

**Illinois Land
Improvement
Contractors
Association**
www.illica.net

The Illinois Land Improvement Contractors Association was organized to promote effective soil conservation construction, efficient business principals and private free enterprise in the field of soil conservation construction. ILICA is an organization which provides service and assistance to private persons, firms and corporations engaged or interested in:

- Soil & Water Conservation
- Reduction or prevention of soil, water and air contamination
- Construction and maintenance of sanitary facilities
- Construction, improvement and maintenance of recreational facilities
- Excavation & earthmoving for community improvement that is in the public interest and for the public welfare
- Construction and maintenance of roads and streets
- Promoting the welfare and protecting the interests of all the people in rural Illinois
- ILICA is a not-for-profit organization that conducts programs, projects & activities that promote soil, water and natural resource conservation and promotes the welfare and protects the interests of its members
