Welcome to the 2019 Illinois State Fair!

Whether you’re joining us in Springfield or in Du Quoin, our state fairs bring people together from across our state and country to celebrate all Illinois has to offer.

We sit at the crossroads of our nation and are the hub of the Midwest. Our cities and towns are rich in history and filled with charm. We’re home to natural wonders where families can make the outdoors their playground with hiking and biking, sledding and skiing, hunting and fishing. Our people are the greatest in the world. And we’re the fifth largest economy in the United States.

Our state’s success wouldn’t be possible without our top industry: agriculture. It serves as a keen example of how our geographically diverse state works in unity. While our rural communities benefit from agricultural production, our urban economies benefit from agricultural processing and manufacturing.

Our state is home to some of the best soil in the nation, which our 75,000 farmers use to produce corn, soybean, wheat, and more. With over 2,500 food manufacturing companies in Illinois, we are well-equipped to turn our state’s crops and livestock into food and industrial products. Billions of dollars come into the state’s economy from agriculture-related industries, from farm machinery to agricultural real estate, to the production and sale of food products.

We have become a leading producer of corn, soybeans, swine, horseradish and pumpkins. Our state ranks first in the nation with 180 billion dollars in processed food sales. And Illinois agricultural exports account for 6 percent of all U.S. agricultural exports.

Simply put, the agriculture industry built Illinois. And this year’s state fair theme — “Building our Future” — honors that legacy and looks forward to all that we can and will accomplish together.

To every family that spends time on our fairgrounds, we hope your days are filled with enjoyment and life-long memories. To all of you who have worked hard on your entries for this year’s competitions, our family wishes you luck. Thank you for making the Illinois State Fair a part of your summer.

Sincerely,

JB Pritzker
Governor

MK Pritzker
First Lady
Never could I have imagined as a teenager sleeping on a cot in the swine barns at the Illinois State Fair back in 1973, that someday I would be the Director of the Illinois Department of Agriculture—a role that includes overseeing the Springfield and Du Quoin State Fairs! The Fair has played an important role in my family’s lives. My wife Joan, in her duties as an Extension Advisor, would bring 4-H kids to the fair to show their projects, which provided the opportunity for our children and me to tag along for a fun filled day at the State Fair. Never would we have imagined that in 2019 we would be the hosts for all fair goers.

What an honor it is to welcome you to the Illinois and Du Quoin State Fairs. The 2019 State Fair theme is “Building our Future.” We are pleased to have the support and encouragement of so many in the community, region, and across the state as we oversee the rebuilding of the historic coliseum in Springfield, upgrades to the Southern Illinois Center in Du Quoin, and countless other projects around both fairgrounds.

The State Fairs have a rich agricultural history that includes livestock shows, truck and tractor pulls, horse racing, the butter cow, free entertainment stages, a star-studded grandstand lineup, and plenty of great fair food. The State Fair also boasts county fair queens, talent competitions, culinary contests, Senior and Scout Day, Park and Conservation Day, and of course, two of my favorites, the Illinois Auctioneers Association Bid Calling contest and the Governor’s Sale of Champions auction.

We are also proud to dedicate individual theme days for our Veterans & Gold Star Families and our First Responders—a small token of our appreciation, and a way to say thank you, for their dedication and service.

Whether this is your first visit to the Fair, or an annual family tradition, we hope the 2019 Illinois State Fair and the Du Quoin State Fair offer exciting, informative and fun-filled family events for you.

Thank you for being a part of this great celebration and joining us in “Building our Future”!

John and Joan Sullivan
Director, IL Department of Ag and Fair Hosts

Phone (217) 782-4944 TTY (866) 287-2999

CERTIFICATES OF VETERINARY INSPECTION AND/OR TEST RECORDS MUST BE AVAILABLE FOR INSPECTION AT ANY TIME WHILE ANIMALS ARE ON THE FAIRGROUNDS.

GENERAL HEALTH REQUIREMENTS

Health Certificate of Veterinary Inspection: The term “Health Certificate” or “Certificate of Veterinary Inspection” (CVI) means a legible record, made on an official form of the state of origin, issued by an accredited veterinarian, which shows that the animals listed thereon meet the health requirements of the state of destination.

A Certificate of Veterinary Inspection (CVI):

1. Must accompany animals, except as noted and be available on request by Animal Health Officials; All out-of-state animals shall require an entry permit. Entry permit numbers are available by calling the Illinois Department of Agriculture, Monday through Friday from 8:00 AM to 4:30 PM, at (217) 782-4944. Permits may also be obtained online at:
   http://www.agr.state.il.us/AnimalHW/animalregistry/login.php
2. Must show results of required tests and/or vaccinations;
3. Must show name and address of owner or exhibitor;
4. Must be dated and signed by an accredited veterinarian;
5. Must show only one (1) identification per line on the CVI; and
6. Must show the official identification of each animal.
7. For out-of-state livestock, a CVI shall be void thirty (30) days after issuance.
8. For Illinois origin livestock, a CVI shall be void ninety (90) days after issuance.
9. If animals are from tuberculosis accredited, brucellosis certified, pseudorabies qualified, or brucellosis validated herds, the identifying herd number(s) along with the date of the last herd test(s) shall appear on the CVI.
Special Note: No Corrections or Additions will be allowed on a Certificate of Veterinary Inspection.

General Provisions:

1. Any Illinois cattle or goats being exhibited in non-accredited free states must be isolated from the remainder of the herd/flock upon return to Illinois and retested for tuberculosis 60-120 days post entry.

2. Animals with active lesions of ringworm with resulting loss of hair, soremouth, caseous lymphadenitis or multiple warts easily visible without close examination, will not be permitted to exhibit. Animals infested with scabies or mange will not be permitted to exhibit.

3. All exhibitors of animals at any Illinois Fair shall comply with the provisions of the Illinois Humane Care for Animals Act. If violations are observed, the animal(s) will be excused from exhibition and be ordered removed from the grounds with all awards and premiums being forfeited.

4. Market animals include steers and market heifers; barrows and market gilts; wether and market ewe lambs; meat goat wethers and market does; poultry meat pens, roasters and fryers; and rabbit meat pens and fryers.

CATTLE

Identification

1. Individual identification of each animal shall be either a fully healed and legible tattoo, approved official ear tag, registration number, or individual brand, if brand is recorded on the registration certificate.

Illinois Cattle

Brucellosis

1. Illinois is a Bovine Brucellosis Class-Free State. Brucellosis testing is not required for Illinois cattle.

Tuberculosis

1. Illinois is an Accredited Tuberculosis- Free State. Tuberculin test is not required for Illinois cattle.

Special Note: Illinois calves under 6 months of age and Illinois steers are not required to have a Certificate of Veterinary Inspection.
Out-of-State-Cattle
All out-of-state cattle are to be accompanied by an entry permit. Entry permit numbers are available by calling the Illinois Department of Agriculture, Monday through Friday from 8:00 AM to 4:30 PM, at (217) 782-4944. Permits may also be obtained online at: http://www.agr.state.il.us/AnimalHW/animalregistry/login.php

Brucellosis
1. Female cattle six (6) months of age and older and bulls eighteen (18) months of age and older shall be negative to an official test for brucellosis within thirty (30) days prior to entry, unless exempt by one (1) of the following:
   A. Originate directly from a certified brucellosis-free herd.
   B. Official vaccinates of dairy breeds under twenty (20) months of age or official vaccinates of beef breeds under twenty-four (24) months of age.
   C. Animal originated from a “Class Free” state (if entire state is so classified)
   D. Steers and spayed heifers are not required to be tested for brucellosis.
2. The negative brucellosis test shall be conducted at a state or federal laboratory within 30 days prior to exhibition.

Tuberculosis
1. Accredited Tuberculosis Free States
   A. No tuberculin test required. All cattle, including steers, originating from an Accredited Tuberculosis Free State, may enter Illinois for exhibition when accompanied by a CVI issued by an accredited veterinarian within 30 days.
2. Non-Accredited Tuberculosis Free Areas or States (Not TB Free)
   A. Cattle must originate from a herd where a complete herd test was conducted within the past year.
   B. The individual animals entering Illinois must be negative to an additional tuberculin test conducted within 30 days prior to exhibition.
   C. Cattle that enter Illinois for exhibition and remain in Illinois (animal does not return to the state of origin within 30 days) must be isolated and retested for TB 60-120 days from the last official TB test date.
Illinois Swine

Identification
1. Illinois swine shall be identified by an official ear tag, tattoo or recognized breed ear notch.
2. Ear notch identification is acceptable for barrows, crossbred gilts and breeding swine.

