Dear Ms. Avery:

I'm a resident of Cook and I'm writing to oppose Centegra's application to build a new hospital in Huntley. This project represents a duplication of healthcare services already in the area. There are already three hospitals in McHenry County and additional hospitals such as Advocate Good Shepherd Hospital, Sherman, St. Alexius and Provena St. Joseph that serve the health needs of McHenry County. Any McHenry County resident can get at least one of these hospitals in a reasonable time so if McHenry county residents are leaving the county to seek healthcare it's by their own choice, not for lack of options. We already have enough hospitals nearby.

I urge the Illinois Health Facilities and Review Board to deny the Centegra proposed new hospital.

Sincerely,

Dear Ms. Avery,

Please deny the CON application for Centegra to build a new hospital in Huntley, Illinois. I oppose the Centegra application for a new hospital.

I do not believe that another hospital is needed in the area. Many hospitals already are serving the area. Another hospital will just drive up health care costs. Residents already have ready access to several hospitals. I am also concerned about how the construction of a new hospital will adversely impact the existing hospitals who serve the community,

Also, since the hospital will not provide a full range of services, many patients will need to be transferred to another hospital to get the care that they need.

Sincerely,

Christopher Wallace
