Please request a Stakes Booklet from the racetrack or confer with individual fair management as the only authority.

The Illinois Department of Agriculture requires that all Standardbred foals be duly certified with the Bureau of Horse Racing to participate in the Illinois Standardbred Breeders Fund program. A certificate is issued to the owner of the foal at the time of Illinois registration and is passed on from owner to owner; this certificate must be transferred into the new owner's name as soon as possible after purchase.

REGISTRATION
REQUIREMENTS FOR 2020 EXHIBITION**

Livestock Premises Identification/Registration is part of the National Animal Identification System (NAIS), which is a state/federal/industry cooperative program intended to identify animal premises by assigning a unique number (a Premises Identification number) to each location where livestock (including equine) poultry, and/or rabbits are born, managed, marketed or exhibited. Premises registration is critical to protecting Illinois' livestock industry as it helps animal health officials minimize trace back times in the event of an animal disease outbreak.

A Premises ID is for the location animals are produced and/or raised.

The Premises ID number may or may not be registered in the exhibitor's name as it relates to location of the animal and not ownership.

Premises registration is free and can be performed on line at (www.agr.state.il.us/premises-registration/) or by calling 217/782-6657 for a paper form. A printable postage paid registration form is also available at the website. When registering on line, you will be immediately issued the Premises ID number. When mailing in a paper form, you may need to allow 3-4 weeks to be issued a number. Those from other states can go to: www.animalid.aphis.usda.gov/nais/premises_id/register.shtml or contact their respective state's agriculture department.

DRUG POLICY FOR 2020

The Illinois Horse Racing Act provides that Standardbred races held at county fairs and the Illinois State Fair which receive funds from the Illinois Standardbred Breeders Fund shall be held in accordance with the rules of the United States Trotting Association (USTA). The Executive Vice-President of the USTA, at the request of the Department of Agriculture, authorizes the collection and testing of any horse racing at any non-pari-mutuel meets in Illinois. The rules of the USTA provide that judges at any meeting (other than those governed by the state racing commission) may order any horse in any heat or race to be subject to a saliva, blood, or urine test for the purpose of determining the presence of any drug, stimulant, depressant, sedative or other unapproved medication.

The horse races conducted at any County Fair are subject to the requirements of the USTA and may authorize drug testing of your horse. During the taking of the saliva, urine or other sample by the veterinarian, the owner, trainer, or authorized agent must be present at all times. Samples shall be placed in two containers and shall be immediately sealed and the evidence of such sealing indicated thereon by the signature of the representative of the owner or trainer. One part of the sample is to be placed in a depository under the supervision of the presiding judge until such time as the report of the chemical analysis of the other portion of the split sample is received. Should a positive report be received, an owner or trainer shall have the right to have the other portion of the split sample inserted in with a subsequent group being sent for testing or may demand that it be sent to another chemist agreeable to the Illinois Department of Agriculture for analysis, the cost of which will be paid by the party requesting the test.

Whenever at a non-pari-mutuel meeting there is a positive test finding the presence of any drug, stimulant, depressant, sedative or unapproved medicant present in the post race test the laboratory shall immediately notify the presiding judge who shall immediately report such findings to the Executive Vice-President of the USTA. When such positive report is received by the presiding judge, the persons held responsible shall be notified and a thorough investigation shall be conducted by or on behalf of the judges. A time shall be set by the judges for a hearing shall not exceed 4 racing days after the responsible persons were notified.

The hearing may be continued, if in the opinion of the judges, circumstances justify such action. In the event the judges are unable to perform this action, Executive Vice-President of the USTA shall forthwith set a date for a prompt hearing to be conducted by him or some person deputied by him for the purpose of determining all matters concerning the administration of such drug, stimulant, sedative or depressant and the care and the custody of the horse from which the positive sample was obtained.

**2020 ILLINOIS COUNTY FAIRS
GENERAL CONDITIONS COMMON TO ALL
FIVE ILLINOIS COLT ASSOCIATIONS**

Individual Colt Associations and county fairs have established conditions and rules that are in addition to United States Trotting Association and Department of Agriculture rules. Owners and trainers should be familiar with the conditions for each Association in which they are competing. United States Trotting Association and Illinois Department of Agriculture rules will govern when not covered in these conditions.

All County Fairs are strongly encouraged to display their USTA license on the race-office wall so that the license will be visible to anyone who enters the race office. Anyone who is required to be licensed must be able to prove to race officials that they are currently licensed by USTA at time of race. Drivers who do not hold a current USTA license are not eligible to drive in County Fair Races.