Special Note: Ear notch identification of crossbred swine does not satisfy USDA identification requirements for interstate movement or official testing.

Brucellosis
1. Brucellosis testing is not required for Illinois swine.

Pseudorabies
1. Pseudorabies testing is not required for Illinois swine.

Out-of-State Swine

3. All horses and other equidae shall be accompanied by a CVI issued within thirty (30) days prior to entry.

►END OF EXHIBITION ANIMAL HEALTH REQUIREMENTS◄
Animal Care, Drugs, Testing, Violations and Penalties

Exhibitors with questions regarding medications and/or eligibility are encouraged to contact the Illinois State Veterinarian at (217) 782-4944 prior to administration of medication. The State Fair Manager can also be reached at (217) 782-0776.

1. If an exhibitor wishes to administer medication to an animal prior to the Du Quoin State Fair, read all product labels closely to ensure that the medication does not contain an ingredient that could be considered to give the animal a competitive advantage. It generally takes longer than the labeled withdrawal time for no drug residue to be found in an animal.

2. All animals must arrive at the State Fairgrounds free and clear of all drug and chemical residues. Once at the State Fairgrounds, all animals must remain free and clear of all drug and chemical residues, unless under the supervision of the State Fair Veterinarian.

3. The Du Quoin State Fair has a zero tolerance policy for unethically fitted animals.

4. The animal owner, exhibitor, fitter, trainer and associated participant bear absolute responsibility for an animal’s condition, whether or not he or she was actually instrumental in or had actual knowledge of the administration of drugs or medication or treatment of the animal.

5. The Du Quoin State Fair has the right to examine and/or test any animal (deceased or living), feed, liquids, or equipment at any time. The Du Quoin State Fair may sample an animal’s blood, urine, milk, saliva, and/or tissue. Any samples taken for testing become the property of the Du Quoin State Fair. Samples may be collected, stored and tested in any manner the Illinois Department of Agriculture deems appropriate. Positive test results may be made public.

6. The Du Quoin State Fair may impound any animal for testing. Refusing such tests shall be cause for disqualification. Any animal tested at the Du Quoin State Fair is subject to being detained at the expense of the exhibitor until the Du Quoin State Fair receives final test results.

7. Violations:
   A. **Drug Administration**: It is a **violation** if any medication or drug is administered to an animal after it has arrived on the State Fairgrounds without the supervision of the official State Fair Veterinarian.
   
   B. **Non-FDA-Approved Drugs**: It is a **violation** if a market animal tests “positive” (not a quantitative test) for any drug that has not been approved by the Food and Drug Administration for such type of animal. However, it shall not be a violation of this subsection if the exhibitor discloses the drug specifically as follows: the exhibitor provides to the Du Quoin State Fair, at check-in, the Du Quoin State Fair AMDUCA form properly completed by the veterinarian that properly prescribed the non-FDA-approved drug for the animal. It shall also not be a violation of this subsection if the State Fair Veterinarian prescribes a non-FDA-approved drug for an animal during the Du Quoin State Fair and completes the AMDUCA form. The AMDUCA form is available by contacting the Illinois Department of Agriculture.
Although the preceding paragraph allows for certain use of non-FDA-approved drugs, please be aware that federal law (21 C.F.R. § 530.41) prohibits the following list of drugs, families of drugs, and substances for extra label animal uses. Therefore, notwithstanding the above paragraph, it is a violation with an increased penalty if a market animal tests “positive” (not a quantitative test) for any of the following:

1) Chloramphenicol;
2) Clenbuterol;
3) Diethylstilbestrol (DES);
4) Dimetridazole;
5) Ipronidazole;
6) Other nitroimidazoles;
7) Furazolidone;
8) Nitrofurazone;
9) Sulfonamide drugs in lactating dairy cattle (except approved use of sulfadimethoxine, sulfabromomethazine, and sulfaethoxypyridazine);
10) Fluoroquinolones;
11) Glycopeptides;
12) Phenylbutazone in female dairy cattle 20 months of age or older; and
13) Cephalosporins (not including cephapirin) in cattle, swine, chickens, or turkeys:
   i. For disease prevention purposes;
   ii. At unapproved doses, frequencies, durations, or routes of administration; or
   iii. If the drug is not approved for that species and production class.

C. Competitive Advantage (All Animals): It is a violation if a test result indicates the presence of a substance, practice or other adulterant that could give an animal a competitive advantage. Competitive advantage substances include, but are not limited to steroids, diuretics, anti-inflammatories, tranquilizers and pain killers.

D. Violative Residue Limit (Tolerance): It is a violation if a test result indicates the presence of a drug, additive, or contaminant that exceeds a residue limit (tolerance) set by the FDA and applied by the FSIS.

E. Unethical Fitting and Grooming Practices: It is a violation if an animal evidences air pumping or the presence of inappropriate substances to alter conformation. Methods such as stomach pumping to induce artificial fill, performing surgical and/or non-surgical procedures to alter the animal’s configuration or the natural conformation of any part of the animal’s body, or unethical fitting are grounds for disqualification. The following generally accepted management practices are allowed: hoof trimming, dehorning, removal of hair, castration, branding, tattooing, ear notching, and docking of tails.

F. Falsification of Entries or Records: It is a violation to falsify or alter official entries, records or registrations of animals.
G. Unsportsmanlike Conduct: It is a violation for an exhibitor to act in any way that is outright discourteous or disrespectful to other exhibitors, judges, fair personnel or fair visitors, or to deliberately place or cause to be placed any animals or other person in a potentially harmful or disadvantageous position.

H. Approaching a Judge: It is a violation for any individual, except Illinois State Fair personnel, to approach a judge during a show.

8. Penalties: In the event of a violation, the animal shall be disqualified and the exhibitor of the disqualified animal shall be subject to the following penalties:

A. If exhibitor’s first disqualification:
   1) Forfeiture of all monetary awards including sale proceeds associated with the exhibitor for the current State Fair. The exhibitor also forfeits the rights to any product resulting therefrom.
   2) Return of all trophies and non-monetary awards associated with the exhibitor for the current State Fair.
   3) Forfeiture of all titles associated with the exhibitor for the current State Fair.
   4) A ban from competing in any competitive event at the Du Quoin State Fair for the following three (3) years, unless the animal is disqualified for testing positive for a drug, family of drugs, or substances prohibited by 21 C.F.R. § 530.41, in which case the ban shall be for five years.

B. If exhibitor’s second or subsequent disqualification:
   All of the penalties above in 8(A), except the exhibitor shall be subject to a ban from competing in any competitive events at the Du Quoin State Fair for the following five (5) years, unless the animal is disqualified for testing positive for a drug, family of drugs, or substances prohibited by 21 C.F.R. § 530.41, in which case the ban shall be for the lifetime of the exhibitor.

9. If a Grand Champion animal is disqualified, the Reserve Grand Champion will be elevated to the respective designation. Disqualified animal photos and designations shall not be used in any advertising or promotional activities following the State Fair.

SICK, NONAMBULATORY AND DECEASED ANIMAL POLICY

10. The Du Quoin State Fair is fully committed to carrying out Animal Wellness and Care principles and ensuring the proper treatment of all animal exhibits. Therefore, sick animals shall not be exhibited because of the risk to the animal, other animals, the exhibitor, other persons, and the integrity of competitions. The Du Quoin State Fair Management, Department Superintendents, State of Illinois Veterinarians, and their respective designees, at their sole discretion, may prohibit an animal from showing and may require an animal to be sent to quarantine or leave the fairgrounds on the basis of animal health and care concerns.

11. A State Fair Veterinarian will be available during the State Fair and may be reached by calling (618) 444-1501. A local veterinarian from the Du Quoin Veterinary Clinic will also be available for assistance and may be reached at (618) 542-4472.

12. Upon arrival at the State Fairgrounds, all Livestock Division Exhibitors irrevocably consent to emergency medical care that may be needed to preserve an animal’s life or prevent extreme suffering. Livestock exhibitors and any person affiliated with them hereby waive any claim related to emergency medical care and, to the fullest extent
permitted by law, livestock exhibitors and any person affiliated with them hereby agree to indemnify, defend and hold harmless the Du Quoin State Fair, Illinois Department of Agriculture, the State of Illinois, and respective agencies, affiliates, agents, officers, and employees from all claims and suits including court costs, attorney’s fees, and other expenses related to emergency medical care. If the following conditions have been met, the Du Quoin State Fair is expressly authorized to perform any medical treatment, including but not limited to medical practices/procedures, administering of medications, surgery, and euthanasia, for an animal in the absence of the livestock exhibitor:

A. The livestock exhibitor is unreachable after due diligence has been made to contact the exhibitor; and

B. The State Fair Veterinarian (or designee), Department Superintendent and General Livestock Superintendent jointly determine the animal’s health is in danger and delaying treatment would be detrimental to the animal’s life, or that the animal is in extreme pain.

