## *The DoIT Digest*

*Volume 1 Number 5*

*June 16, 2016*

### **This Week:**

- **Join Us for a Community Dialogue!**
- **An Update on Badges**
- **Content Refresh! IT Transformation Webpage**
- **Portfolio Management**

### **Join us for a Community Dialogue!**

The dates have been set! We invite you to join us for an informal community dialogue during one of the dates below. This is a great opportunity for you to ask leaders about the launch of DoIT as an agency on July 1<sup>st</sup>. If you haven't already, please accept *one* of the invitations that will be sent your way so that we can plan for the event:

- **State Agency IT Employees, Option #1:** Monday, June 27<sup>th</sup>
- **CMS BCCS Employees, Options #1 and #2:** Tuesday, June 28<sup>th</sup> (AM and PM Session)
- **State Agency IT Employees, Option #2:** Wednesday, June 29<sup>th</sup>

### **An Update on Badges**

Most agency IT employees will receive a DoIT badge before July 1<sup>st</sup>. These badges will allow the same level of physical access to agency facilities. A small number of employees will need to retain their current agency badge in addition to the new DoIT badge for a short period of time.

**Content Refresh! IT Transformation Webpage**

#### **Portfolio Management**

Please see [this document](#) on IT portfolio management that describes the governance process. Your CIOs have seen a demo of this gated process at the CIO Council meeting on May 18<sup>th</sup>. We'll continue to provide updates as further steps in this process are activated. If you have questions in the meantime, send a message to [EnterpriseGovernance.ePMO@Illinois.gov](mailto:EnterpriseGovernance.ePMO@Illinois.gov).

#### **Featured FAQ of the Week:**

##### ***Will I move to a different building?***

You will remain at your current location until further notice. Physical relocations may occur as services are consolidated or new services rolled out within DoIT. If IT employees become part of consolidated or new services at DoIT, some client agencies may need to address secure access requirements by relocating office space. You will be notified by your CIO if this is the case at your location.

As with all other changes, advanced notice will be provided. Proper and timely labor notifications will be made for any change in working condition, including changes in work location, in order to comply with the requirements of labor agreements and labor laws.
