Re: Dialysis Unit at the east side of Joliet #10-066

Dear: Mr. Galassie & Members of the Illinois Health Facilities & Services Review Board

I just turned 74 today, today is my birthday. I am writing in the support of the dialysis unit for the east side of Joliet. I have been a dialysis patient for several years and having sometimes to travel to Bolingbrook, Orland Park and now I'm finally at Plainfield. Dialysis takes a lot out me and being it far away from where I reside makes it even more difficult. One of my birthday wishes is have this Dialysis center open, Please help make my wish come true.

Sincerely,

Elaine Grachen
