2006 AT&T CHICAGO Telephone Directory: Government Listings

The government pages in the AT&T **Chicago** Telephone Directory are being revised and compiled for the new 2006 book. Attached are copies of the state agency listings appearing in the current AT&T Chicago "Government Pages" and a listing of agencies paying for straight-line entries in the "Business Pages." If your agency, divisional, departmental, and individual names, addresses, and telephone numbers are correct, no response to this bulletin is needed. Agencies that have undergone consolidations or name changes should review listings carefully so that former, individual agency names can be removed and current name changes can be added/corrected.

If your agency needs to make any changes, additions, or deletions to the AT&T Chicago directory, please use a Telecommunications Service Request (TSR) to correct your listing. The TSR form is available on our website (www.state.il.us/cms/telecom) under the "Forms" the CMS Customer Solution Center must receive your completed TSR by December 8, 2006. Submit your TSR to:
