Register for the Illinois Digital Government Summit!

Click [here](#) to register for the Illinois Digital Government Summit, which will take place in Springfield from October 6th and 7th. This gathering will feature public and private sector leaders and allow participants to share and learn about best practices in innovation and technology. We hope you consider joining!

What's New on the Wiki?

More information has been added to [IT Transformation Wiki](#)! Head [there](#) to see the most recently added document, which provides recommendations on the future state of IT Governance for the State of Illinois.

Connecting the Dots

Moving forward, we'll have guest contributors from the DoIT leadership team who will provide interesting tidbits you should know, such as cybersecurity, applications, and other technology-related news. Next week's contribution will come from our legal team, who you can learn more about [here](#).

Featured FAQ of the Week:

Will my manager remain the same?

For the majority of employees, current management structures will continue in the immediate term. Your manager will still approve timesheets and requests for time off, as well as conduct performance reviews and take any necessary disciplinary actions. Notice will be provided in advance of any changes to your direct manager.
