**ISBE's Ed360 Brings Tech Tools for Educators**

Illinois State Board of Education (ISBE) will soon be launching their Ed360 platform that provides real-time student data and metrics for teachers & administrators to help guide their instructional decisions. The project gathered input from focus groups and has been active in several pilot school districts. The new dashboard will be released across the state for the 2017-2018 school year.

**What is my Password?**

Many employees have multiple accounts and managing passwords for those accounts can be a difficult task. Don't let password fatigue get you down, we've got you covered! Manage your passwords by using the self-service solutions available for employees with Illinois Domain Active Directory (AD), RACF, PKI and Illinois Public accounts by [clicking here](#).

**It's National Doughnut Day!**

Held annually on the first Friday of June, this day was established by the Salvation Army in 1938 to honor the women who served doughnuts to soldiers in World War 1.

Celebrate the day by enjoying your favorite doughnut! Whether it's powdered, filled or glazed, stop by for a free doughnut from Krispy Kreme or Dunkin Donuts.
