Coming Soon: Community Dialogues!

Please keep an eye out for an invitation for upcoming community dialogues! These interactive events will provide an opportunity for you to ask questions of the IT Transformation leadership regarding the launch of DoIT as an agency. Invitations will be sent in the coming weeks. We hope to see you there!

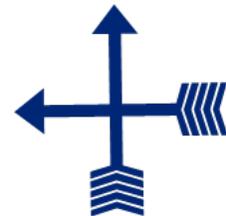

Data Gathering: Infrastructure

Information regarding each agency's IT infrastructure is due today, **Thursday, the 9th, at 6:00 PM**. If you received a request for this data and have already replied, thank you! We look forward to hearing from those who have not yet submitted information. As a reminder, this data is essential to strategic planning for DoIT. If you have any questions, please send an e-mail to IT.TransformationDataGathering@Illinois.gov.

“What We Know about IT” Survey

A huge thanks to those who completed the “What We Know about IT” survey, which closed at noon today! Over 900 of you shared your perspective, and we greatly appreciate it! We understand that this took time from your day, and look forward to incorporating your responses into the long-term plans.

Innovation Awards Program

Have you heard? The Innovation Awards Program has officially kicked off! This new employee recognition program celebrates innovative ideas that use advances in technology to streamline, save money, and improve operations of the government to enhance customer service. Learn more about the program and how to submit an idea by visiting [this page](#).

Featured FAQ of the Week:

My position is represented by a collective bargaining unit. Will that impact the IT Transformation?

The IT Transformation project will be implemented consistent with all obligations imposed by collective bargaining agreements and the provisions of the Public Labor Relations Act. The State's Labor Relations team has been working with and providing information on the transition to the unions representing affected employees and will continue to do so throughout the IT Transformation.
