The Illinois Seed Law (505 ILCS 110§230.270) requires all seed permit holders to report each type of seed and the means of disposal in Illinois upon renewal of their seed permit. Disposal methods may include sold as seed, sold as grain, and other (destroyed, seed testing, etc.). Please complete the table below by filling in the percentage of each type of seed disposed of and the method of disposal. The total for each type of seed distributed should equal 100%. Please fill in other types of seeds disposed of in Illinois if not listed below.

ILLINOIS SEED DISPOSITION REPORT

Type of Seed Disposed	% Sold as Seed	% Disposed of as Grain	% Other Means of Disposal (Destroyed or other)	Total Seed Disposed (Must equal 100%)
Corn				
Soybeans				
Wheat				
Oats