13. Upon entry to the Du Quoin State Fairgrounds only the official State Fair Veterinarians (or designee) may administer any medications or treatments externally or internally to animals on the Fairgrounds.

Special Note: It is a violation if any medication or drug is administered to an animal without the supervision of the official State Fair Veterinarian.

14. Notification to the State Veterinarian shall be completed by the attending official veterinarian and signed by the exhibitor or their guardian. Within 2 hours of treatment, the official State Fair Veterinarian shall electronically report all performed treatments to the Illinois Department of Agriculture.

15. No animals can be unloaded that are nonambulatory (i.e. downer) or unable to walk off the vehicle under their own power. The exception to this policy will be unloading the animal for euthanizing and disposing of the animal. If an animal becomes nonambulatory after arrival at the Du Quoin State Fairgrounds, the following policy will be strictly enforced:

A. The owner shall immediately notify the Department Superintendent.

B. The Department Superintendent shall immediately notify the State Fair Veterinarian and General Livestock Superintendent about the animal in question and the evolving circumstances.

C. The official Du Quoin State Fair Veterinarian, Department Superintendent, General Livestock Superintendent, and owner (or representative) will consult to determine the best course of action with primary focus on the animal’s well-being. If euthanasia is determined to be the best option, this will be at the owner’s expense.

D. Livestock that becomes nonambulatory after arriving at the Du Quoin State Fairgrounds must be disposed of or removed for treatment within 12 hours of discovery or receiving notice of the animal’s condition. If the animal is treatable and the previously identified committee agrees, the owner must remove that animal from the Fairgrounds (at the owner’s expense) within the 12 hour period.

E. If an animal dies while at the Du Quoin State Fair, the animal’s owner(s) shall
immediately notify the Department Superintendent, who shall notify the State Veterinarian and General Livestock Superintendent. The animal shall be removed from the building or display area within 30 minutes. Fairgrounds staff will assist in loading the carcass into a vehicle for removal or to an appropriate holding area, but the animal’s owner(s) is responsible for removing the carcass from the fairgrounds. In all instances, the Department Superintendent and General Livestock Superintendent must be present to assist in coordinating the removal of the carcass.

F. The Illinois Department of Agriculture reserves the right to examine and/or test any animal that dies on the fairgrounds, including having a necropsy performed. If a necropsy is performed, the Department of Agriculture will bear the cost.

ETHICAL CARE AND FITTING OF ANIMALS

16. The Du Quoin State Fair provides a showcase for Illinois Agriculture, highlighting the highest quality livestock, commodities and products through fair, unbiased and educational competitive events. Therefore, livestock exhibitors are held to a high standard of stewardship, integrity and ethics in each and every aspect of the care and exhibiting of animals. By making entries in the Du Quoin State Fair, exhibitors certify they have read the contents of this section of the fair book and agree to abide by all applicable rules and guidelines associated with the ethical care and exhibiting of animals, including specific rules relating to the administration of drugs to animals. Failure to do so could result in immediate disqualification from entered events, loss of entry fees and other identified penalties.

A. When caring for and exhibiting animals, **ethics means**:
   1) Setting good examples.
   2) Doing the right things.
   3) Making ethical decisions.
   4) Being accountable for your decisions.

B. Specifically, **ethical care includes**:
   1) Knowing how to properly handle and treat your animals and acting accordingly.
   2) Observing your animals each and every day.
   3) Treating your animals humanely at all times.
   4) Providing safe and humane housing for your animals that protects them from the weather and any hazards that could result in injuries, pain or disease.
   5) Transporting your animals in a manner that will avoid unnecessary stress or chance of injury.
   6) Being gentle and patient with animals.
   7) Providing adequate amounts of good quality and wholesome food and water. This means feeding and watering animals daily, even on busy, difficult days.
   8) Keeping your animals, pens and stalls clean at all times.
   9) Protecting your animal’s health through implementing disease prevention
strategies, such as following proper vaccination protocols and quickly responding to any change in the health status of your animal.

10) Using and storing medications correctly and in accordance with label directions.

11) Providing veterinary care when needed to prevent suffering.

12) Helping others whenever possible.

C. Specifically, ethical exhibiting includes:

1) Making sure each animal’s records and entries are correct, including age, breed, weight and ownership papers.

2) Following the deadlines for entry and arrival at shows.

3) Being truthful in completing paperwork and entry forms and demonstrating honesty in working with other exhibitors and show staff.

4) Keeping the promises made by signing the Illinois State Fair Affidavit that…
   i. livestock exhibits have been cared for and maintained by the exhibitor and his or her immediate family,
   ii. exhibitors will follow the rules of the Illinois Humane Care for Animals Act, and
   iii. exhibitors will follow all fair rules on animal care, grooming and market eligibility.

5) Properly handling your animals when they are being exhibited.

6) Being courteous toward other exhibitors and adults working with the program.

7) Listening to and following the advice of advisors and leaders.

8) Dealing with anger and disagreements in a peaceful way.

9) Accepting the results of competition and being a good sport.

D. Ethical behavior does not include:

1) Striking, tormenting, overworking, starving or abusing animals in any manner.

2) Abandoning any animal where it may become a public charge or may suffer injury, hunger or exposure.

3) Using animal drugs illegally or not according to the label, as such action may potentially harm animals, make animal products unsafe for consumers and could result in criminal charges.

4) Turning in false paperwork about an animal’s age, breed, weight, ownership, identity, or more.

5) Taking credit for work you did not do.

6) Illegally changing the appearance of an animal.

7) Exhibiting deceitful, disrespectful or discourteous behavior toward other exhibitors or show staff.

ANNOUNCEMENTS

State Fair Administration and Oversight
By participating in the Du Quoin State Fair, all exhibitors agree to abide by the premium book and all statutes and administrative rules. The Illinois Department of Agriculture shall solely interpret and uphold these rules, in order to preserve the quality and standards of the Du Quoin State Fair and protect the safety, security, and well-being of State Fair exhibitors, visitors and exhibited animals. It is a privilege to exhibit at the Du Quoin State Fair and the Illinois Department of Agriculture reserves the right to disqualify and remove any animal and/or person.

While on the fairgrounds, livestock exhibits will be under the control of the General Livestock Superintendent and respective livestock department superintendent.

“Du Quoin State Fair” and “Illinois Department of Agriculture” may be used interchangeably throughout this premium book.

Junior Livestock Division Eligibility
Junior Livestock Division exhibitors must be at least eight (8) years old as of September 1, 2018 and not yet twenty-one (21) years of age by September 1, 2019. Proof of age may be required.

A Word to Parents, Leaders and Teachers
The Management of the Fair realizes the necessity of proper supervision of the activities of young people participating in the Junior Livestock Division. Those in charge of the activities of this department have been selected because of their experience in working with young people. However, parents and leaders should be aware of conditions on the Fairgrounds and make provisions for adequate care and supervision of exhibitors.

Truck and Livestock Trailer Parking
Trucks and livestock trailers must be parked in designated areas. No vehicle shall be parked in areas immediately around the livestock barns or the Exhibition Hall or next to the racetrack. Special Note: Vehicles parked in non-designated areas will be towed at owner’s expense.
Camper Parking
Campers must be parked in the campground area. There will be no campers parked around the livestock area.

Premises Registration Number Voluntary
Premises Registration is voluntary to exhibit livestock (beef, dairy, horses, swine, sheep, goats, poultry and rabbits) at the Illinois State Fair. Choosing to register your premises puts you on the frontline of controlling and preventing the spread of animal disease. A disease outbreak can’t be predicted but it can impact every segment of animal agriculture. Participation ensures that you have the information you need, when you need it most, to protect your animals and your investment. Registering a premise involves obtaining a seven-character alpha-numeric “identifier” for the farm, ranch, veterinary clinic or other site where livestock or fowl are handled, housed, managed or processed.

If an exhibitor wants to register their animals an application form can be found on-line at www.agr.state.il.us/premiseid. Exhibitors who register on-line will receive a premise registration number immediately. An application can also be obtained by calling (866) 299-9256. If completing application and returning by mail, it may take up to four (4) weeks to receive the number.

