

BFR PUBLIC HEARING

JUNE 12 & 26

The Budgeting for Results (BFR) Commission is established under state statute (15 ILCS 20/50-25) to promote performance-based budgeting in Illinois. The Commission informs on best practices regarding performance budgeting and generates program performance assessments.

Annually, the Commission holds two public hearings to provide a public forum to learn about the BFR Initiative and to enable the public to engage with the Commissioners on BFR-related matters.

Public Hearing Agenda:
