General Information

Applications:

Please complete and return the enclosed application by June 1, 2020, along with your insurance. Payment will be made at a later date. Entering large numbers of contracts close to the fair becomes challenging for the staff. Additionally, signed contracts must be in and signed, mailed to Springfield, and return to Du Quoin prior to the start of the fair.

Contracts:

Contracts are separate from the attached application. Vendors complete the applications first. Once the Space Rental office receives the application, it is entered into the database that generates the contract. The amount on the contract will reflect payment due. The contract must be returned to our office.

Renewal and New Applicants:

Past concessionaires and exhibitors are given the first opportunity to renew, given satisfactory performance in the past, or a long-term vendor of the space was out sick in 2019.

Americans with Disabilities:

By signing the concession/exhibitor/sponsor contract your signature signifies that you agree that it is your responsibility to assure the Du Quoin State Fair Management that your activity during the fair complies with the Americans with Disability Act. You may not pass on any expenses incurred to meet the requirement with this Act. Any questions you may have concerning the Act can be answered by going online to the ADA website.

Arrival at the Fairgrounds:

Vendors **MUST** report to the Space Rental office upon arrival. Do not pull your equipment onto the grass until your movement is guided by a Fairgrounds' staff member. When you arrive, go to the Space Rental office in the Grandstand to pick up your vendor packet. The office will have staff to guide you into your space and will call the electrician once you are in place.

Post Space Contract Number:

Inside your packet is a bright colored space rental card. This card must be posted in a visible location for the duration of the fair. State Auditors are on the grounds throughout the fair to insure compliance.

Days and Hours of Operation:

Concessionaires and exhibitors **MUST** be open for business during the **ENTIRE FAIR DATES AND TIMES**. Times will be determined before the 2020 fair.

Vendor Equipment, Space Appearance, and Pictures:

The Du Quoin Fair has not received pictures of equipment from our long-time vendors. Pictures are **REQUIRED** for 2020. There will be no exceptions. Please write the name of your company on the back of each picture. Trailers and tables must be skirted, clean, attractive, and professional. Vendors with tables as their sign-in or work space **MUST** also be skirted. Supplies and trash under non-skirted tables are **NOT** acceptable.

LP Tanks and Drink Canisters:

They must have hoses long enough so that the canisters can be stored in the back of the stand.

Five (5) Foot Rule:

All trailers, tables, display extensions, display bins, racks, or boxes must be at least 5 feet from the curb. Please bring a ruler to assure the 5-foot rule is met. Fairgrounds' staff will require you to dismantle and move back to the 5 feet at any time that the vendor is not compliant. Not compliant vendors will void their contract and may be asked to leave the premises.

Equipment Measurement, Space Needed:

Measure your equipment and space needed accurately. Trailer measurement **MUST** include tongue length if it uses front footage. Tents must include the footage needed for tie downs for both sides. In accurate measurement have taken space away from other paid vendors and is not acceptable.

Stakes:

NEVER hammer a stake into the ground until an electrician has been to your space and approved the location. High voltage lines, gas lines, and water are throughout the Fairgrounds. Damage to these lines is the least of the problem; **YOUR** safety is what is important.

Electrical Service:

Electrical work orders will not be issued until the concessionaire has picked up the space rental packet, with their rental card. Space rental will call the electrician. Vendors must be present for hook up. Electric hook up **MUST** be done before 5:00 PM before the electrician leaves the grounds for the evening.

Electrical Materials:

Vendors must provide their own electrical materials to reach the electrical sources. The Fair Electrician will not splice or retrofit vendors' electrical materials. Exhibitors may **NOT** connect or disconnect themselves. A four-wire supply cord is required on voltages of 220 or above. A three-phase supply cord is required on 110 volts. Increase in amperage, after the fair, is priced at regular cost plus an additional \$100 fee.

Insurance Requirements:

Vendor's insurance should state "Additional insured party is the Illinois Department of Agriculture, its Directors, officers, and employees." Please assure that your insurance agent that in the "Description of Operations" section. Vendors need public liability insurance insuring Concessionaire/Exhibitor in the minimum amounts of \$250,000 per person, \$500,000 per occurrence and \$50,000 property damage against claims arising out of or in connection with the concessions/exhibits/rentals that are the subject of the Agreement. All must also have Worker's Compensation insurance in an amount required by law. Details will be available at <https://www.illinois.gov/sites/dsf/Pages/default.aspx>, as well as in your contract under Insurance/Liability.

A \$50 trash fee is due from all concessionaires/Exhibitors. The trash company will collect directly. The Fairgrounds does not collect this fee.

Camping:

Vendor Camping will be at numbered sites in the Du Quoin State Fair Campground on a reserved basis this year. Camping application obtained at: <http://www2.illinois.gov/sites/dsf/info/Pages/Camping.aspx>
Camping is \$25 per night. Patrolling will be on a daily basis to insure compliance on fees and spaces.

Golf Car Permits & Rules Information:

All vendors/concessionaires utilizing a golf car on the fairgrounds during the Du Quoin State Fair will be required to purchase a golf car permit. The cost of this permit is \$200 and can be purchased at the Central Cash Office inside the main grandstand. To ensure the safety of our fairgoers, golf cars **WILL NOT** be allowed to be driven on Main Street, Grandstand Avenue and Midway Drive, south of Hayes Avenue, once the Fair has opened for business on that day (vendors/concessionaires have several options to reach their stands without driving on these main thoroughfares). Violation of this rule could lead to the revocation of the Golf Car Permit. In addition, golf cars are **NOT** allowed to be parked on the street but **WILL** be allowed to be parked behind the concessionaire/exhibitor's booth.

Clean Up:

Keep your area clean at all times. Waste water may not be drained onto the ground. Grease must be disposed of in grease barrels. A map of grease barrels will be provided upon arrival.