Filing a Protest
If another exhibitor or any member of the public has reason to believe that an animal should be disqualified, he/she must contact the appropriate Department Superintendent and/or State Fair officials and file a protest presenting his/her evidence in writing. Such protest and evidence must be filed after official check-in of the animal of protest or within forty-eight hours after the respective show. If, after reviewing the evidence, the State Fair disqualifies the animal and disqualified exhibitor requests an administrative hearing, the complaining person shall be required to testify under oath at the hearing and present his/her evidence. If the complaining person refuses to testify or cannot be found to be served with a subpoena, no disqualification will be made on the basis of that complaining person’s evidence.

GENERAL RULES

ENTRY RULES, FEES AND INFORMATION
1. No employee of the Du Quoin State Fair or member of his/her Immediate Family is allowed to own or exhibit any animals and/or articles in any competitive event in which he/she is employed as a judge or superintendent. (Immediate Family is defined as the spouse, children, step-children, parents or step-parents, brothers, sisters, step-brothers or step-sisters.)
2. By submitting a Du Quoin State Fair Entry Form, exhibitors agree to all terms and conditions in this premium book and all other laws including the Humane Care for Animals Act.
3. All Junior Livestock Division entries must be separately made on specie-specific Junior Livestock Division entry forms and all Open Livestock Division entries must be separately made on specie-specific Open Livestock Division entry forms. Entries made solely in the Junior Livestock Division or the Open Livestock Division do not fulfill the entry requirements for the other division. Entry forms may be secured through the State Fair Entry Department at (618) 542-1509 or (618) 542-1525 or at the State Fair website www.DuQuoinstatefair.net. **Entry forms should be mailed to the Du Quoin State Fair, Competitive Events, 655 Executive Drive, Du Quoin, IL 62832.**

4. Entry forms must be completely and legibly filled out with class numbers identified.

5. Only one (1) exhibitor should be submitted on any one (1) entry form; that is, a separate entry form must be used for each exhibitor. In all cases, an exhibitor is the owner of the animal as evidenced by the name on the registration paper and an exhibitor is limited to two (2) entries per class. Animals owned in partnership must be entered in all classes in the partnership name as it appears on the registration paper. If more than one (1) exhibitor is made on one (1) entry form, such entry will not be accepted.

6. Fitting Companies or persons making entries for other individual owners must list the name of the animal and the name of the person or partnership identified as the owner on the registration paper.

7. Group entries must be made on the Entry Form, must be from animals entered and shown in single classes, and must be the same owner as single entries unless otherwise stated in breed classification. Additionally, group entries are limited to one (1) entry per class per exhibitor. Further, partnership animals cannot be combined for group classes, including family partnership, unless otherwise stated in breed classification.

8. Entries must state the name and registration number of the animals to be exhibited; name, address and social security number of the owner (exhibitor); and name and address of breeder as it appears on the original registration paper issued by the respective national breed association.

9. Do not enter Champion Classes. First place class winners will automatically be entered in Champion Classes as a show progresses.

10. Gilt and Barrow ear notches and breed must appear on swine entry form to show.

11. All entries must be postmarked by August 9, 2019. Substitutions, in writing, may be made within the same class number of a Department until 4:00 pm August 17th, unless stated otherwise in specific specie rules.

12. Late entries will be accepted with an additional late fee of $50.00 per head through August 16, 2019. **Positively no entries will be accepted postmarked after August 16, 2019.** Ex. Junior Dairy Cattle Exhibitor ‘A’ enters an animal after the August 9 deadline and before the late entry deadline of August 16 and must pay the regular $10 per head entry fee and the additional $50 late fee for a total of $60.

13. Incomplete or faxed entries **will not** be allowed in the 2019 Du Quoin State Fair. The State Fair Management reserves the right to reject any entry.
14. Exhibits that have been erroneously entered may, at the discretion of the Department Superintendent, be transferred to or from a class and put into the proper class prior to judging. If classes have already been judged, those classes will not be re-opened and ineligible or late entries into the showing will be disqualified.

15. Each Livestock Exhibitor must purchase a $30.00 Exhibitor's Pass. Additional passes may be purchased for helpers, fitters, groomers, etc. for $30.00 each.

16. Entry fees for the 2018 Du Quoin State Fair are as follows:

   OPEN BEEF CATTLE SHOW ....................................................... $15.00 PER HEAD
   JUNIOR BEEF CATTLE SHOW .................................................. $10.00 PER HEAD
   OPEN DAIRY CATTLE SHOW .................................................... $15.00 PER HEAD
   JUNIOR DAIRY CATTLE SHOW ................................................ $10.00 PER HEAD
   DRAFT HORSE, DRAFT PONY AND MULE SHOWS .................. $15.00 PER HEAD
   JUNIOR SWINE SHOW ............................................................. $5.00 PER HEAD
   JUNIOR SHEEP SHOW ............................................................. $5.00 PER HEAD
   JUNIOR MEAT GOAT SHOW ..................................................... $5.00 PER HEAD
   OPEN DAIRY GOAT SHOW ..................................................... $10.00 PER HEAD
   JUNIOR DAIRY GOAT SHOW ................................................... $5.00 PER HEAD

17. Each Open Beef Show entry must include a $20.00 Bedding Fee per animal entered.
   Ex: Open Exhibitor ‘A’ enters five (5) head and must pay a $100 Bedding Fee.
   Each Junior Beef Show entry must include a single $20.00 Bedding Fee, regardless of the number of animals entered.
   Ex: Junior Exhibitor ‘B’ enters five (5) head and must pay a $20 Bedding Fee.
   If an exhibitor is showing the same five (5) head in both Open and Junior Shows, and pays the required $20 per head Open Show Bedding Fee of $100, they do not need to pay an additional Junior Show Bedding Fee of $20. If, however, the exhibitor is showing the same five (5) head in both Open and Junior Shows, pays the required $20 per head Open Show Fee of $100, and also enters a sixth animal as a Junior Show only entry, they must pay the additional $20 Junior Show Bedding Fee.

18. Payment for Entry Fees, Exhibitor's Passes, and Bedding Fees should be made in the form of a check payable to the Du Quoin State Fair and must be attached to all entry forms.
   Special Note: There will be no refunds of Entry Fees, Exhibitor Passes or Bedding Fees under any circumstances.

ANIMAL REGISTRATION AND OWNERSHIP

19. Original registration papers issued by respective national breed association will be required in all purebred classes. Certificates from breed association representatives will not be accepted in lieu of registration papers. For Open Show Division, registration must show ownership of the animals in the name of the exhibitor or partnership in which the exhibitor is a partner. For Junior Show Division, registration must show
ownership of the animals in the name of the exhibitor or ownership by immediate family members including the exhibitor with no partnerships allowed.

20. Original registration papers only must be available to the Department Superintendent at weigh-in/check-in and when checking ear markings, tattoos, or other identification. In extreme emergencies, a copy of the registration paper, when accompanied with a cover letter and faxed from the respective national breed association directly to the Du Quoin State Fair Entry Department, FAX (618) 542-1541, will be accepted. Exhibitors must have papers or faxed copy from the national breed association two (2) hours prior to the start of check-in or weigh-in. Litter papers for breeding swine will be accepted only if the pigs have individual registration numbers included on the litter papers; no exceptions.

21. The effective date of ownership must appear on the registration papers. In all cases, the required ownership date, transfer date included, for all animals exhibited at the Du Quoin State Fair is thirty (30) days prior to the opening day of the fair.

22. For purposes of distinguishing the breeder, the owner of the dam at the time of service shall be considered the breeder of the exhibited animal.

23. Double registered animals will be allowed entry in only one breed show.

ARRIVAL, PENNING/STALLING, CHECK-IN, SHOWING AND RELEASE OF ANIMALS

24. Time of arrival, showing and release of animals is identified in the previous Livestock Schedule and also printed in the specie sections. Any animals in barns prior to identified arrival times may be moved according to Superintendent’s instruction.

25. Incoming livestock exhibitors must enter the fairgrounds through Gate 3. Please note there is no turn around at Gate 3.

Special Note: Gate 3 closes from midnight to 7:00 am each day of the fair. All arrivals during this time should access the fairgrounds by using the Main Gate off Route 51.

26. All livestock exhibited must meet the Illinois Exhibition Animal Health Requirements of the Du Quoin State Fair as previously identified. Health papers must be stamped by the State Veterinarian or designee on the grounds and must be presented when obtaining exhibitor numbers at check-in.

