A Message from DoIT Acting Secretary, Kirk Lonbom

Happy Holidays,

As we wrap up 2017, I would like to thank all of you for the valuable contribution you are making to serve the citizens of Illinois. Our DoIT Digest distribution is far-reaching and whether you are reading this as a member of the DoIT team, one of our agency customers, individuals who serve on one of our advisory boards or anyone involved in the creation and progress of our new agency; I sincerely appreciate your role and support for DoIT.

We have made tremendous progress since our formation on July 1, 2016 and while we are proud of those accomplishments, there is much work still ahead to complete the ambitious goals we have set for digital transformation in Illinois. Our emphasis in 2018 will be on SERVICE and VALUE, both in terms of our approach to our agency customers as well as those we ultimately serve, the citizens of Illinois.

I have every confidence in DoIT and in all of you, and can't express enough how excited I am about what lies ahead for our agency and for the incredible things that we will accomplish together in 2018.

I wish you all a Happy New Year!

Kirk Lonbom, DoIT Acting Secretary
