T.A. license are not eligible to drive in County Fair Races.

PLAN OF RACING: U.S.T.A, Department of Agriculture, County Fair and Northern Illinois Colt Association Rules to govern when not covered in the following conditions. All races are two (one mile) dashes unless otherwise specified.

When a race program is canceled for reasons beyond control of said Fair, and the program can be raced the following day, the Fair reserves the right to race as many of the canceled events as can be programmed without interfering with previously scheduled entertainment. The Fair reserves the right, as time permits, to race on a one or two heat plan.

Fields will be divided by colts and fillies where possible. However, in no case shall extra divisions for fillies be made, nor shall short fields be started to accommodate fillies. Overnight events contested on the Northern Illinois Colt Association circuit:

When an overnight event is split into more than one division, the Fair reserves the right to race on a one-heat plan.

Right is reserved by the Fairs to retain that part of the purse not raced for in all of the overnight races.

In all overnight races right is reserved to require 5 to enter and 4 to start. Where the entries are more than can start in one race, the race will be
divided. The Fair will add 50% of the original purse and race in divisions. Each division will race for an equal share of the total purse.

All County Fairs are strongly encouraged to display their U.S.T.A. license on the race office wall so that the license will be visible to anyone who enters the race office. Anyone who is required to be licensed must be able to prove to race officials that they are currently licensed by U.S.T.A. at time of race. Drivers who do not hold a current U.S.T.A. license are not eligible to drive in County Fair Races.
