RE: Project No. 10-090, Centegra Hospital-Huntley

Dear Ms. Avery:

This letter serves to confirm my full support of the proposed hospital in Huntley by Centegra Health System in Project No. 10-090. The fact is hospital services are needed in the Huntley community and Centegra is the health system best-suited to provide these services.

I know Centegra Health System well as the flagship hospital rests in my community, McHenry. I am fully aware that Centegra will provide quality health care including outpatient and other services to the community of Huntley as it has done for the City of McHenry and its neighbors.

Centegra purchased the land in Huntley several years ago and has created a strong, long-term plan for responsible development of the site. Centegra will fulfill this goal with great diligence as it has fulfilled other goals before. Huntley is a fortunate community to have a health care system the quality of Centegra build in the community.

I am excited that, along with needed healthcare services, this project will bring new jobs and tax revenue to the Huntley community.

Given the community's need for hospital services and the improved access to healthcare this project will provide for southern McHenry County and surrounding areas, I strongly urge the board to approve the application by Centegra Health System for a new hospital in Huntley.

Sincerely,

I am writing to express my full support of the proposed hospital in Huntley by Centegra Health System in Project No. 10-090. The fact is, hospital services are needed in the Huntley community and Centegra is the health system best-suited to provide these services.

I know Centegra Health System takes its responsibility to the community very seriously and continues to look for ways to improve the care it provides.

Centegra has long been committed to Huntley and the surrounding communities through outpatient services and other health services that have already been brought to the area.

Centegra purchased the land in Huntley several years ago and has created a strong, long-term plan for responsible development of the site.

I personally appreciate that, along with needed healthcare services, this project will bring new jobs and tax revenue to the Huntley community.
