THOROUGHBRED BREEDERS FUND PROGRAM**

**INSTRUCTIONS FOR NEW THOROUGHBRED STALLION
or
CHANGE IN OWNERSHIP FROM PREVIOUS YEAR**

1. Please Read Instructions Carefully Before Submitting Application.
2. Complete and submit the APPLICATION FOR STALLION CERTIFICATION. **Application must be submitted prior to covering mares.**
3. Submit a photocopy of the Jockey Club Certificate (front and back - showing ownership information).
4. Complete and submit the Illinois STATEMENT OF OWNERSHIP which lists the owners, their addresses and percentages of ownership. **This form must be notarized.**
5. **Corporate Owned Or Syndicated Stallions** - NOTE: If the stallion is owned by a corporation or will be syndicated - please contact this office as additional documentation is required.
6. **Leased Stallions** - In the event that the stallion is leased, a copy of a signed formal lease must be provided to be placed in the stallion's file. Terms of the lease must encompass the current year registration and include an inception and termination date. The Lessee section on the Application needs to be completed. **The Application will not be accepted without the signature of the stallion owner and the lessee.**
7. **Movement Of Stallions** - If the location of the stallion is to change for any reason - or any period of time - after the application has been filed, it is the owner's or lessee's responsibility to provide **immediate** notification to the Department of that change. If the reported standing location is to change, a new Stallion Eligibility Certificate will be issued and delivered by a Department investigator. The registration of a stallion for a given year is not complete until such horse has been identified at, and the Stallion Eligibility Certificate delivered to, the reported standing location.
8. **Stallions In Training Or Racing** - If you plan to train or race the stallion during the year for which he is registered with the Department as a breeding stallion, you must notify the Department of your intent and this office must be notified of his whereabouts. Permission must be obtained if you are racing him out of the State of Illinois. Under no circumstances should he service mares at any location other than the reported standing location.
