HEALTH FACILITIES &

Ms. Courtney Avery

Illinois Health Facilities and Services Review Board
525 W. Jefferson Street, Second Floor
Springfield, Illinois 62761

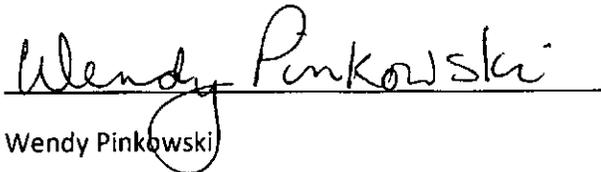

Dear Ms. Avery:

I'm a resident of McHenry and I'm writing to oppose Centegra's application to build a new hospital in Huntley. This project represents a duplication of healthcare services already in the area. There are already three hospitals in McHenry County and additional hospitals such as Advocate Good Shepherd Hospital, Sherman, St. Alexius and Provena St. Joseph that serve the health needs of McHenry County. Any McHenry County resident can get at least one of these hospitals in a reasonable time so if McHenry county residents are leaving the county to seek healthcare it's by their own choice, not for lack of options. We already have enough hospitals nearby.

I urge the Illinois Health Facilities and Review Board to deny the Centegra/Mercy proposed new hospital.

Sincerely,

There is already a nursing shortage that is supposed to get worse in the next 10 years. Where are they going to get the staff for this new hospital?

It is my estimate that the costs of healthcare will be significantly increased by siting this hospital in Huntley because the overall deterioration of services at all hospitals. At this time this hospital is not needed
