

**Request for Tours of 2022 Tech Prairie STEAM Expo & Agriculture Tour
August 17-21, 2022
Illinois State Fairgrounds, Springfield, Illinois**

The Illinois Department of Innovation & Technology is requesting the information below in order to organize tours of the Tech Prairie STEAM Expo in the Orr Building at the 2022 Illinois State Fair and facilitate coordination with the Illinois Department of Agriculture Agricultural Tours around the fairgrounds. This form is only an application and does not guarantee a guided tour or admission passes to the State Fair. If you are requesting guided tours, you will be contacted once the decision is made to offer a tour and passes will be mailed to you prior to the opening of the State Fair August 12, 2022. DoIT will also coordinate tours with the Illinois Department of Natural Resources which manages Conservation World at the State Fair. Please submit completed form to: doit.steam@illinois.gov.