27. All animals are to be penned and stalled in livestock barns unless expressly permitted by the Department Superintendent.

28. For the safety and benefit of exhibitors, visitors and animals, pens, stalls, aisles, and areas between the barns are to be kept clean, neat and free of manure, random equipment and clutter at all times. The State Fair Management has the right to take action as necessary to enforce this rule.

29. The State Fair Management encourages the displaying of farm exhibit signs. Such signs, if displayed, must not exceed six feet in length and three feet in width. No commercial product or service advertising, other than the home, farm, or breed of the entrant shall be allowed on stalls, pens, hurdles, or in the show arena. Decorative lights and painting of any portion of State Fair facilities are prohibited.

30. All stock exhibited in breeding classes must be in breeding condition. All male animals
shown in any breeding class must be entire and no animals shall be shown which are affected with any chronic disease, deformity or serious imperfection.

31. In most Departments, exhibitors will be furnished ring cards showing the exhibitor number which must be worn in the show ring when animals are shown. Exhibitor numbers are to be secured from the Superintendent of the Department at the designated time of check-in. To secure ring cards at check-in, each exhibitor must present:
   A. Health Certificate of Veterinary Inspection approved by the State Veterinarian and showing animals comply with Illinois Exhibition Animal Health Requirements.
   B. Certificate of eligibility or certificate of registry, signed by the Secretary of the National Breed Association, indicating the animal exhibited is purebred and giving registry numbers of the sire and dam for all purebred classes.

32. Market class breaks will be made at the sole discretion of the Department Superintendent. Further, the Department Superintendent shall have complete discretion in determining specific breed division and assignments to allow for efficient show management, including the addition of an AOB class. If there are not at least four (4) different exhibitors and sixteen (16) animals in any given livestock breed, the breed show may be eliminated, with those animals assigned to show in an AOB class.

33. The Du Quoin State Fair reserves the right to cancel any class where there are less than four (4) entries which are the property of different owners. The State Fair also reserves the right to combine or divide any class or classes should the best interests of the show warrant such.

34. When any breed of livestock drops below four (4) different exhibitors and sixteen (16) animals, the State Fair Management has the authority, at its sole discretion, to eliminate the breed show classification for the following year(s). In such cases and in order to regain the breed classification for future fairs, the exhibitors/Breed Association must present satisfactory evidence to the state fair management that they will have a show of the required number and quality in keeping with state fair standards.

35. Exhibitors/Breed Associations wishing to add new, previously un-designated breeds, to the standard departmental shows at the Du Quoin State Fair may be provided the opportunity to exhibit club or breed association shows as separate events at the fair, providing the Department Superintendent and General Livestock Superintendent are supportive and it is determined that such exhibitions can be accommodated in the facilities and schedule of the State Fair. In order for a new, previously un-designated breed to be added to standard departmental shows, it must be demonstrated, through club or breed show exhibitions at the State Fair, the new breed can offer and sustain minimum required numbers of exhibitors and animals for future fairs.

36. Junior Division exhibitors must personally care for their animals or exhibit during the entire fair and must assume responsibility for having their animals available at the time of Junior Division judging.

37. All Junior Division animals must be exhibited in the show/judging rings by the owners unless exempted in advance by the Department Superintendent due to an identified,
eligible conflict. In order for an exemption to be considered, a letter of request must be provided to the Department Superintendent no later than the time of animal check-in. The request must name the person, who must be a current exhibitor in the same Junior Livestock Show, who will show the animal(s).

38. If a Junior Division exhibitor shows two (2) entries in a given class, becomes ill or injured while at the fair in a manner that would preclude exhibiting, or is exhibiting two (2) species in the Junior Division showing at the same time, thereby creating a conflict, he/she may secure the aid of another Junior Livestock Division exhibitor in showing his/her animals, providing permission is received from the Department Superintendent.

39. Animals shown in Junior Division Showmanship Classes, regardless of the Livestock Department, must 1) be owned by the exhibitor in accordance with the prescribed ownership rules of the Du Quoin State Fair Junior Livestock Division, and 2) have been or will be shown in a specific market or breeding stock class by the exhibitor in the Du Quoin State Fair Junior Livestock Division. Further, if an exhibitor wins a showmanship class leading to a championship competition, the animal shown in the championship competition must be the same animal that was shown in the original showmanship class.

40. Animals should not be decorated or adorned with any unnecessary trappings during showing in the ring before the evaluating judge.

41. If it is ascertained that any exhibitor or spectator attempts to interfere with the judge in the performance of his/her duty in any manner, or refuses to accept the awards made, that exhibitor shall be disqualified from further competition and forfeit any premium and ribbon already awarded.

42. Animals will be released in accordance with the schedules listed for a given Livestock Department. In all instances, exhibitors must obtain a signed release form from an authorized Superintendent and have the approved release form available for inspection by security at fair gates.

43. Animals may be released prior to the published release dates and times if, at the discretion of the Department Superintendent, an early release is warranted to preserve and protect the health and welfare of animals and exhibitors.

44. Understanding that the Illinois State Fair provides a showcase for the Illinois Livestock Industry and an opportunity for exhibitors and visitors alike to view the best livestock Illinois has to offer and learn more about responsible animal husbandry and its significance in quality food production, it is important for animals to remain at the fair for the prescribed exposition period. Exhibitors who remove their animals prior to the published release dates and times may be subject to forfeiture of all placings, awards and premiums.

ADDITIONAL EXPECTATIONS
45. When dogs are in or around the Livestock Barns and showrings, they must be on a leash.

46. Due to limited storage space in and around livestock buildings on the fairgrounds,
exhibitors will only be allowed to bring a reasonable amount of feed and bedding with them.

47. As a service to Beef Exhibitors, the Du Quoin State Fair contracts with a reputable entity to supply bedding for beef cattle. Beef cattle stalls will be pre-bedded and exhibitors must pay the appropriate Bedding Fee directly to the Du Quoin State Fair along with entries. Refer to Rule 17 above.

48. Equipment left on the fairgrounds over thirty (30) days after the closing date of the State Fair is subject to removal at the discretion of the State Fair Management.

49. Care will be exercised to prevent accident or damage of any kind to people, animals or property, but the State Fair Management will not assume any liability for such.

AWARDS AND PREMIUMS

50. Awards will be made by the single judge system, unless in the judgement of the Department Superintendent more judges are needed. Judges will report to the Department Superintendent at the respective office by 8:00 am on the day fixed for awarding placings on the classes he/she is to judge. No person will act as judge in any class in which he/she may be an interested exhibitor, agent or employee of an exhibitor, or otherwise invested. If such circumstances are discovered by the Department Superintendent, the Superintendent may remove such judge and substitute another temporarily. In case an officially appointed judge is not present, the Department Superintendent has the privilege and authority to appoint a capable judge, providing he/she is not a State Fair Official or an exhibitor in the show or breed he/she will be judging.

51. No animal deemed unworthy will be allowed into a class for judging or awarded a premium.

52. Objections to any person serving as a judge must be submitted to the Department Superintendent in writing, providing good and sufficient reasons, prior to the judge in question making any award in a given show. In all cases, the State Fair Management, in consultation with the General Livestock Superintendent, shall have full power and authority to act.

53. The Superintendent of each Livestock Department shall instruct the Clerk to check the entries, as shown in the Entry Book, with the exhibits present and mark the Entry Books to show what animals were shown and passed upon by the Judge. The Department Superintendent will see to it the Entry Books, recorded properly with placings, awards and premiums and properly signed and certified by the appointed Judge and Clerk, and then known as the Judge’s Books are returned as soon as a show is completed. Payment of premiums can only be authorized upon entries and associated placings and awards contained within the completed, returned and certified Judge’s Books.

54. Judge’s Books only will be used as evidence for payment of premiums. Ribbons/rosettes will not serve as evidence. Judge’s Books will be supported by completed and certified Judge’s Cards and Department Superintendent records completed in the showring at the time of judging.
55. Premiums will be paid as rapidly as possible after the last day of the State Fair.
56. Errors in premium statements will be corrected until November 1 following the fair, after which time the books will be closed and incorrect premiums forfeited.
57. In all Livestock Departments, exhibitors are limited to two premiums in single classes and one premium in group classes, in both Junior and Open Shows.
58. All special premiums and/or awards will be paid or presented by designated associations or donors offering the same and the State Fair is in no way responsible for the payment or extension of such special prizes.
59. No premium will be awarded to any animal or group of animals for the purpose of advertising any commodity.
60. The Department of Agriculture shall use its best efforts to secure sufficient appropriations to fund premiums. In any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such premiums, premium amounts may not be accurately reflected in the Livestock Premium Book.
61. Ribbons and trophies will be presented to exhibitors at the time of judging and the State Fair will not be responsible for loss or the issuing of replacements.
62. Champion classes are limited to first place animals, except reserve champions where the second place animal from the class in which the champion was selected may compete.

