Subject: Scheduled Testing Dates for 2020 *Updated 10/14/2020

Due to the current pandemic our normal test schedule has been suspended. Our current test dates are listed below. If you would like to be put on our test schedule please contact Jared Howland at 217-557-3980 or by e-mail at jared.howland@illinois.gov .

The Bureau of Weights and Measures has selected the following dates for the testing of Registered Serviceperson Technicians for the year of 2020. Testing is held in Springfield, Illinois on the Illinois State Fair Grounds located at 801 E Sangamon Ave (Gate 11 Entrance).

Testing will start at 9 am and there will be 3 hours to complete the test.

Test Dates:

August 3rd

August 4th

September 30th

October 28th ← Final Test of 2020

***Note: The test is an open book test. You will need a Handbook 44 (this information may be downloaded from the NIST website (www.nist.gov) and an Illinois Laws, Rules and Regulations relating to the Weights and Measures Act and the Motor Fuel and Petroleum Standards Act. (www.agr.state.il.us). The general code section 1.10 is need for all testing. Section 2.20 is needed for scales and section 3.30 are needed for all liquid measuring devices. These three sections are in Handbook 44.**

The General and Illinois Addendum test must be taken along with the test(s) for the device type(s) you will be servicing (see below).

Due to the high demand of potential servicepersons needing test slots, we require a 48-hour notice of cancellation prior to testing. Persons not providing 48-hour notice will not be allowed to test for 60 days.
