RE: **TYPE A MODIFICATION**  
Health Facilities Planning Act  
Project #10-079: Prairie Surgicenter, Addition of Project Costs  
APPLICANT(S): Prairie Surgicenter, Springfield  
Prairie Surgicenter Associates, LLC

Dear Ms. Ranalli:

We have received your letter dated January 20, 2011. Pursuant to 77 IAC 1130.650(a), this letter constitutes a Type A modification of the above project.

77 IAC 1130.650(a) indicates that if an applicant modifies an application, the State Agency shall have up to 60 days to review the modification, and to hold a public hearing if one is requested. The State Agency shall then submit its findings to the State Board at the March 22, 2011 Illinois Health Facilities and Services Review Board meeting.

Type A modifications are subject to the public hearing requirements of 77 IAC 1140. Therefore, the State Agency will be publishing another opportunity for public hearing. In the event that a hearing is requested, one will be held within the 60-day period allocated for the State Agency's review. The proposed modification has resulted in the need of an additional notification of opportunity for public hearing, and an additional fee assessment of \$2,355.93 (\$2,000 fee plus \$355.93 percentage of increased project costs).

If you should have any questions, please contact our office at (217) 782-3516 (TTY # 800-547-0466 for hearing impaired only).

Sincerely,

Mike Constantino, Chief  
Program Review Section
