

**51th Annual
Illinois Agricultural Legislative Day**

**March 24, 2021
Springfield, Illinois**

Illinois farm and agricultural groups are invited to join us virtually for the 51st Annual Illinois Agricultural Legislative Day (IALD) set for Tuesday, March 24, 2021, in Springfield, Illinois. IALD, traditionally, brings together representatives from nearly 50 agricultural commodity organizations and other diverse agriculture interest groups to meet with state lawmakers as well as the other participating organizations. However, this year's event will be virtual due to the COVID-19 pandemic. IALD provides an opportunity to strengthen and build relationships among various entities that affect Illinois agriculture.

A special thank you goes to our agriculture groups, as they provide the essentials for the day which include a box lunch and a commodity basket for each of the legislators. We are also fortunate to have the support of more than 1,000 Illinois FFA members and their vocational-agriculture teachers.

To register for the 2021 IALD, please fill out the registration forms below and return to Joe Kienzler at joe.kienzler@illinois.gov. We have also attached your IALD Directory page from last year in Word doc form. Please update your page and return to Joe as well. If you have any questions, call Joe at 217-888-0048.

It is our agricultural community that makes this event truly successful. We appreciate your commitment and support for the 51st Annual IALD.