ENTRIES: Three-Day (72-Hour) Box in effect for all county fairs hosting Colt Association races in 2020. Entries will close at 10:00 am three days prior to the scheduled date of the race.

Entry payments are due and payable at the Superintendent of Speed's Office of the fair hosting the race. Stall rent, or a maintenance fee, may be an additional charge. Consult individual Colt Associations/county fairs.

NOTE: OWNER SOCIAL SECURITY OR FEIN NUMBERS AND COMPLETE AND CURRENT OWNER ADDRESS MUST BE PROVIDED AT TIME OF ENTRY.

A county fair hosting Illinois Colt Association racing will be required to provide a locked box for declarations. The box may not be opened until the advertised time for the draw. In addition, no person whose name appears on the USTA ownership record for a horse racing in Colt Association races on the date for which entries are being drawn will be allowed to sort entries. A race may be split on the sex of the horse, the owners, and the trainers, but under no circumstances should it be split for drivers.

PLAN OF RACING –

- If there is a minimum of three fillies and three colts in the specified level, the race will be split into divisions based on sex. In this case the March 15th money will follow the sex for which they are nominated. Whenever eight (8) or more of the same sex are entered, that race will be split.
- If the minimum of three (3) fillies and/or three (3) colts is not met, all entries for that level will be in division(s) to be drawn at lot, with fillies drawing the inside post positions. In this case the March 15th money for colts and fillies will be combined and split equally among all divisions of the race. Whenever eight (8) or more of the same sex are entered, that race will be split.
- If the minimum of three (3) entries of fillies/colts combined is not met, the race will not be contested. The March 15th money will be distributed to those who entered, and the state money re-allocated to other ICF events.

PURSES are To Be Determined. **Please note:** Purses that include IDOA funds are subject to available funding.

The Department requires a minimum of three (3) horses to draw in. With five finishers, the percentages will be 50%, 25%, 12%, 8%, and 5%. The following percentages are to be utilized for races in which there are four (4) or less finishers: 4 finishers – 55%, 25%, 12%, and 8%, 3 finishers – 58%, 28%, and 14%, 2 finishers: 65% and 35%, and 1 finisher – 100%.

In the event a race is canceled for inadequate entries or rain, the portion of the purse derived from the March 15th payment will be distributed among those entered. If there are remaining days of ICF racing, the state money can be re-allocated to the remaining ICF events. The Department has waived the requirement that a fair race a minimum of 6 heats to be considered a racing program and eligible for state funds.

Race Conditions: No horse may compete at race events on two consecutive days (rained-out events excluded) or at two county fairs on the same day. No horse may race more than 3 times in 1 week (including overnights & pari-mutuel events.) Races decided by more than one heat are considered a single race. These conditions also apply to two-year-olds, with the additional restriction that two-year-olds may only compete in races decided by a single heat. The event may be raced in divisions, according to USTA rules with the following exceptions:

EXCEPTIONS –

ADDED MONIES – Purses are derived from Illinois Standardbred Breeders Fund and Paragraph 49 added monies, nomination payments less deduction, entry payments and individual fair contributions.

DEDUCTIONS - From those March 15th nomination monies collected, a disbursement will be made to all Colt Associations for that Colt Association's annual operating expenses. The balance of nomination and supplement fees will be paid to the Colt Associations to be distributed according to age, sex, and gait. Gait changes will be allowed at time of entry, but nomination money will stay with the gait as originally submitted.

SCRATCHES - Please be reminded that Illinois county fair harness racing operates under USTA rules. Scratches must be reported to, and approved by, the Presiding Judge. We call your attention to USTA Rule 14, Section 1(1), Drawing of Horses After Declaration. – “After declaration to start has been made no horse shall be drawn except by permission of the judges. A fine, not to exceed \$500, or suspension may be imposed for drawing a horse without permission, the penalty to apply to both the horse and the party who violates the regulation.”

STIMULANTS, DRUGS - Please refer to USTA Rule 21. In an effort to promote the sport of harness racing and project a positive image of our sport, random drug testing will be conducted on urine and/or blood samples obtained from horses competing at Illinois county fair harness race meetings.

ALL HORSES RACING ON LASIX MUST HAVE A SLIP INTO THE RACING OFFICE PRIOR TO POST TIME.
RANDOM TATTOO CHECKS WILL BE PERFORMED AT ANY OR ALL COUNTY FAIRS.

