Illinois Agri-Women is an organization interested in promoting a better understanding of agriculture and the family farm system.

Members represent all areas of agriculture and work with legislators and congressmen on issues that will strengthen agriculture, which in turn benefits the entire American economy.

Educational materials provided to the schools and to consumers emphasize the importance of agriculture.

ILLINOIS AGRI WOMEN'S GOALS

- To speak out in support of the American farmer and the farm industry.
- To work for legislation to preserve the family farm enterprise.
- To communicate with other organizations to achieve common goals.
- To educate the consumer of the economic importance of agriculture to the nation.
- To promote greater public awareness that farming is a business and must make a profit to survive.
