

The Horsemen's Council of Illinois (HCI) works to serve the entire horse community of amateurs, professionals, hobbyists, breeders, riding clubs and groups from all disciplines, breeds and types of horses.

There are more than 70,000 horse owners and 200,000 horses in Illinois generating billions of dollars in economic impact.

HCI is led by a board of directors and committees that address education, equine health and welfare, trails, land use and legislative and regulatory concerns.

The mission of Horsemen's Council of Illinois is to educate, mobilize and represent Horsemen and the equine industry to ensure a thriving Illinois horse community.

As a statewide coalition of horsemen, HCI works to:

- Provide education and resources to horsemen and the public
- Represent common interests of horsemen
- Present a unified stand against issues confronting horsemen
- Advocate improved health and well-being of horses
- Actively expand and improve the Illinois horse industry