HUMANE CARE FOR ANIMALS ACT – (administered by the Department of Agriculture's Bureau of Animal Welfare). Each year the Department receives complaints regarding alleged abuse of horses racing at the county fairs. To promote the sport in the best possible light, and to be in total compliance with State humane laws, horsemen are asked to abide by the conditions regarding frequency of starts as stated above. It is recognized that the county fair season is short, but there are ample opportunities to race horses without overtaxing them.

In addition, abusive, excessive, or indiscriminate use of the whip or appearance thereof will be dealt with accordingly. Please review the USTA Whipping Regulations, Rule 18, Section 9-11.

Be advised that complaints received will be turned over to the Department's Bureau of Animal Welfare and will be investigated. If abuse is found to have occurred, such act is punishable as a criminal offense under the authority of the Statutes of the State of Illinois.

NEGATIVE COGGINS TEST WILL BE REQUIRED - Effective January 1, 1995, all equine participants at organized (advertised) equine events are required to have proof of a negative Coggins test for EIA performed within the last 12 months.

Note: All purse amounts are TO BE DETERMINED and subject to available funding.

3-Day Box

Each fair to furnish starting gate and photo finish, as well as trophy to winner of each event. The Egyptian Colt Stakes Association will furnish the charter.

- I. **ENTRY PAYMENTS:** Entry payment of \$50 for races, is due on the day of the race to be paid at the Superintendent of Speed's Office of the fair hosting the race. Maintenance fee of \$20.00 will be charged by the fair. BEGINNING IN 2016, ECS Fairs will collect an additional \$10 to their fair's existing maintenance fee per ECS horse, with that \$10 to be paid to the ECS for operating expenses as mandated by the Illinois Department of Racing in Springfield in order to comply with the other Colt Associations' practices of the past several years.
- II. **PLAN OF RACING:** Colts and fillies to race separately when at least 4 of each are entered.
 - 1) At the discretion of the Superintendent of Speed or Presiding Judge. These races may be contested as single dashes.
 - 2) A fair must have a minimum of 4 horses (after combining sexes) entered for a race to be contested. If a race is to be contested in eliminations - the 60/ 40 plan is to be in effect.
- III. **HEAT RACING:** Drawing for post positions will be made for first heat only. Horses will be placed in order of finish in 1st heat for 2nd heat (when applicable).
- IV. **TROPHY WINNERS:** Winner of race will be horse standing best in summary - in case of tie, fastest time is winner. If horses stand same in summary and have same win times, drawing will be made to decide trophy.
- V. **DIVISIONS AND PURSES:**
 - 1) Colts and fillies always race separately in the Egyptian Colt Stakes when there are at least 4 of each entered. When possible, consideration may be made for owner/trainer entries.
 - 2) If, after combining colts & fillies there are less than 5 entered the rule stands: "The horses properly entered with entry fees paid will receive their share of the March 15th payments and refund of their entry fee. This does not pertain to scratched horses."
- VI. **HORSES THAT ARE DRAWN (SCRATCHED):** -All scratches must be made through the presiding judge without exception. Proper notification of every scratch must be sent to the Illinois Department of Agriculture's Horse Racing Program. Refer to USTA Rule 14, Section 1, regarding penalties.

VII. RACES DECLARED OFF:

- 1) If races are declared off, March 15 payments and entry fees will be divided equally among horses that are properly entered. This does not include horses that were scratched. The Egyptian Colt Stakes will make every effort to contest their races and avoid cancellation. In the event of any delay due to weather or unforeseen circumstances, the races will be held at the fair as long as it is in session. Post time may be changed to accommodate the Egyptian Colt Stakes.
- 2) If races are delayed more than 48 hours, horsemen have the right to withdraw and the entry fee will be refunded.

VIII. BREATHALYZER & OTHER TESTING: - The Egyptian Colt Stakes supports the presiding judge and hosting fair regarding random Breathalyzer tests conducted by local police authorities for all participants and/or officials. The Egyptian Colt Stakes also supports any drug testing done by the Illinois Department of Agriculture or any other agency.

IX. No person whose name appears on the USTA ownership record for a horse racing in Colt Association races on the date for which entries are being drawn will be allowed to sort entries. A race may be split on sex of the horse, the owners, and the trainers, but under no circumstances should it be split for drivers.

All County Fairs are strongly encouraged to display their USTA license on the race office wall so that the license will be visible to anyone who enters the race office. Anyone who is required to be licensed must be able to prove to race officials that they are currently licensed by USTA at time of race.
