Re: Obligation of Project #09-068

Dear Ms. Avery,

This letter is to certify that Permit #09-068, Pinckneyville Community Hospital, was obligated in accordance with the requirements for major construction contracts under Part 1130.720 of the Illinois Administrative Code.

Pinckneyville Community Hospital has executed the standard Form of Agreement Between Owner and Construction Manager as a Constructor (AIA Document A133) with Robins Morton. The agreement included a Guaranteed Maximum Price committing more than the 33% of total funds assigned to the project.

With the execution of this contract, there was no change in the scope or funding sources for the project.

If you have any questions, I can be reached at thudgins@pvillehosp.org or by phone at 618-357-5901.

Sincerely,

Thomas J. Hudgins, FACHE
Chief Executive Officer
