HEALTH FACILITIES &  
SERVICES REVIEW BOARD**RE: Letter of Support, Project # 10-090, Centegra Hospital-Huntley**

Dear Ms. Avery:

I support Project # 10-090 and Centegra Health System's proposal to bring a new hospital to southern McHenry County. The need for a full-service hospital in this area is clear. Huntley and the surrounding communities make up one of the fastest-growing areas not only in McHenry County, but in the entire state. These communities are currently underserved by healthcare facilities, leaving local residents and workers with significant travel times to existing area hospitals.

I urge the Illinois Health Facilities Services and Review Board to approve Centegra Hospital-Huntley, Project # 10-090.

(Additional thoughts may be shared on the lines below.)

*Centegra has proven to be a friend to this community for many years with it's roots in Woodstock Memorial Hospital. I hope we can continue this legacy for generations to come!*

Sincerely,