DEPARTMENT RULES

1. Each exhibitor must comply with the Illinois Exhibition Health Requirements; Animal Care, Drug, Testing and Welfare Policies; and General Rules of the Livestock Division as previously stated.
2. Purebred animals must be recorded in their respective National Breed Book as evidenced by official registration papers or certificate of registration. Certificates
from breed association representatives will not be accepted in lieu of registration
tapes and no copies of registration or stamped duplicate of official registration will
be accepted.
3. The effective date of ownership must appear on the registration papers. In all cases,
the required ownership date, transfer date included, for all animals exhibited at the Du
Quoin State Fair is thirty (30) days prior to the opening day of the fair.
4. Registered Steers must have a fully healed tattoo that matches the tattoo number on
the certificate of registration.
5. Exhibitors are responsible for having his/her animal’s ears clean, knowing where the
tattoo is and knowing it can be read by officials at time of entry processing.
6. Only one (1) hanging fan per every three (3) animals will be permitted in the Livestock
Barn. No fans will be allowed in walk ways and no butt fans, misters, swamp blasters,
air conditioning units or cooling systems of any kind will be allowed. Generators and
electrical fans or equipment of any kind are not allowed in the tie-outs. Any exhibitor’s
stalls or tie-outs found with any of the above will be immediately disqualified from
exhibiting.
7. The use of “sides” or awnings on tents used for grooming animals is prohibited.
8. The Beef Department will be governed by rules and specifications set forth by the
National Breed Associations, unless otherwise specified. The Superintendent will
make decisions concerning interpretation of such rules and regulations and, along
with the General Livestock Superintendent, shall have full authority regarding show
eligibility.
9. Any class of breeding animals with twenty (20) or more head will be divided by
birthdates into two (2) distinct premium eligible classes.
10. Open substitution of animals will be allowed through the time of check-in.
11. The following grooming rules will be strictly enforced and exhibitors found in violation
of these rules, either prior to entering the ring or while in the ring, will be immediately
removed from the show.
   A. Dying or artificially changing the color of an animal is prohibited. Coloring agents
   may only be used up to the hock (knee). Powders are not allowed on any part of
   the animal. Animals may be given a white towel test as they enter the showring.
   B. Cattle are to be shown in their natural conformation. The use of false tail heads
   is prohibited, as is the addition of hair, hemp, or any similar substance to any part
   of an animal.
   C. Tail ties are prohibited, as are spiked show halter leads for breeding stock or
   steers.
   D. Excess adhesive on the legs beyond what is needed to groom the animal’s hair
   is prohibited.
   E. No aerosols will be permitted in the make-up area. Any aerosol cans in the
   make-up area, will be confiscated by Department Staff.
12. Any animal displaying repeated unruly behavior will be dismissed from the class at
the discretion of the Superintendent.
13. Exhibitors taking animals to tie outs must wait until 7:00 pm. Owners must provide all
water pails and wheelbarrows.
14. Upon decision of the Beef Cattle Superintendent, an award will be given to the Premiere Herdsman in each beef cattle breed. Herdsman Awards will be based upon entry preparedness, cleanliness of animals, promptness to the showring, showmanship and courtesy to other exhibitors and fair patrons.

15. Do not enter Championship Classes.

SPECIFIC RULES FOR STEERS

16. Steers may be purebred or crossbred.

17. Each exhibitor may exhibit a total of four (4) steers.

18. Steers must weigh 900 pounds or more to be eligible to show.

19. Steers will be shown by weight classes within each breed. Animals will be placed into weight divisions and classes based upon weights taken at check-in. All class breaks will be at the discretion of the Superintendent. Exhibitors must check posted class assignments and be at the showring with his/her animal when the assigned class is called.

20. All steers, regardless of birth date, must have all milk teeth in place.

21. Exhibitors should pick-up a check-in card from the fair office upon arrival at the fairgrounds. A fully completed and legibly written check-in card, and, if applicable, registration certificate should be brought with them at the time of processing and check-in.

22. Steers will be mouthed and tattoos checked.

23. Additional eligibility requirements to show in the various breed steer shows are listed under specific breed rules.

24. Breeds will be shown in the order posted by the Superintendent. Watch and listen for announcements.

SPECIFIC BREED RULES

Angus

25. Eligibility requirement to show is Purebred with an American Angus Association registration certificate. Angus registration paper will indicate effective date of ownership. Land of Lincoln certificates are not needed and will not qualify a steer to show with the Angus.

26. Steers must be free of horns or scurs. Scurs are defined as any portion of horny tissue attached to the skin of hornet of a polled animal.

27. Steers with white skin above the underline or on leg, foot or tail shall not be eligible for registration and will be barred from competition.

28. All entries are subject to DNA marker or blood typing for parentage verification at the discretion of American Angus Association.

29. Individual classes of both sexes will be divided by an appointed committee as nearly equal as possible with no more than twenty-six (26) classes. Variation of division of numbers per class will be dependent upon age differential. The appointed committee will make official division of classes no later than twenty-four (24) hours after official stalling deadline and not before twelve (12) hours after stalling deadline.
30. For an exhibitor to be eligible for premium monies contributed by the American Angus Association, exhibitors are subject to the Association Rules as found in the breeder Reference Guide of the Association. These rules are found in Part 2: Association Rules. The rules relating directly with the exhibition of Angus Cattle are Part 2: Association Rules; Rule 800 Series; including Rule 800-810. The rules can be found at www.angus.org.

31. Authorized representatives of the American Angus Association have the authority to enforce the rules set forth herein, as well as in the Association Rules, including the barring of registered animal from a livestock show at which it is to be shown if there are reasonable grounds to believe a violation has occurred.

**Hereford**

32. All steers showing at the Du Quoin State Fair must be registered by the American Hereford Association (AHA) and out of a registered sire and dam. No steer certificates will be accepted, only registration papers. Hereford registration papers will indicate effective date of ownership.

33. Exhibitors in Hereford classes are subject to the Association’s special rule on class qualification, and any animal without a legible tattoo will not be eligible for show.

34. Individual classes of both sexes will be divided by an appointed committee as nearly equal as possible with no more than twenty-six (26) classes. Variation of division of numbers per class will be dependent upon age differential. The appointed committee will make official division of classes no later than twenty-four (24) hours after official stalling deadline and not before twelve (12) hours after stalling deadline.

35. All steers **must** have a basic DNA test on file at the AHA. Exhibitors should contact the AHA customer service department by calling 816-842-3757 or by email at records@hereford.org to request a DNA kit for their steer. Exhibitor must be a member of the AHA or NJHA to request a basic DNA test which includes genetic profile, genetic abnormalities and parent verification, if parent DNA is on file. At the time of check-in, exhibitors will be required to present a registration paper and letter from the AHA stating their steer’s basic test DNA profile is on file. Further, all Hereford steers entered for exhibition are subject to additional DNA testing at the discretion of the Illinois Hereford Association.

36. All animals exhibited are subject to DNA profile test to verify breed purity and accuracy of the recorded parentage. Rules detailing DNA profiling of Hereford animals can be found in the AHA Rules and Regulations Handbook at www.hereford.org.

**Shorthorn**

37. Eligibility requirement to show is 15/16 and higher as verified by an American Shorthorn Association (ASA) registration certificate. An ASA registration certificate will indicate effective date of ownership.

38. Multiple owned animals must be exhibited in the name of all owners.

39. All Shorthorns and Polled Shorthorns are subject to a tattoo inspection by representatives of the ASA. All Shorthorns and Polled Shorthorns are also subject to an age inspection if deemed necessary by the ASA and the decision of the examining veterinarian is final.
40. Individual classes of both sexes will be divided by an appointed committee as nearly equal as possible with no more than twenty-six (26) classes. Variation of division of numbers per class will be dependent upon age differential. The appointed committee will make official division of classes no later than twenty (20) hours after official stalling deadline and not before twelve (12) hours after stalling deadline.

