11) WAVE Service

The STARCOM21 Network supports a cellular broadband service through the Motorola Solutions Inc. WAVE application. This provides the agency with the ability to connect their mobile smartphone to a STARCOM21 Astro25 Talk Group or create broadband only Talk Groups. The broadband only Talk Groups would not connect in any way to the STARCOM21 Network. Motorola Solutions Inc. will provide an Annual User by Agency report to the Advisory Subcommittee and all agencies with provisioned WAVE users. Each agency will be responsible for validating the Annual Report and returning a list of active users and users to be deactivated. The WAVE user must follow the guidelines and requirements of the Advisory Subcommittee.

One Time Programming Fee Applicable to New STARCOM21 Agencies (Waved if Agency is already an approved Starcom21 radio system user)	\$10/Per User
Monthly fee for STARCOM21 Users Broadband-to-Broadband only (no STARCOM21 frequency interoperability)	\$10/Per User
Monthly fee for STARCOM21 Users (STARCOM21 System interoperability) (STARCOM21 frequency interoperability)	\$15/Per User
