SBC Springfield Directory

The government pages in the SBC Springfield Directory are being revised and compiled for the new 2003 book. Attached is a copy of the most current SBC state government listings. If your agency, divisional, departmental, and individual names, addresses, and telephone numbers are correct, no response to this bulletin is needed.

However, if your agency needs to make any changes, additions, or deletions to its governmental page listings, please use a Telecommunications Service Request (TSR) to correct your listing. The TSR form is available on this website under the "Forms" heading. For changes to be included in the 2003 SBC Springfield directory, your completed TSR must be returned by September 5, 2003 to:

Central Management Services
Division of Telecommunications
Attn: Twana Brooks
120 West Jefferson, 2nd Floor
Springfield, IL 62702-5103

Should you have any questions regarding the SBC Directory governmental listings, please contact Twana Brooks at (217) 782-8885 or by email at twana_brooks@cms.state.il.us.