Charolais

41. Eligibility requirement to show is purebred as verified by an American-International Charolais Association (AICA) registration certificate. An AICA registration certificate will indicate effective date of ownership. An animal is eligible to enter or compete in an open Charolais breeding class if registered in country of origin outside the United States and is eligible for purebred registry in the AICA Herd Book.

42. Animals registered in the AICA Colored Division Registry (QF and QM initialed registration numbers) must meet the parameters of the AICA Color Card.

43. Animals to be eligible may be approved by a sifting committee designated by AICA.

44. Any animal not having a legible tattoo or firebrand number is ineligible and will be barred from showing.

45. Junior and Senior Bulls must have a valid, satisfactory semen test certificate in possession. This certificate is valid for the entire show season.

46. All animals are subject to a medical examination in order to determine age, and each animal will be present in the show ring in its natural conformation without alteration or modification.

47. AICA requires that all animals be shown with a halter and suggest that all bulls be shown with a nose lead.

48. All exhibits of Charolais Breeding Cattle shall be governed by the AICA Rules and Regulations, Article XV, Exhibitions of Animals. The inspection of exhibit cattle is specified in Article XV, Paragraph C, and consequence of non-compliance of exhibit inspection is specified in Paragraph D of the same article.

Simmental

49. Eligibility requirement to show for females and bulls is purebred as verified by an official American Simmental Association (ASA) registration certificate. Eligibility requirement for steers to show is 1/2 or higher as verified by an ASA registration certificate. Commercial percent shall not be included as part of Simmental classification percentage. Simmental registration certificate will indicate effective date of ownership.

50. Calves born in 2018 must have a registration paper to verify them.

51. Any animal not having a legible tattoo is ineligible to compete and will be barred from showing.

52. Individual classes of both sexes will be divided by an appointed committee as nearly equal as possible with no more than twenty-six (26) classes.

Low Percent Simmentals

53. Eligibility requirements for females and bulls to show is 1/2 SM to 3/4 SM and a recorded registration certificate with the American Simmental Association (ASA).
54. Calves born in 2018 must have a registration paper to verify them.
55. Any animal not having a legible tattoo is ineligible to compete and will be barred from showing.
56. Individual classes of both sexes will be divided by an appointed committee as nearly equal as possible with no more than twenty-six (26) classes.

**Limousin and Limousine Flex**
57. All animals must be registered with the North American Limousin Foundation (NALF). Any animal over thirty (30) days of age, including calves to be shown at side of dam, must have proof of a registration certificate and be recorded with the NALF. For ET calves, parentage verification paperwork must be in the NALF system. All animals must be 75% (NALF Percentage, not actual), or greater, as indicated on orange NALF registration certificate or purple-papered Lim-Flex Cattle as indicated by NALF registration certificate. Percentage, full blood, Purebred and Lim-Flex shall compete in same classes and championships.
58. Any animal not having a legible tattoo is ineligible to compete and will be barred from showing.
59. Individual classes of both sexes will be divided by an appointed committee as nearly equal as possible with no more than twenty (20) classes. No class shall contain more than twenty (20) head or have an age spread of more than sixty (60) days unless the animals are over two (2) years old.
60. All bulls over one (1) year of age must show with a nose-lead.
61. Calves exhibited alongside dams in the cow/calf division are eligible to show as individuals as long as the calf is registered and qualifies as determined by purple registration papers from NALF. All animals shown must be solid red or black above the flanks, excluding birth marks.

**Maine Anjou and Mainetainer**
62. All animals must be registered in the American Maine Anjou Association (AMAA) as verified by an official AMAA registration certificate. All Maine Anjou females and bulls must be 75% or greater. Mainetainer females and bulls must be one quarter or greater.
63. Any animal not having a legible tattoo is ineligible to compete and will be barred from showing.
64. Animals over seven (7) months of age must be dehorned.
65. Heifers exhibited at twenty (20) months of age or older must be accompanied by a certificate of pregnancy. For heifers used in embryo transfer, a certificate of positive fertility issued by a licensed veterinarian must be available for inspection.
66. Bulls exhibited at fourteen (14) months of age or older must have had a positive semen test and a certificate to that effect must be available for inspection.
67. Individual classes of both sexes will be divided by an appointed committee as nearly equal as possible with no more than twenty (20) classes. Variation of division of numbers per class will be dependent upon age differential. The appointed committee will make official division of classes no later than twenty (20) hours after official stalling deadline and not before twelve (12) hours after stalling deadline.
68. All bulls twenty (20) months of age and older must show with a nose-lead.
69. Any and all cattle shall be available to have hair pulled for parentage verification, detection of foreign substances, or the presence of alterations. If recorded parent is excluded as a result of blood typing the owner may, at his expense, request the AMAA determine actual parentage. Failure to determine parentage will result in disqualification of that animal from the AMAA herd book.

SPECIFIC RULES FOR SHOWMANSHIP

70. Exhibitors must show their own animal in the showmanship competition and animals shown must be entered in the current Du Quoin State Fair Junior Beef Show.
71. Showmanship participants must meet requirements outlined in the Department Rules and Specific Rules for Steers.
72. There will be approximately (6) Showmanship Divisions. The number of participants in each Division will be established by dividing the total number of registered participants by six (6) to establish roughly equal numbers of participants in each Division. Divisions will be determined at the discretion of the Superintendent whose decision shall be final.
73. Divisions will be posted immediately preceding the Showmanship competition
74. Showmen in all Divisions will lead a clean, un-groomed and clipped animal. There should be no tail balling, glue on legs, etc. Judging will be based on:
   A. Showing of the animal;
   B. Knowledge of the project; and
   C. Personal appearance.

SPECIAL DEFINITIONS AND RECOGNITIONS

EXHIBITOR DEFINITION IN CERTAIN CLASSES: In individual classes, the exhibitor is defined as the person whose name appears on the registration paper as the owner. In group classes where the herd is one (1) unit with animals registered in the names of different members of a family residing on one (1) farm, entries may be made under the name of a single exhibitor.

PAIR OF FEMALES: Group consists of two (2) female animals of any age bred and owned or co-owned by breeder/exhibitor. Animals must be shown in individual classes.

PAIR OF BULLS: Group consists of two (2) bulls of any age bred and owned or co-owned by breeder/exhibitor. Animals must be shown in individual classes.

JUNIOR GET OF SIRE: Group to consist of three (3) animals by one (1) sire with both sexes represented. Animals must be shown in individual classes.

BREEDERS HERD OF FOUR: Group to consist of four (4) animals, with both sexes represented, owned or co-owned by breeder/exhibitor. Animals must be shown in individual classes.
PREMIERE HERDSMAN AWARD: Upon decision of the Beef Cattle Superintendent, an award will be given by the Du Quoin State Fair to the Premiere Herdsman in each breed.

**DEPARTMENT RULES**

1. Each exhibitor must comply with the Illinois Exhibition Health Requirements; Animal Care, Drug, Testing and Welfare Policies; and General Rules of the Livestock Division as previously stated.

2. Purebred animals must be recorded in their respective National Breed Book as evidenced by official registration papers or certificate of registration. Certificates from breed association representatives will not be accepted in lieu of registration papers and no copies of registration or stamped duplicate of official registration will be accepted.

3. The effective date of ownership must appear on the registration papers. In all cases, the required ownership date, transfer date included, for all animals exhibited at the Du Quoin State Fair is thirty (30) days prior to the opening day of the fair.

4. Exhibitors are allowed open substitution across class numbers in the dairy show.

5. Entries in Junior Heifer Calf classes, in all breeds, must be at least four (4) months of age on show day.

6. Entries in the cow classes may or may not be in milk; however, all animals in milk must show in cow classes.

7. Only one entry will be allowed per exhibitor in Group Classes and each individual animal must have been shown in their respective classes. Further, animals in the Best Two Females, Dam and Daughter and Best Three Head classes may be of any age and all must be bred and owned by one exhibitor.

8. Bedding must be furnished by the exhibitor.
9. The Du Quoin State Fair has made arrangements for milk produced during the fair to be sold. Exhibitors will be responsible for supplying and cleaning their own milk cans. The fair will provide assistance hauling the milk from each end of the barn to the Milk House. In order to maintain these services, it is imperative exhibitors ensure the co-mingled milk is quality, antibiotic free milk. The success of the endeavor and continuation of the program is dependent upon exhibitor cooperation.

10. Upon decision of the Dairy Cattle Superintendent, an award will be given to the Premiere Herdsman in each dairy cattle breed. Herdsman Awards will be based upon entry preparedness, cleanliness of animals, promptness to the showring, showmanship and courtesy to other exhibitors and fair patrons.

11. Do not enter Championship Classes.

SPECIAL DEFINITIONS AND RECOGNITIONS

EXHIBITOR DEFINITION IN CERTAIN CLASSES: In individual classes, the exhibitor is defined as the person whose name appears on the registration paper as the owner. In group classes where the herd is one (1) unit with animals registered in the names of different members of a family residing on one (1) farm, entries may be made under the name of a single exhibitor.

PAIR OF FEMALES: Group consists of two (2) female animals of any age bred and owned or co-owned by breeder/exhibitor. Animals must be shown in individual classes.

DAM AND DAUGHTER: Both females must be entered and shown in respective classes. Animals may be owned by more than one (1) exhibitor.

BEST THREE HEAD: Any age, all three (3) bred and owned by one exhibitor/farm.

PREMIERE HERDSMAN AWARD: Upon decision of the Dairy Cattle Superintendent, an award will be given by the Du Quoin State Fair to the Premiere Herdsman in each breed.

SPECIAL AWARDS

Junior Show Division

CHAMPIONSHIP PREMIUM AWARDS: The exhibitor of the Champion Heifer and Grand Champion Female of each breed will receive an additional premium award of $60.00.

OVERALL SHOWMANSHIP CHAMPION: The Champion Showman of each breed will compete for Overall Showmanship Champion (Frank Bigham Memorial Showmanship Award) of the 2019 Du Quoin State Fair Junior Dairy Show on Sunday, August 25, 2019.

SUPREME CHAMPION FEMALE: The Grand Champion Female of each breed will compete for Supreme Champion Dairy Cattle Female on Sunday, August 25, 2019. Through a generous contribution of BUY-A-FARM, the Du Quoin State Fair will award a
$500.00 additional monetary award to the exhibitor of the Supreme Champion Female of the 2019 Du Quoin State Fair Junior Dairy Cattle Show.

**CHAMPION PAIR OF FEMALES:** The first place Pair of Females of each breed will compete for Champion Pair of Females. Through a generous contribution of BUY-A-FARM, the Du Quoin State Fair will award a $250.00 additional monetary award to the exhibitor of the Champion Pair of Females of the 2019 Du Quoin State Fair Junior Dairy Cattle Show.

**Open Show Division**

**CHAMPIONSHIP PREMIUM AWARDS:** The exhibitor of the Champion Heifer and Grand Champion Female of each breed will receive an additional premium award of $60.00.

DEPARTMENT RULES

1. Each exhibitor must comply with the Illinois Exhibition Health Requirements; Animal Care, Drug, Testing and Welfare Policies; and General Rules of the Livestock Division as previously stated.

2. The ages of animals will be reckoned from January 1. All foals will be considered as one (1) year old on January 1 of year succeeding birth.

3. In all cases, pedigrees of horses must be traceable to the American or Foreign Stud Book for the particular breed in which the animal is registered. All applications for entry of horses or animals of record must be accompanied by the name of the breeder and the name and registration number of the sire and dam of the exhibited animal.

4. All Haflinger entries must be registered with a Haflinger Association. Further, in registered Haflinger classes, height limit will be determined by eligibility.

5. Ponies may only show in one (1) division.

6. Animals owned in partnership must be entered in all classes in the partnership name as it appears on the registration papers.

7. Copies of registration papers may accompany entry forms except for geldings and current year foals. Registration papers will be checked at the time of check-in.

8. In individual classes the exhibitor is defined as the person whose name appears on the registration paper as the owner. In group classes, where the herd is one (1) unit with animals registered in the name of different members of one (1) family residing on one (1) farm, entries may be made under the name of a single exhibitor.

9. Exhibitors may enter only one (1) entry in a group class. In Produce of Dam and Get-of-Sire classes, animals do not need to be owned by one (1) exhibitor. Further, geldings can be used in Produce of Dam and Get-of-Sire classes.

10. Animals shown in group classes must be entered and shown in individual classes.

11. Exhibitors are limited to two (2) premiums in single classes and one (1) premium in group classes. Further, no premiums will be awarded to any animal or group of animals unless shown in the ring for judging.

12. Substitution may be made within the same class up to the time of check-in.

13. Any breed is allowed to show in the Hitch classes, unless designated for a specific breed. Mares, geldings or stallions may show in hitches. All horses and ponies must be decorated in the hitch classes with manes rolled and tails tied.

14. Men’s and ladies’ cart horse/pony must be a different animal. Youth drivers must have a competent adult on the seat.

15. Horse Mules can show with Mare Mules in pair classes.

16. Exhibitors and grooms must be properly attired in show ring; no blue jeans, shorts or T-shirts will be allowed.

17. Youth drivers competing in Youth Driving classes are not eligible for Adult Driving.

18. Only animals being judged will be allowed in the Show Arena.

19. When on exhibition in the Show Arena, each animal must be under bridle or halter and under the control of owner or employee who shall display ring cards to correspond with number in the official program. Any animal that is not being properly controlled by handler or driver will be immediately excused from the showring.
20. Animals cannot be tied outside of stalls and left unattended.
21. Stall areas are to be kept clean and neat. Decorating is encouraged.
22. Barn aisles will only be closed to the public when horses are being prepared for show in the aisles before and during show sessions.
23. Do not enter Championship Classes.

SPECIAL AWARDS

CHAMPION MARE MULE AND HORSE MULE AND PAIR OF MULES: An additional premium award of $65 will be paid by the Du Quoin State Fair to the exhibitor of each of Champion Mare Mule, Champion Horse Mule and Champion Pair of Mules of the 2019 Du Quoin State Fair.

DEPARTMENT RULES

1. Each exhibitor must comply with the Illinois Exhibition Health Requirements; Animal Care, Drug, Testing and Welfare Policies; and General Rules of the Livestock Division as previously stated.

2. All swine must be farrowed January 1, 2019 or after.

3. Each exhibitor will be allowed two entries per immediate family, firm or corporation in the weight classes. All entries must be made in the name of the actual owner(s). Animals must be the property of the exhibitor at time of entry. Firms or partnerships entering animals must have been in existence at least thirty days prior to the opening of the show and in all cases must be bona fide.

4. Exhibitors are allowed open substitution of animals in the Junior Swine Show.

5. Upon arrival to the fairgrounds, exhibitors must report to the Superintendent’s Office to pick up official entry cards which are to be completed and accompany the animal to the scales.

6. Purebred animals must be recorded in their respective National Breed Book as evidenced by official registration papers or certificate of registration. Certificates from breed association representatives will not be accepted in lieu of registration papers and no copies of registration or stamped duplicate of official registration will be accepted.

7. Ear notch and breed must be on entry form in order for the animal to show. Ear notches will be inspected to determine if they agree with those recorded on the registration papers of the animals exhibited.

8. Ear notches will be inspected to determine if they agree with those recorded on the registration papers of the animals exhibited.

9. The effective date of ownership must appear on the registration papers. In all cases, the required ownership date, transfer date included, for all animals exhibited at the Du Quoin State Fair is thirty (30) days prior to the opening day of the fair.

10. The effective date of ownership must appear on the registration papers. In all cases, the required ownership date, transfer date included, for all animals exhibited at the Du Quoin State Fair is thirty (30) days prior to the opening day of the fair.

11. Exhibitors should enter the appropriate breed class for barrows and gilts and also indicate the total number of barrows and gilts to be shown.

12. Exhibitors are allowed open substitution across class numbers in the swine show through check-in.

13. Barrows and commercial gilts will be shown by weight classes. Animals will be placed into weight divisions and classes based upon weights taken at weigh-in. All class breaks will be at the discretion of the Superintendent. Exhibitors must check posted
class assignments and be at the showring with his/her animal when the assigned class is called.

14. Barrows may be paint-branded for ease of identification in the showring.

15. Exhibitors must complete and submit an entry card, available from the Superintendent at the State Fair, for each animal to be shown. The cards must be completely filled out and legibly written providing the exhibitor’s full name and address and the breed, class, ear notch, and registration number as appropriate. Completed entry cards must be available at the time of weigh-in. Registration papers will be checked against entry cards and returned to exhibitors.

16. Only exhibitors showing animals (not more than one per animal) and officials of the Du Quoin State Fair will be permitted in the showring during swine judging.

17. Bedding must be furnished by the exhibitor.

18. No washing of swine in the barns. Animals must be washed in the designated area only.

19. All pens and aisles are to be cleaned each day before 8:00 am.

20. Do not enter Championship Classes.
